JOINT DECLARATION OF DARRYL J. ALVARADO AND MATTHEW L. TUCCILLO IN SUPPORT OF: (I) FINAL APPROVAL OF SETTLEMENT AND APPROVAL OF PLAN OF ALLOCATION, AND (II) AN AWARD OF ATTORNEYS' FEES AND EXPENSES, AND AWARDS TO LEAD PLAINTIFFS PURSUANT TO 15 U.S.C. §78u-4(a)(4) DARRYL J. ALVARADO, ESQ. and MATTHEW L. TUCCILLO, ESQ. each declare as follows, pursuant to 28 U.S.C. §1746:

1. We, Darryl J. Alvarado, a member of the California Bar admitted *pro hac vice* to practice before this Court and a member of the law firm of Robbins Geller Rudman & Dowd LLP, and Matthew L. Tuccillo, a member of the Massachusetts, Connecticut, and New York Bars admitted *pro hac vice* to practice before this Court and a Partner of the law firm Pomerantz LLP, serve as Lead Counsel for Lead Plaintiffs Wayne County Employees' Retirement System, the Town of Fairfield Employees' Retirement Plan, and the Town of Fairfield Police and Firemen's Retirement Plan in the above-captioned litigation (the "Action") and submit this Declaration in support of Lead Plaintiffs' accompanying Motion for Final Approval of Settlement and Approval of Plan of Allocation and Lead Counsel's accompanying Motion for an Award of Attorneys' Fees and Expenses, and Awards to Lead Plaintiffs Pursuant to 15 U.S.C. §78u-4(a)(4).<sup>1</sup> We each have personal knowledge of the matters set forth herein based on our active participation in all material aspects of the prosecution and settlement of this litigation. If called upon, we could and would competently testify that the following facts are true and correct.

2. This Declaration sets forth the nature of the claims asserted, the principal proceedings in the Action, the legal services provided by attorneys and personnel at Robbins Geller Rudman & Dowd LLP and Pomerantz LLP (together, "Lead Counsel"), and the Parties' settlement negotiations, and also demonstrates why the Settlement and Plan of Allocation are fair, reasonable, adequate and in the best interests of the Settlement Class and why the application for attorneys' fees, expenses, and reimbursement awards are reasonable and should be approved by this Court.

3. This Settlement takes into consideration the significant risks specific to this litigation and resulted from arm's-length negotiations between the Parties facilitated by mediator Gregory

<sup>&</sup>lt;sup>1</sup> All capitalized terms used herein that are not otherwise defined shall have the meanings provided in the Stipulation of Settlement, dated March 25, 2022 (ECF 159-1) (the "Stipulation").

#### Case 3:18-cv-01338-X Document 167-1 Filed 10/17/22 Page 4 of 17 PageID 3285

Lindstrom of Phillips ADR, a nationally-recognized former litigator who specializes in the resolution of procedurally complex matters, principally antitrust suits and securities class actions. These negotiations were conducted by experienced counsel with an understanding of the strengths and weaknesses of the claims and defenses, and the Settlement was reached after each side had an opportunity to reflect on the negotiations at the mediation, consider Mr. Lindstrom's input, and deliberate further.

4. Lead Plaintiffs believe that this Settlement provides a significant recovery to the Settlement Class, given the nature of the allegations, the procedural stage of the case, and the size of investors' estimated losses. Notwithstanding that many allegations were independently supported, numerous uncertainties remained in the case following the Court's May 5, 2021 order dismissing 63 of the alleged 64 alleged misrepresentations. Defendants asserted falsity, scienter, and loss causation arguments that had the potential to drastically reduce or wholly eliminate investors' recoverable damages in what remained of this case. At trial, Lead Plaintiffs would have had the burden of proving each element of their claims. Trial would have been lengthy and very expensive, and either party could have prevailed. Inevitable post-trial appeals would have added to the length, expense, and uncertainty of this proceeding.

#### I. PRELIMINARY STATEMENT

5. Lead Counsel thoroughly investigated and vigorously litigated the claims asserted in this Action arising under the Securities Exchange Act of 1934 (the "Exchange Act"). Lead Counsel performed a significant factual investigation at the pleading stage, reviewing and analyzing Fluor's stock chart and voluminous publicly available documents regarding Fluor, including Fluor's relevant U.S. Securities and Exchange Commission ("SEC") filings, financial reports, press releases, media and analysts' reports, and identifying, locating and speaking with former Fluor employees who provided more details into the alleged wrongdoing.

#### Case 3:18-cv-01338-X Document 167-1 Filed 10/17/22 Page 5 of 17 PageID 3286

6. In litigating this case, Lead Plaintiffs filed consolidated and amended complaints, adding additional information that came to light through the ongoing investigation. Defendants filed two motions to dismiss, which Lead Plaintiffs opposed. In May 2021, after the Court granted in part and denied in part Lead Plaintiffs' allegations and while Lead Plaintiffs were finalizing their motion for reconsideration or partial judgment of the Court's motion to dismiss ruling, the Parties agreed to participate in a mediation before Mr. Lindstrom. On June 1, 2021, the Parties notified the Court of their intent to mediate and sought a stay of litigation deadlines (ECF 143). The Court entered a docket Order granting the litigation stay and asking for periodic updates (ECF 144).

7. On September 30, 2021, counsel for Lead Plaintiffs and Defendants, along with certain insurance carriers, participated in a full-day mediation before Mr. Lindstrom. In advance of that session, the Parties prepared detailed confidential mediation statements addressing liability and damages – one version of which was exchanged between the Parties and the other version of which included a section for the mediator's eyes only – and exchanged reply mediation statements. No settlement was reached at the mediation. Thereafter, the Parties filed four status reports updating the Court on their continued, months-long efforts to reach a resolution (ECF 147, 148, 149, 150).

8. On December 7, 2021, Lead Plaintiffs filed a motion to lift the litigation stay (ECF 151), so that they could file their motion for reconsideration and revive their litigation efforts. Defendants opposed the motion (ECF 152), on the grounds that the mediation and negotiation process remained ongoing, and Lead Plaintiffs filed their reply (ECF 153). These efforts well illustrate the arm's-length nature of the Parties' negotiations and Lead Counsel's willingness to continue litigating if a sufficient settlement could not be achieved.

9. On February 25, 2022, the Parties filed a joint motion notifying the Court that after months of negotiations, a settlement agreement had been reached in principal and seeking to extend the litigation stay (ECF 155). On March 25, 2022, following further negotiations, the Parties

- 3 -

#### Case 3:18-cv-01338-X Document 167-1 Filed 10/17/22 Page 6 of 17 PageID 3287

executed the Stipulation, which was filed with the Court on March 31, 2022. During the course of the Parties' negotiations, Lead Counsel made it clear that, while they were prepared to assess the strengths and weaknesses of their case fairly, they would continue to litigate rather than settle for less than fair value. Lead Counsel persisted in their negotiations until they achieved a settlement they thought was in the best interests of the Settlement Class.

10. The proposed \$33 million Settlement, derived from the substantial efforts of Lead Counsel, is a notable achievement under the circumstances of the Action. Had the Settlement not been reached, Lead Plaintiffs and their counsel would have pursued their pending motion to lift the litigation stay, would have filed their motion for reconsideration of the Court's dismissal order, and would have engaged in extensive discovery, including depositions of the Individual Defendants, regarding the upheld claims. Although Lead Plaintiffs believe their allegations would have been borne out by the evidence, they faced a difficult road in prevailing on the merits and an expensive and lengthy prosecution of the Action through completion of discovery, dispositive motions, trial, and appeals. Lead Plaintiffs and Lead Counsel are also mindful of inherent problems of proof of, and possible defenses to, their federal securities law claims, including, but not limited to, proof of the Defendants' state of mind, which Defendants had already challenged in their motions to dismiss, the issues of causation and damages, and practical impediments to judgment enforcement. Lead Plaintiffs and Lead Counsel, based upon their thorough evaluation, believe that the Settlement set forth in the Stipulation is fair, reasonable, and adequate and in the best interests of the Settlement Class Members and that the Settlement confers substantial benefits upon Settlement Class Members.

11. The Settlement was negotiated on all sides by experienced counsel with a firm understanding of the strengths and weaknesses of their clients' respective claims and defenses. The Settlement confers substantial and immediate benefits to the Settlement Class, while eliminating the risk that the Settlement Class would receive nothing. Furthermore, even if Lead Plaintiffs would

- 4 -

have prevailed at the class certification stage, at the summary judgment stage, and then at trial, any recovery could still be years away, as Defendants would likely have appealed. In fact, a prolonged litigation could have substantially impeded Fluor's business, depleted available insurance, and eliminated sources of a settlement or judgment. Thus, Lead Counsel respectfully submit that, under these circumstances, the Settlement is in the best interest of the Settlement Class and should be approved as fair, reasonable, and adequate.

12. Lead Counsel also respectfully submit that the Court should approve the Plan of Allocation and award attorneys' fees in the amount of 30% of the Settlement Fund, plus expenses in the amount of \$115,915.09, which have been incurred or advanced by Lead Counsel in connection with this Action, plus interest thereon, as a result of Lead Counsel's considerable efforts in creating this substantial benefit on behalf of the Settlement Class, and as recognition for the risks faced and overcome. Lead Counsel have zealously and aggressively litigated this case for more than four years on a wholly-contingent basis. The fee application for 30% of the total recovery is fair, reasonable and adequate, and warrants Court approval. This fee request is well within the range of fees typically awarded in actions of this type, was approved by Lead Plaintiffs, and is wholly justified in light of the benefits obtained, the substantial risks undertaken, and the quality, nature and extent of the services rendered, as more fully set forth in the accompanying Memorandum in support of Lead Counsel's Motion for an Award of Attorneys' Fees and Expenses, and Awards to Lead Plaintiffs Pursuant to 15 U.S.C. §78u-4(a)(4) (the "Fee Memorandum").

13. The Settlement Class appears to approve the Settlement overwhelmingly. Under the Court's Order Preliminarily Approving Settlement and Providing for Notice, dated May 26, 2022 (the "Notice Order") (ECF 162), more than 404,700 copies of the short-form Notice of Proposed Settlement of Class Action, Motion for Attorneys' Fees and Expenses, and Settlement Fairness Hearing (the "Postcard Notice") were mailed to potential Settlement Class Members and nominees,

- 5 -

and a long-form Notice of Proposed Settlement of Class Action, Motion for Attorneys' Fees and Expenses, and Settlement Fairness Hearing (the "Long-Form Notice") was posted to a website dedicated to the Settlement. *See* Declaration of Luiggy Segura Regarding: (A) Mailing of the Postcard Notice; (B) Publication of the Summary Notice; (C) Report on Exclusion Requests and Objections; and (D) Claims Received to Date, ¶¶2-8, submitted herewith. Additionally, a Summary Notice was published over *PR Newswire* on June 23, 2022. *Id.*, ¶9. The Postcard Notice, Long-Form Notice, and Summary Notice apprised Settlement Class Members of their right to object to the Settlement, to the Plan of Allocation, to Lead Counsel's application for attorneys' fees of up to 30% of the Settlement Fund plus expenses of up to \$200,000, and/or to Lead Plaintiffs' application for awards of up to \$75,000 total. The time to file objections to any of the relief sought expires on the date of this filing and, to date, there have been no objections to the Settlement, the Plan of Allocation or Lead Counsel's request for an award of attorneys' fees and expenses.

#### II. SUMMARY OF LEAD PLAINTIFFS' ALLEGATIONS

14. Fluor is a multinational holding company that provides design, engineering, procurement, and construction services in a variety of industries. Relevant to this Action is Fluor's business of providing such services for large fixed-price projects, including gas-fired power plant projects and other infrastructure projects. This securities class action arises from Defendants' allegedly misleading statements and omissions to investors regarding Fluor's bidding and construction of such projects pursuant to fixed-price contracts.

15. Lead Plaintiffs alleged that during the Settlement Class Period, Defendants systematically underbid fixed-price projects in a "race to the bottom" with Fluor's competitors, while stating the very opposite – that Fluor was conservative and selective in its bidding for fixed-price projects. When financial charges later became necessary to bring Fluor's faulty bids in line with reality, Defendants allegedly misstated that the problems were contained and fully identified,

#### Case 3:18-cv-01338-X Document 167-1 Filed 10/17/22 Page 9 of 17 PageID 3290

delaying revelation as to the extent of the damage. The dire ramifications of Fluor's bidding strategy allegedly appeared first in connection with financial charges on four gas-fired power plants in the Southeastern United States – the Brunswick County Plant in Virginia, the Greensville County Plant in Virginia, the Anderson County Plant in South Carolina, and the Citrus County Plant in Florida (together, the "Gas-Fired Plants"). By 2015, Defendants were allegedly forced to admit that Fluor was required to take financial charges related to the Brunswick County Plant, with additional financial charges allegedly occurring throughout the remainder of the Settlement Class Period related to the other Gas-Fired Plants.

16. Lead Plaintiffs further allege that, in connection with recognizing charges on the Gas-Fired Plants, Defendants allegedly – in response to extensive, direct analyst questioning – assured the market that the bidding and construction execution problems causing the financial charges on the Gas-Fired Plants were not systemic throughout Fluor. Rather, Defendants allegedly misrepresented that the bidding and execution problems were contained to the Gas-Fired Plants and that only a select few projects were affected by improper bidding and execution. Defendants allegedly made misstatements announcing that they understood the source of their issues and stated they had implemented corrective measures that would rectify these problems. Defendants also allegedly misrepresented that Fluor had robust internal controls, such that its critical accounting policies were adhered to, including performing robust quarter-end estimates of the total costs to complete each of Fluor's in-progress, fixed-price projects and accurately accounting for revenue. Defendants even allegedly misstated that Fluor's internal controls and risk management processes had been enhanced because of the charges on the Gas-Fired Plants.

17. Alleged partial disclosures relating to improper bidding, construction execution, and internal controls issues began to enter the market on July 30, 2015, when Fluor released its Q2 2015 financial results. However, as discussed above, Defendants allegedly continued to make false and

- 7 -

misleading statements and did not disclose the full extent and ramifications of the fraud. The price of Fluor securities allegedly remained artificially inflated throughout the entire Settlement Class Period.

18. Lead Plaintiffs allege that, in truth, however, many of Fluor's other fixed-price projects suffered from similar bidding and execution problems. Although Defendants allegedly worked to mislead the market into believing that the ramifications from underbid contracts were contained in the gas-fired power plant market, they later disclosed similar problems infecting several of Fluor's other fixed-price projects, leading to an announcement on August 2, 2019 that Fluor had recognized \$714 million in charges related to three of the Gas-Fired Plants and other fixed-price projects. Defendants also allegedly made admissions indicating that, contrary to their Settlement Class Period statements, their internal controls were deficient, resulting in a failure to adhere to critical accounting policies related to estimating costs and revenue, in a series of revelations extending into February 2020.

19. Finally, having been led to believe that the bidding and execution problems were limited to the Gas-Fired Plants and that fixed-price-related charges were fully accounted for, the market was allegedly stunned by the news that these problems were widespread. On February 18, 2020, Fluor announced that the SEC opened an investigation into Fluor's "past accounting and financial reporting, and has requested documents and information related to projects for which Fluor recorded charges in the second quarter of 2019." Separately, Fluor announced that it was conducting an internal investigation of its own into its prior financial reporting, "related control environment," and "revenue recognition charges." As a result of the SEC and internal investigations, Fluor announced that it would be unable to timely file its 2019 Annual Report on Form 10-K by the end of February 2020. The following month, in May 2020, Fluor disclosed that the U.S. Department of Justice was also investigating Fluor's prior financial reporting, governance matters and the charges

on fixed-price projects that Fluor recorded in the second quarter of 2019. Then, in September 2020, Fluor restated its financial statements for the years ended December 31, 2016, 2017, and 2018, and each quarterly financial statement for 2018 and 2019. The Restatement stated that these financial statements were false when issued and "should no longer be relied upon," and that there were accounting errors contained in those financial statements which included "overstated revenue" and "understated costs" on fixed-price projects between 2016 and September 30, 2019.

#### **III. LEAD COUNSEL'S EFFORTS PROSECUTING THE CASE**

20. On May 25, 2018, Kin-Yip Chun filed the initial complaint in this Action (ECF 1) asserting claims under the Exchange Act §§10(b) and 20(a).

21. By Order dated December 10, 2018 (ECF 41), the Court appointed Lead Plaintiffs and their choice of Robbins Geller Rudman & Dowd LLP and Pomerantz LLP as Lead Counsel and Kendall Law Group, PLLC and The Briscoe Law Firm, PLLC as Local Counsel. Thereafter, Lead Counsel conducted a thorough and expanded investigation of the relevant facts, which included review of Fluor's stock chart, analysis of its press releases and SEC filings, evaluation of Defendants' public statements, review of analyst reports about Fluor, and private investigator interviews with former Fluor employees.

22. On March 8, 2019, Lead Plaintiffs filed the Consolidated Complaint for Violation of the Federal Securities Laws (ECF 47), alleging that Defendants Fluor, Seaton, Porter, Stanski, McSorley, and Smalley made material misstatements and omissions in violation of §§10(b) and 20(a) of the Exchange Act between August 14, 2013 and October 10, 2018, inclusive.

23. On July 15, 2019, Defendants filed their motion to dismiss (ECF 72). Lead Plaintiffs opposed the motion on September 27, 2019 (ECF 86). Defendants filed their reply on November 22, 2019 (ECF 87). On March 5, 2020, the Court entered an Order (ECF 89) granting the motion and dismissing without prejudice. Thereafter, Lead Counsel expanded their ongoing investigation.

- 9 -

24. On April 2, 2020, Lead Plaintiffs filed the First Amended Consolidated Complaint for Violation of the Federal Securities Laws (ECF 90) ("FAC) asserting claims under §§10(b) and 20(a) of the Exchange Act against Defendants Fluor, Seaton, Porter, Stanski, McSorley, Smalley, Hernandez, Steuert, and Chopra arising from material misstatements and omissions between August 14, 2013 and February 14, 2020, inclusive.

25. On April 6, 2020, Lead Plaintiffs filed a motion (ECF 92) to consolidate a related, later filed tag-along case (the "Related Action"). On April 7, 2020, the Related Action plaintiff filed a motion to intervene (ECF 95), seeking to strike the FAC and require republication of the PSLRA notice in this Action. Between April 24, 2020 and May 8, 2020, both motions were fully briefed (ECF 102, 105, 107, 109). On May 26, 2020, the Court entered an Order (ECF 110) granting Lead Plaintiffs' motion to consolidate and denying the Related Action plaintiff's motion to intervene.

26. On July 1, 2020, Defendants moved to dismiss the FAC (ECF 112). On October 29, 2020, after Fluor restated years of financial statements in September 2020, Lead Plaintiffs opposed the motion to dismiss (ECF 126) and filed a motion to supplement or amend the FAC (ECF 130) and a motion to seek judicial notice of the restatement (ECF 129). On December 14, 2020, Defendants filed their motion to dismiss reply (ECF 133) and opposed Lead Plaintiffs' motions (ECF 135, 136). On January 8, 2021, Lead Plaintiffs filed their motion to supplement reply (ECF 137).

27. On May 5, 2021, the Court entered an Order (ECF 140) denying Lead Plaintiffs' request for judicial notice and motion to supplement or amend and granting, in large part, Defendants' motion to dismiss the FAC, dismissing the claims as regards to 63 of the 64 alleged misrepresentations. Defendants answered the FAC on May 19, 2021 (ECF 141).

28. Lead Plaintiffs prepared a motion for reconsideration or partial judgment of the Court's ruling and were prepared to file it within 30 days of the Court's Order.

#### Case 3:18-cv-01338-X Document 167-1 Filed 10/17/22 Page 13 of 17 PageID 3294

29. However, on June 1, 2021, the Parties notified the Court of their intent to mediate and sought a stay of litigation deadlines (ECF 143). The Court entered a docket Order granting the litigation stay and asking for periodic updates (ECF 144).

30. As discussed above, the Parties exchanged substantial mediation briefing papers and held an unsuccessful mediation in September 2021. Thereafter, the Parties filed four status reports informing the Court that mediator-assisted negotiations were ongoing (ECF 147, 148, 149, 150).

31. On December 7, 2021, Lead Plaintiffs filed a motion to lift the litigation stay (ECF 151), so that they could file their motion for reconsideration and revive their active pursuit of the litigation. Defendants opposed the motion (ECF 152), on the grounds that the mediation and negotiation process remained ongoing, and Lead Plaintiffs filed their reply (ECF 153).

32. On February 25, 2022, after months of mediator-assisted negotiation, the Parties filed a joint motion notifying the Court that a settlement agreement had been reached in principal and seeking to extend the litigation stay (ECF 155).

33. In February and March, 2022, the Parties drafted, negotiated, and finalized a Memorandum of Understanding, followed by the Stipulation and its exhibits, along with a standard confidential agreement containing the Settlement's blow provision.

34. Throughout these resolution-oriented efforts, Lead Counsel worked closely with Lead Plaintiffs to ensure that Lead Plaintiffs were fully informed, able to articulate settlement authority figures, and able to evaluate and approve the Settlement.

35. On March 31, 2022, Lead Plaintiffs filed their preliminary approval motion (ECF 158), asking the Court to approve the notice program that, among other things, described the Settlement's terms, advised Settlement Class Members of their rights in connection with the Settlement, set forth the Plan of Allocation, informed Settlement Class Members of the amount of attorneys' fees and expenses that Lead Counsel would request, explained the procedure for filing a

Proof of Claim and Release Form ("Proof of Claim") to be eligible to receive a payment from the Net Settlement Fund, and explained the process to file objections or seek exclusion. In addition, Lead Plaintiffs requested that the Court certify the Settlement Class for settlement purposes. The Court's preliminary approval order was entered on May 26, 2022 (ECF 162).

### IV. LEAD COUNSEL STRONGLY SUPPORT THE SETTLEMENT

36. As a result of the litigation efforts of Lead Counsel and the discussions that occurred during the Parties' settlement negotiations, Lead Counsel were able to identify the issues that were critical to the outcome of this case. Lead Counsel have considered the risks of continued litigation, the likelihood of obtaining class certification, the likely summary judgment motions after completion of fact and expert discovery and, if successful, the risk, expense, and length of time to prosecute the Action through trial and the inevitable subsequent appeals. Lead Counsel have also considered the substantial monetary benefit provided by the Settlement in light of the risk of continued litigation. Additionally, Lead Plaintiffs participated in this assessment, and were consulted with and kept apprised of the Settlement negotiations, and approved the Settlement.

37. Lead Counsel are actively engaged in complex federal civil litigation, particularly the litigation of securities class actions. Lead Counsel believe that their reputation as attorneys who are unafraid to zealously carry a meritorious case through the trial and appellate levels gave them a strong position in engaging in settlement negotiations with Defendants.

38. We respectfully submit that the Settlement represents a highly favorable result for the Settlement Class. The Settlement will provide Settlement Class Members with a substantial benefit now without the risk of zero recovery if the litigation were to continue and be unsuccessful.

#### V. THE PLAN OF ALLOCATION

39. Lead Counsel formulated the proposed Plan of Allocation after consultation with Lead Plaintiffs' damages expert, as a fair method to divide the Net Settlement Fund for distribution

- 12 -

among the Settlement Class Members in light of the timing of their Fluor stock transactions, based on the calculation of their claims, appropriate *pro rata* reductions, and division of the Net Settlement Fund into two weighted pools from which to fund claims. The proposed Plan of Allocation attempts to simplify the claims administration with attendant reduced cost to the Settlement Class. Thus, the proposed Plan of Allocation is designed to fairly and rationally allocate the proceeds of this Settlement among the Settlement Class.

#### VI. THE REQUESTED AWARD OF ATTORNEYS' FEES AND EXPENSES

40. Despite working on this matter for more than four years, Lead Counsel have not received any payment for their services in prosecuting this litigation, nor have they been paid for their expenses incurred in the prosecution of the litigation. The Postcard Notice and Long-Form Notice provide that Lead Counsel may apply for an award of attorneys' fees not to exceed 30% of the Settlement Fund, plus expenses of up to \$200,000 incurred in the litigation. The requested fee award was negotiated by the Lead Plaintiffs and is well within the range of fees awarded by courts in this District and throughout the country.

41. Lead Counsel achieved the favorable result for the Settlement Class at great risk and substantial expense. Lead Counsel were unwavering in their dedication to the interests of the Settlement Class and their investment of the time and resources necessary to bring this litigation to a successful conclusion. Lead Counsel's compensation for the services rendered has always been wholly contingent. From the outset, Lead Counsel understood that they were embarking on a complex, expensive, and lengthy litigation with no guarantee of ever being compensated for the enormous investment of time and money the case would require. In undertaking that responsibility, Lead Counsel were obligated to ensure that sufficient attorney and paraprofessional resources were dedicated to the prosecution of this Action and that funds were available to compensate staff and the considerable costs which a case such as this entails.

#### Case 3:18-cv-01338-X Document 167-1 Filed 10/17/22 Page 16 of 17 PageID 3297

42. For their extensive efforts on behalf of the Settlement Class, Lead Counsel are applying for compensation from the Settlement Fund on a percentage basis and seek the Court's approval of this fee percentage. The percentage method is the appropriate method of compensating counsel because, among other things, it aligns the lawyers' interest in being paid a fair fee with the interest of the class in achieving the maximum recovery in the shortest amount of time required under the circumstances. In addition, here, the percentage method is particularly appropriate given the highly favorable result under the circumstances it was achieved. The requested fee is reasonable based on the quality of Lead Counsel's work and the substantial benefit obtained for the Settlement Class.

43. Contingent securities litigation are predominantly "big cases" lasting several years, meaning not only must contingent litigation firms pay regular overhead, but they also have to advance the litigation expenses, despite the risk of not being repaid. It is wrong to assume that a law firm handling complex contingent litigation such as this Action always wins. Tens of thousands of hours have been expended in losing efforts. The factor labeled by the courts as "the risks of litigation" is not an empty phrase.

44. When Lead Counsel undertook to act for the Lead Plaintiffs and the Settlement Class in this matter, it was with the knowledge that they would spend many hours of hard work against some of the best defense lawyers in the U.S. with no assurance of obtaining any compensation for their efforts. The benefits conferred by this Settlement are particularly noteworthy in that a Settlement Fund worth \$33 million was obtained for the Settlement Class, despite substantial risks of no recovery given the vigorous defense mounted by Defendants and the practical other obstacles to obtaining a larger recovery after continued litigation.

45. Our accompanying individual declarations describe the specific time, lodestar, and expenses incurred by our respective firms working on this litigation.

- 14 -

#### VII. CONCLUSION

46. Given the excellent recovery for the Settlement Class and the substantial risks of this litigation, Lead Plaintiffs and Lead Counsel respectfully submit that the Settlement should be approved as fair, reasonable, and adequate and that the proposed Plan of Allocation should likewise be approved as fair, reasonable, and adequate.

47. Given the recovery in the face of substantial risks, the quality of work performed, the contingent nature of the fee, and the standing and experience of Lead Counsel, Lead Counsel respectfully ask that a fee in the amount of 30% be awarded, that total litigation expenses in the amount of \$115,915.09 be awarded, and that Lead Plaintiffs be awarded a total of \$51,919.25 (\$25,000 to the Town of Fairfield Employees' Retirement Plan, \$25,000 to the Town of Fairfield Police and Firemen's Retirement Plan, and \$1,919.25 to Wayne County Employees' Retirement System), pursuant to the PSLRA.

# DECLARATION OF LUIGGY SEGURA REGARDING: (A) MAILING OF THE POSTCARD NOTICE; (B) PUBLICATION OF THE SUMMARY NOTICE; (C) REPORT ON EXCLUSION REQUESTS AND OBJECTIONS; <u>AND (D) CLAIMS RECEIVED TO DATE</u>

I, Luiggy Segura, declare as follows:

1. I am the Vice President of Securities Class Actions at JND Legal Administration

("JND"). Pursuant to ¶7 of the Court's May 26, 2022 Order Preliminarily Approving Settlement and Providing for Notice (ECF 162) (the "Preliminary Approval Order"), JND was appointed to act as the Claims Administrator in connection with the above-captioned Action.<sup>1</sup> I submit this declaration to provide the Court and the Parties with information regarding the mailing of the short-form Notice of Proposed Settlement of Class Action, Motion for Attorneys' Fees and Expenses, and Settlement Fairness Hearing (the "Postcard Notice"), the publication of the Summary Notice of Pendency and Proposed Settlement of Class Action ("Summary Notice"), the online posting of the Stipulation and its exhibits including the long-form Notice of Proposed Settlement of Class Action, Motion for Attorneys' Fees and Expenses, and Settlement Fairness Hearing (the "Long-Form Notice"), as well as other status updates regarding the administration process. The following statements are based on my personal knowledge and information provided

<sup>&</sup>lt;sup>1</sup> All capitalized terms are defined in the Stipulation of Settlement (ECF 159-1) ("Stipulation"), dated March 25, 2022, and the Preliminarily Approval Order, dated May 26, 2022.

to me by other experienced JND employees working under my supervision, and, if called as a witness, I could and would testify competently thereto.

#### MAILING OF THE POSTCARD NOTICE

2. Pursuant to the Preliminary Approval Order, on May 27, 2022, JND received an Excel file (the "Transfer Agent List") from defense counsel that we were told contained the names and mailing addresses of persons or entities who purchased or acquired the common stock of Fluor Corporation ("Fluor") (CUSIP:343412102) (NYSE: FLR) between August 14, 2013, and February 14, 2020, both dates inclusive (the "Settlement Class Period"). JND extracted the records from the file received and, after clean-up and de-duplication, there remained a total of 3,654 unique names and addresses. Prior to mailing the Postcard Notice to individuals and entities on the Transfer Agent List, JND verified the mailing records through the National Change of Address ("NCOA") database to ensure the most current addresses were being used. JND also researched filings with the U.S. Securities and Exchange Commission ("SEC") on Forms 13-F to identify institutions or entities that may have purchased or acquired Fluor common stock during the Settlement Class Period. Based on this research, an additional 1,751 address records were added to the list of potential Settlement Class Members. On June 16, 2022, JND caused the Postcard Notice to be mailed via First-Class mail, postage prepaid, to these 5,405 potential Settlement Class Members. A copy of the Postcard Notice is attached hereto as Exhibit A.

3. Contemporaneously with the mailing of the Postcard Notice, JND posted the Postcard Notice, Long-Form Notice, Stipulation, Proof of Claim and Release Form (the "Proof of Claim"), the Preliminary Approval Order, and Complaint to a website, www.FluorSecuritiesSettlement.com, dedicated to the Settlement (the "Settlement Website").

#### Case 3:18-cv-01338-X Document 167-2 Filed 10/17/22 Page 4 of 47 PageID 3302

4. As in most actions of this nature, a large majority of potential class members are expected to be beneficial owners whose securities are held in "street name," *i.e.*, the securities are owned by brokerage firms, banks, institutions or other third-party nominees in the name of the nominee, on behalf of the beneficial owners. JND maintains a proprietary database with the names and addresses of the most common banks and brokerage firms, nominees and known third party filers ("Broker Database"). At the time of the initial mailing, the Broker Database contained 4,079 mailing addresses. On June 16, 2022, JND caused the Postcard Notice to be mailed via First-Class mail, postage prepaid, to the 4,079 mailing addresses contained in the Broker Database.

5. We requested brokers and nominees who held shares of Fluor common stock during the Settlement Class Period for the beneficial interest of an individual or organization other than themselves, within ten (10) days of receipt of the Postcard Notice, to either (a) provide to the Claims Administrator the name and last known address of each person or organization for whom or which they purchased such common shares during such time period or (b) request copies of the Postcard Notice, which would be provided to them free of charge, and mail such copies directly to the beneficial owners within ten (10) days of receipt from JND.

6. Through October 11, 2022, JND mailed an additional 206,707 Postcard Notices to potential Settlement Class Members whose names and addresses were received from individuals, entities, or nominees requesting that a Postcard Notice be mailed to such persons and mailed another 188,558 Postcard Notices to nominees who requested copies of the Postcard Notice so that they could forward the copies to their customers. Each of the requests was responded to in a timely manner.

7. JND also provided a copy of the Long-Form Notice to the Depository Trust Company ("DTC") for posting on its Legal Notice System ("LENS"). The LENS may be accessed

#### Case 3:18-cv-01338-X Document 167-2 Filed 10/17/22 Page 5 of 47 PageID 3303

by any broker or other nominee that is a participant in DTC's security system. The Long-Form Notice was posted on DTC's LENS on June 15, 2022. A copy of the Long-Form Notice is attached hereto as Exhibit B.

8. Through October 11, 2022, a total of 404,749 Postcard Notices have been mailed to potential Settlement Class Members and their nominees. In addition, JND has re-mailed 1,064 Postcard Notices to persons whose original mailings were returned by the U.S. Postal Service ("USPS") as undeliverable and for whom updated addresses were provided to JND by the USPS and advanced address searches.

#### PUBLICATION OF THE SUMMARY NOTICE

9. Pursuant to  $\P7(c)$  of the Preliminary Approval Order, on June 23, 2022, JND caused the Summary Notice to be published once over *PR Newswire*. Attached hereto as Exhibit C is the confirmation of the *PR Newswire* publication.

#### ESTABLISHMENT OF CLAIMS CALL CENTER

10. JND maintains a toll-free telephone number (1-888-964-2130) for Settlement Class Members to call and obtain information about the Settlement, request a Long-Form Notice, and/or seek assistance from a live operator during regular business hours. As of October 11, 2022, JND received a total of 1,418 calls to the telephone hotline. JND has promptly responded to each telephone inquiry and will continue to address potential Settlement Class Member inquiries.

# ESTABLISHMENT OF THE SETTLEMENT WEBSITE

11. To further assist potential Settlement Class Members, JND maintains the Settlement Website, www.FluorSecuritiesSettlement.com, which is dedicated to the Settlement and accessible 24 hours a day, 7 days a week. Among other things, the Settlement Website includes general information regarding the Settlement such as the current status and important

#### Case 3:18-cv-01338-X Document 167-2 Filed 10/17/22 Page 6 of 47 PageID 3304

deadlines, and a link to file an online claim. JND also posted copies of the Preliminary Approval Order, Proof of Claim, Stipulation, Postcard Notice, and Long-Form Notice on the Settlement Website. The Settlement Website will continue to be updated with relevant court documents and case updates. As of October 11, 2022, the Settlement Website has received 11,205 visitors.

#### **REPORT ON EXCLUSION REQUESTS AND OBJECTIONS**

12. The Postcard Notice directed potential Settlement Class Members to the Long-Form Notice if they decided to submit a request for exclusion. The Long-Form Notice informs potential Settlement Class Members that requests for exclusion from the Settlement Class are to be addressed to Fluor Securities Settlement, c/o JND Legal Administration, P.O. Box 91325, Seattle, WA 98111, such that they are received no later than October 17, 2022. As of October 11, 2022, JND has received a total of four (4) timely requests for exclusion, claiming to represent approximately 17,989 shares.<sup>2</sup> Attached hereto as Exhibit D are the exclusion requests.<sup>3</sup>

13. The Long-Form Notice informs potential Settlement Class Members that all objections to the proposed Settlement must be received by the Court, Lead Counsel, and Defendants' counsel by October 17, 2022. While JND was not listed to be the recipient of objections, as of October 11, 2022, JND has not received and is not aware of any objections to the Settlement.

14. JND will submit a supplemental declaration addressing any exclusion requests or objections received after the execution of this declaration and the October 17, 2022 deadline.

<sup>&</sup>lt;sup>2</sup> In consultation with Lead Counsel, two (2) of the requests are considered invalid because they did not contain any information regarding purchases or sales of Fluor common stock during the Settlement Class Period.

<sup>&</sup>lt;sup>3</sup> Sensitive information has been redacted from the exclusions.

#### CLAIMS RECEIVED TO DATE

15. The Notices and Proof of Claim inform potential Settlement Class Members that claims must be received no later than October 14, 2022. As of October 11, 2022, JND has received approximately 44,075 claims. JND is currently in the process of reviewing, analyzing, and performing quality control on the claims received.

I declare under penalty of perjury that the foregoing is true and correct. Executed on October 14, 2022, at New Hyde Park, New York.

If you purchased, or otherwise acquired, the common stock of Fluor Corporation ("Fluor") (NYSE: FLR) between August 14, 2013 and February 14, 2020, both dates inclusive, you could be entitled to a payment from a proposed settlement ("Settlement") reached in this action ("Action"). Your rights may be affected by this Action and the Settlement. A hearing will be held on November 7, 2022, at 10:00 a.m. before the Honorable Brantley Starr, at the United States District Court for the Northern District of Texas, 1100 Commerce Street, Courtroom 1525, Dallas, TX 75242 to determine: whether the proposed Settlement of the Action against Defendants Fluor, David T. Seaton, Biggs C. Porter, Bruce A. Stanski, Matthew McSorley, Gary G. Smalley, Carlos M. Hernandez, D. Michael Steuert, and Robin K. Chopra for thirty-three million dollars (\$33,000,000) and the Plan of Allocation should be approved as fair, reasonable and adequate and whether the Action should be dismissed with prejudice against the Defendants, as set forth in the Stipulation of Settlement ("Stipulation") filed with the Court; whether Lead Counsel's application for an award of attorneys' fees of 30%, plus interest, should be granted; and whether Lead Plaintiffs' request for reimbursement of seventy-five thousand dollars (\$75,000) in the aggregate for their time and expenses incurred in representing the Settlement Class should be granted.

The proposed Settlement would resolve a class action lawsuit alleging that, in violation of the U.S. federal securities laws, Defendants made material misrepresentations and omissions, with scienter, concerning the business operations, accounting, and financial reporting concerning Fluor's fixed-price projects. Defendants deny the allegations. For a full description of the Settlement and your rights and to make a claim, you may obtain the Stipulation, long-form Notice of Proposed Settlement of Class Action, and the Proof of Claim and Release Form ("Proof of Claim") by visiting the website: www.FluorSecuritiesSettlement.com (the "Website") or you may request copies from the Claims Administrator by: (1) mail: Fluor Securities Settlement, c/o JND Legal Administration, P.O. To qualify for payment, you must submit a valid Proof of Claim, with supporting documentation, received no later than **October 14, 2022**. You will be bound by any Judgment entered in the Action, regardless of whether you submit a Proof of Claim, unless you exclude yourself from the Settlement Class, received no later than **October 17, 2022**. If you exclude yourself, you cannot get money from this Settlement. If you stay in the Settlement, you may object to the Settlement, Plan of Allocation, request for award of attorneys' fees and expenses, or Lead Plaintiffs' request for awards no later than **October 17, 2022**. The long-form Notice and the Website explain how to exclude yourself or to object.

# A federal court authorized this Notice. It is not a solicitation from a lawyer.

The Court will hold a Settlement Hearing on **N r** to decide whether to approve the Settlement. If approved by the Court, the Settlement will provide a gross amount of Thirty-Three Million dollars (33,000,000) (the "Settlement Amount"), plus interest earned thereon, minus attorneys' fees, costs, administrative expenses, and any awards to Lead Plaintiffs, and net of any taxes, to pay claims of investors who purchased or otherwise acquired Fluor common stock during the Settlement Class Period.

The Settlement represents an average recovery of 0.11 per share of Fluor common stock for the 295.07 million estimated shares that Lead Plaintiffs allege were damaged and declined in value as a result of Defendants' alleged misconduct during the entire Settlement Class Period. As defined in the Plan of Allocation below, Settlement Class Members in Pool 1 will receive an average recovery of 0.83 per share of Fluor common stock for their 29.70 million damaged shares, while Settlement Class Members in Pool 2 will receive an average of 0.03 per share of Fluor common stock for their 265.37 million damaged shares. These estimates solely reflect the average recovery per damaged share of Fluor common stock before the deductions outlined in the first bullet-pointed paragraph of this section, above. This is not an estimate of the actual recovery per share you should expect. Your actual recovery will be affected by the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold Fluor common stock, and the total number of valid claims filed. See the Plan of Allocation below for more details.

To claim your share of the Settlement, you must submit a valid Proof of Claim and Release Form by  $\mathbf{O} = \mathbf{r}$ .

Lead Counsel for the Settlement Class intend to ask the Court to award them fees of up to thirty percent (30) of the Settlement Amount and up to two hundred thousand dollars (200,000.00) in litigation expenses, plus interest earned on such fees and expenses. Since the Action's inception in May 2018, Lead Counsel have expended considerable time and effort in the prosecution of this litigation on a wholly contingent-fee basis (meaning that they have not yet been paid anything) and advanced the

expenses of the litigation out of their own pockets in the expectation that, if they were successful in obtaining a recovery for the Class, they would be paid from such recovery. Lead Counsel also intend to ask the Court to grant Lead Plaintiffs awards not to exceed twenty-five thousand dollars (25,000.00) each, or seventy-five thousand dollars (75,000.00) in total to reimburse them for their time and effort in representing the Class. Collectively, the attorneys' fees and litigation expenses and awards to Lead Plaintiffs are estimated to average 0.03 per damaged share of Fluor common stock across the entire Settlement Class. That number is 0.25 per share for Settlement Class Members in Pool 1 and 0.01 per share for Settlement Class Members in Pool 2, as defined in the Plan of Allocation below. The average cost per damaged share will vary depending on the number of acceptable Proofs of Claim submitted. If approved by the Court, these amounts will be paid from the Settlement Fund.

The approximate recovery, after the deduction of attorneys' fees and expenses and awards to Lead Plaintiffs to be approved by the Court, is an average of 0.08 per damaged share of Fluor common stock across the entire Settlement Class. That number is 0.58 per share for Settlement Class Members in Pool 1 and 0.02 per share for Settlement Class Members in Pool 2, as defined in the Plan of Allocation below. This estimate is based on the assumptions set forth in the preceding paragraph. Your actual recovery, if any, will vary depending on your purchase price and sales price and the number of valid Proof of Claim and Release Forms filed.

The Defendants are Fluor and the Individual Defendants David T. Seaton ("Seaton"), Biggs C. Porter ("Porter"), Bruce A. Stanski ("Stanski"), Matthew McSorley ("McSorley"), ary . Smalley ("Smalley"), Carlos M. Hernandez ("Hernandez"), D. Michael Steuert ("Steuert"), and Robin K. Chopra ("Chopra").

Upon the Effective Date of the Settlement, the Released Settlement Class Claims will be fully, finally, and forever released as to Defendants and all of the Released Parties. Upon the Effective Date, and as a material condition of the dismissal with prejudice of the Action, all Defendants and Released Parties shall release all of the Released Defendant Claims as against Lead Plaintiffs, Lead Counsel and Lead Plaintiffs' other counsel, and all Settlement Class Members.<sup>1</sup>

The Settlement resolves the lawsuit concerning whether Defendants violated U.S. federal securities laws by allegedly issuing materially false and misleading statements. Defendants and Lead Plaintiffs disagree on liability and damages. Defendants deny the lawsuit's allegations and all charges of wrongdoing, fault or liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Action. Lead Plaintiffs believe that their claims have merit and that, if they prevailed on all of their claims and the Court accepted their theory of damages, the Settlement Class would have been able to collect a substantial amount of money, assuming that the full amount of the judgment was collectable. The Parties disagree on how much money could have been won if the investors won at trial.

Your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to recover on any claim you might have. Therefore, you should read this Notice carefully.

<sup>&</sup>lt;sup>1</sup> All capitalized terms are defined in the Stipulation of Settlement, which can be viewed at www.FluorSecuritiesSettlement.com.

This case is known as *Chun v. Fluor Corporation, et al.*, Case No. 3:18-cv-01338-X (the "Action"). The United States District Court for the Northern District of Texas is in charge of the Action and the case has been overseen by the Honorable Brantley Starr.

This Action brings claims against Defendants for alleged violations of provisions of the Securities Exchange Act of 1934 (the "Exchange Act"). The First Amended Class Action Complaint ("FAC") pleads, among other things, that Defendants made misrepresentations and/or omissions of material fact in

uestions Call (888) 964-2130 or email info FluorSecuritiesSettlement.com

public statements to the investing public regarding the bidding, construction, accounting treatment, and financial reporting concerning large, fixed-price projects. The FAC further pleads that Defendants falsely represented, among other things, that Fluor's fixed price bids appropriately accounted for any risks, that projects were on track and that if any issues existed, they were confined to a single project or business segment, and that Fluor's internal controls over financial reporting were effective and financial results AAP-compliant. The FAC pleads with support from numerous confidential witnesses, that were Defendants' later statements about flawed bidding processes, and financial reporting issues related to fixed-price projects contradicted these representations and/or omissions. The FAC further pleads that this conduct, which was unbeknownst to investors, resulted in financial charges that led to investigations by the SEC and DOJ and that resulted in a restatement of four years of financial statements. It also alleges that Defendants had actual knowledge of, or recklessly disregarded the falsity of the misrepresentations given, among other things, their involvement in the bidding process, approval of bids, and active involvement in the construction phase of projects. The FAC further pleads Defendants were motivated to conceal this information so that Defendants could reap tens of millions in executive bonuses that rewarded manufactured, low-ball bids, and net tens of millions in ill-gotten gains from transactions in Fluor stocks, options, and stock-related units. The FAC further pleads that revelation of Defendants' alleged fraud caused statistically significant stock declines, thereby injuring Lead Plaintiffs and the Settlement Class of investors. Defendants have consistently denied, and continue to deny, all of these allegations and deny they have committed any act or omission giving rise to any liability or violation of the law.

W

Classes are generally used in lawsuits that affect a large number of individuals. A class action consolidates into a single action all of the claims of individuals allegedly harmed by the same conduct or course of conduct in the same period of time, thus removing the need for members of the class to file their own individual lawsuits to separately seek to recover for the harm alleged. Once the class is certified, the Court is empowered to resolve all issues on behalf of members of the class, except for those class members, if any, who specifically choose to exclude themselves from the class.

As part of the preliminary approval process, Lead Plaintiffs will ask the Court to certify a class for settlement purposes only. The proposed Settlement Class will consist of all persons or entities who purchased, or otherwise acquired, the common stock of Fluor (NYSE: FLR) between August 14, 2013 and February 14, 2020, both dates inclusive. Excluded from the Settlement Class are Defendants members of the immediate families of the Individual Defendants Fluor's subsidiaries and affiliates any person who was an officer or director of Fluor during the Settlement Class Period any entity in which any Defendant has a controlling interest the judges presiding over the Action and the immediate family members of such judges the legal representatives, heirs, successors and assigns of any such excluded person or entity and persons who submit valid and timely requests for exclusion from the Settlement Class. Per terms of the Stipulation, Defendants shall assist in identifying the persons and entities to be excluded from the Settlement Class.

This Action has not gone to trial, and the Court has not issued a final decision in favor of either side. Instead, legal counsel for all the parties participated in an all-day mediation before an experienced mediator and, after further negotiations, the Parties agreed to and memorialized the Settlement to avoid the costs and risks of further litigation.

Lead Plaintiffs and Lead Counsel believe that the Settlement is in the Settlement Class Members' best interest and provides them with a substantial benefit now, instead of engaging in years of further uncertain and expensive litigation (including litigating Lead Plaintiffs' motion to reconsider the Court's order on Defendants' motion to dismiss the FAC, which upheld just one of the sixty-four alleged misstatements) likely discovery disputes a contested motion for class certification the Parties' cross-motions for summary judgment pre-trial motions and a lengthy trial likely appeals and attempts to enforce any judgment much of which could result in Lead Plaintiffs receiving no recovery at all. By settling the Action with the Defendants at this point, Lead Plaintiffs are not admitting that the Action lacked merit, or that the Settlement Class's ultimate recovery would not have been greater than the Settlement Amount had litigation continued. Neither the Stipulation, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by Lead Plaintiffs or the Settlement Class Members that any of their claims lack merit that any defenses asserted by any of the Defendants in the Action have any merit or that damages recoverable in the Action would not have exceeded the Settlement Fund.

Defendants have denied, and continue to deny, all of the allegations made and claims brought by Lead Plaintiffs, maintain that they have meritorious defenses, and believe they would prevail at trial. Nonetheless, Defendants have concluded that further litigation of this Action would be protracted and expensive, taking into account the uncertainty and risks inherent in any litigation, especially in complex cases like this Action. Defendants have, therefore, determined that it is desirable and beneficial to fully and finally settle the Released Claims on the terms set forth in the Stipulation.

The Settlement must be compared to the risk of no recovery after contested dispositive motions, trial, and likely appeals. A trial is a risky proposition. The claims in the Action involve numerous complex legal and factual issues, many of which would require expert testimony. The Parties disagree on liability, damages, whether it would be appropriate for the Action to proceed as a class action, and do not agree on the average amount of damages per share, if any, that would be recoverable if Lead Plaintiffs were to prevail on each claim alleged against the Defendants. Among their many other disagreements are: (1) whether the Defendants violated the securities laws or otherwise engaged in wrongdoing (2) whether the misrepresentations and omissions alleged by Lead Plaintiffs were material, false, misleading or otherwise actionable (3) the extent (if any) that the alleged misrepresentations and omissions influenced Fluor's common stock price during the Settlement Class Period and (4) the method for determining whether, and the extent to which, purchasers of Fluor common stock suffered injury and damages that could be recovered at trial.

#### WHO IS IN THE SETTLEMENT

To see if you will get money from this Settlement, you first have to decide if you are a Settlement Class Member.

Η	d I	Ι	r	S	

The Settlement Class includes all persons or entities who purchased or otherwise acquired the common stock of Fluor (NYSE: FLR) between August 14, 2013 and February 14, 2020, both dates inclusive.

Ar	r	d d

Yes. You are not a member of the Settlement Class if you did not purchase or otherwise acquire Fluor common stock on or between the dates listed above. If you purchased or otherwise acquired Fluor common stock some other time, or did not purchase it at all, you are not included within the Settlement Class.

You are also not a member of the Settlement Class if you are on the list of persons and entities that are specifically excluded from it, per question 2 above.

W	Ι	r	d d

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator toll-free at (888) 964-2130 or at Fluor Securities Settlement, c/o JND Legal Administration, P.O. Box 91325, Seattle, WA 98111, for more information. Or you can fill out and return the Proof of Claim and Release Form by mail or online, with appropriate supporting documentation, to see if you qualify.

#### THE SETTLEMENT BENEFITS WHAT YOU GET

W d S r d
-----------

In exchange for the Settlement and release of the Released Claims (defined in the Stipulation) as well as dismissal of the Action, Defendants have agreed to pay, or cause to be paid, thirty-three million dollars (33,000,000) to be divided, after payment of Court-approved attorneys' fees and expenses, the costs of claims administration, including the costs of printing and mailing the Notice and the cost of publishing notice, any compensatory awards granted to Lead Plaintiffs, and Taxes and Tax Expenses (the "Net Settlement Fund"), *pro rata* among all Settlement Class Members who send in a valid Proof of Claim and Release Form.

#### Η

Your share of the Net Settlement Fund will depend on several factors, including the following: how many Settlement Class Members submit timely and valid Proof of Claim and Release Forms the total Recognized Losses represented by the valid Proof of Claim and Release Forms that the Settlement Class Members send in and your Recognized Losses, based on the number of Fluor shares you purchased during the Settlement Class Period, how much you paid for them, when you purchased them, and, if you sold them, when and for how much you sold them.

By following the instructions in the Plan of Allocation, you can calculate what is called your Recognized Loss. It is unlikely that you will get a payment for all of your Recognized Loss. After all Settlement Class Members have sent in their Proof of Claim and Release Forms, the payment you get will be a part of the Net Settlement Fund equal to your Recognized Loss divided by the total of everyone's Recognized Losses. See the Plan of Allocation below for more information.

#### HOW YOU GET A PAYMENT SUBMITTING A CLAIM FORM

#### Н

I

To qualify for a payment, you must submit a Proof of Claim and Release Form, by mail or online at www.FluorSecuritiesSettlement.com. Read the instructions carefully, fill out the form completely, include all the documents that the form asks for, sign it, and mail or submit it online so that it is received by mail no later than O r or online no later than : (PST) O r

W dI

The Court will hold a Settlement Hearing on  $\mathbf{N} = \mathbf{r}$  to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals afterwards. It is always uncertain whether these appeals can be resolved, and resolving them can take time, perhaps more than a year. It also takes time for all the Proof of Claim and Release Forms to be processed, including the process of identifying and attempting to cure defects in Proofs of Claim that were submitted by Settlement Class Members. Please be patient.

W I	r C	
-----	-----	--

Unless you timely exclude yourself, you will remain a Settlement Class Member and will be bound by the Release of claims against the Defendants and the Released Parties. That means you cannot sue, continue to sue, or be part of any other lawsuit against the Defendants or the Released Parties about the Released Settlement Class Claims in this Action. It also means that all of the Court's orders will apply to you and legally bind you, and you will release your claims in this Action against the Defendants and the Released Parties. The terms of the Release are included in the Proof of Claim and Release Form that is enclosed.

#### **EXCLUDING YOURSELF FROM THE SETTLEMENT**

If you do not want a payment from this Settlement, and you want to keep the right to sue the Defendants and the other Released Parties on your own about the legal issues that were at issue and litigated in this Action, then you must take steps to remove yourself from the Settlement. This is called excluding yourself from sometimes referred to as "opting out" of the Settlement Class. If you decide to exclude yourself from the Settlement Class, and wish to file your own individual lawsuit, Defendants may argue in the future that you face a time bar under applicable statutes of limitation or repose, risks that you should discuss with an appropriate legal advisor.

No. If you exclude yourself, you may not send in a Proof of Claim and Release Form to ask for any money from this Settlement.

#### THE LAWYERS REPRESENTING YOU

The Court ordered that the law firms of Pomerantz LLP and Robbins eller Rudman Dowd LLP shall represent the Settlement Class Members, including you. These lawyers are called Lead Counsel. You will not be personally liable for the fees and expenses incurred by these lawyers, which will be paid from the Settlement Fund, as approved by the Court. If you want to be represented by your own lawyer, you may hire one at your own expense.

Η	r d	
---	-----	--

Lead Counsel have litigated this Action since May 2018 on a wholly contingent basis, meaning that they have not been paid any attorneys' fees for the time devoted to the lawsuit, nor have they been paid for their litigation costs and expenses incurred during that time period. As such, as part of the Settlement approval process, Lead Counsel will move the Court for an award of attorneys' fees in an amount not greater than thirty percent (30) of the Settlement Amount and for costs and expenses in an amount not to exceed two hundred thousand dollars (200,000.00) in connection with the litigation, plus interest earned on such fees and expenses. The Court will decide whether to grant this request, and, if it is granted, how much to award Lead Counsel. Such sums as may be approved by the Court will be paid from the Settlement Fund.

Lead Counsel shall file a formal motion with the Court for approval of the Settlement, the Plan of Allocation, the request for attorneys' fees and expenses, and the request for awards to Lead Plaintiffs of up to seventy-five thousand dollars (75,000.00) in the aggregate, no later than  $\mathbf{O}$  **r**.

Lead Counsel believe that the requested attorneys' fees are warranted in light of their efforts, and those of other counsel in support, on a wholly contingent basis, to investigate the underlying claims, to work with a private investigator and a damages analyst, to file an initial complaint, to file an amended complaint after continued investigation and their appointment as Lead Counsel, to file the first amended complaint after further investigation, to successfully oppose a motion by plaintiff in the Related Action to strike the FAC and require republication of notice while simultaneously successfully moving to consolidate the Related Action with this Action, moving to vacate the lead plaintiff notice and deadline in the Related Action while ensuring the rights of Lead Plaintiffs and Settlement Class Members were protected pending the outcomes of the republication and consolidation motions by engaging in the notice and lead plaintiff process in the Related Action, to litigate and partially overcome Defendants' motion to dismiss the amended complaint and FAC, to prepare a detailed opening meditation statement and reply, to mediate the dispute for a full day before an experienced mediator and thereafter to negotiate the Settlement and work to memorialize it in a Memorandum of Understanding then a detailed Stipulation with a proposed proof of claim form and proposed notices, and submit the Settlement to the Court for necessary approvals. Lead Counsel's motion will argue that the requested fees are well within the range of fees awarded to class counsel under similar circumstances in other cases of this type and are reasonable when compared against Lead Counsel's actual time devoted to the litigation of the Action at the applicable billing rates of Lead Counsel's attorneys and

paralegals. The Court determines what to award Lead Counsel as fees and expenses from the Settlement Fund and may award more or less than the amount requested, in its discretion.

## OBJECTING TO THE SETTLEMENT H H C r I <

If you are a Settlement Class Member, you can object to the proposed Settlement, the proposed Plan of Allocation, and/or Lead Counsel's fee, cost, and expense application. You can write to the Court setting out your objection. The Court will consider your views. To object, you must send a signed letter saying that you object to the proposed Settlement in Chun v. Fluor Corporation, et al., Case No. 3:18-cv-01338-X (N.D. Tex.). Be sure to include your name, address, telephone number, and your signature, identify the date(s), price(s), and number(s) of Fluor shares that you purchased or otherwise acquired and sold or otherwise disposed of during the Settlement Class Period, and state the reasons why you object to the proposed Settlement. The objector must also state whether the objection applies only to the objector, a specific subset of the Settlement Class, or to the entire Settlement Class. If you object to either the Settlement, requested attorneys' fees or expenses, or Lead Plaintiff awards, you subject yourself to the jurisdiction of the Court in this matter. Your objection must be filed with the Court **d** mailed or delivered of the following addresses such that it is received no later than O to r :

Objecting is simply telling the Court that you do not like something about the proposed Settlement. You can object only if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and do not want to seek a payment from the Settlement Fund. If you exclude yourself, you have no basis to object because the case no longer affects you.

#### THE COURT S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend, and you may ask to speak, but you do not have to do so.

At or after the Settlement Hearing, the Court will decide whether to approve the Settlement and whether, and, if so, the amount, of any awards to Lead Counsel and to Lead Plaintiffs. We do not know how long these decisions will take.

You should be aware that the Court may change the date and time of the Settlement Hearing without another notice being sent to Settlement Class Members, though any revised dates or times will be promptly posted to the Settlement website. iven the ongoing pandemic, the Court may also choose to hold the Settlement Hearing additionally or exclusively by teleconference or over the Court's virtual service.

#### D I r

No. Lead Counsel will answer questions the Court may have and has extensive experience handling settlement-related hearings of this nature. But you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. Settlement Class Members do not need to appear at the hearing or take any other action to indicate their approval.

M I r	
-------	--

If you object to the Settlement, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see question 17 above) a statement saying that it is your "intention to appear in *Chun v. Fluor Corporation, et al.*, Case No. 3:18-cv-01338-X". Persons who intend to object to the Settlement, the Plan of Allocation, and/or the application for an award of attorneys' fees, costs, and expenses and desire to present evidence at the Settlement Hearing must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. You cannot speak at the hearing if you exclude yourself.

#### **IF YOU DO NOTHING**

|--|--|

If you do nothing, all of your claims against the Defendants and the Released Parties will be released, but you will not receive any money from this Settlement, because it is necessary to submit a Proof of Claim and Release Form, with appropriate supporting documentation, to share in the Settlement proceeds.

#### PLAN OF ALLOCATION OF THE NET SETTLEMENT FUND

	Н	d
--	---	---

1. As discussed above, the Settlement provides 33 million in cash for the benefit of the Settlement Class. The Settlement Amount and any interest it earns constitute the "Settlement Fund." The Settlement Fund, after deduction of Court-approved attorneys' fees and expenses, Notice and Administration Expenses, Taxes, and any other fees or expenses approved by the Court, is the "Net Settlement Fund." If the Settlement is approved by the Court, the Net Settlement Fund will be distributed to eligible Authorized Claimants *i.e.*, members of the Settlement Class who timely submit valid Proof of Claim and Release Forms that are accepted for payment by the Court in accordance with this proposed Plan of Allocation ("Plan of Allocation" or "Plan") or such other plan of allocation as the Court may approve. Settlement Class Members who do not timely submit valid Proof of Claim and Release Forms will not share in the Net Settlement Fund but will otherwise be bound by the Settlement. The Court may approve this proposed Plan of Allocation, or modify it, without additional notice to the Settlement Class. Any order modifying the Plan of Allocation will be posted on the Settlement website, www.FluorSecuritiesSettlement.com.

2. The objective of the Plan of Allocation is to distribute the Settlement proceeds equitably among those Settlement Class Members who suffered economic losses as a proximate result of the alleged wrongdoing. The Plan of Allocation is not a formal damage analysis, and the calculations made in accordance with the Plan of Allocation are not intended to be estimates of, or indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are the calculations in accordance with the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants under the Settlement. The computations under the Plan of Allocation are only a method to weigh, in a fair and equitable manner, the claims of Authorized Claimants against one another for the purpose of making *pro rata* allocations of the Net Settlement Fund.

3. The Plan of Allocation was developed in consultation with Lead Plaintiffs' damages expert. In developing the Plan of Allocation, Lead Plaintiffs' damages expert calculated the estimated amount of alleged artificial inflation in the per share prices of Fluor common stock that was allegedly proximately caused by Defendants' alleged materially false and misleading statements and omissions. In calculating the estimated artificial inflation allegedly caused by those misrepresentations and omissions, Lead Plaintiffs' damages expert considered the price change in Fluor common stock in reaction to the public disclosure that allegedly corrected the respective alleged misrepresentations and

#### Case 3:18-cv-01338-X Document 167-2 Filed 10/17/22 Page 23 of 47 PageID 3321

omissions, adjusting the price change for factors that were attributable to market forces, and for non-fraud related Fluor-specific information.

4. In order to have recoverable damages under the federal securities laws, disclosure of the alleged misrepresentation and/or omission must be the cause of the decline in the price of the security. In this Action, Lead Plaintiffs allege that corrective information allegedly impacted the price of Fluor common stock (referred to as a "corrective disclosure") on July 31, 2015, February 19, 2016, May 5, 2017, August 4, 2017, May 4, 2018, October 11, 2018, May 2, 2019, August 2, 2019, September 24, 2019, February 18, 2020, and February 19, 2020. In order to have a "Recognized Loss Amount" under the Plan of Allocation, shares of Fluor publicly traded common stock must have been purchased or otherwise acquired during the Settlement Class Period and held through the issuance of at least one of the corrective disclosures.<sup>2</sup>

5. As previously described in the Notice, the Net Settlement Fund is the remainder of the Settlement Fund after deduction of Court-awarded attorneys' fees and expenses, settlement administration costs and any applicable taxes. The Net Settlement Fund will be allocated to Authorized Claimants as follows: (a) Settlement Class Members who purchased or otherwise acquired shares of Fluor common stock between March 5, 2015 and February 18, 2016 ("Pool 1") shall be collectively allocated approximately seventy-five percent (75 ) of the Net Settlement Fund as recovery for damaged shares purchased in that date range and (b) Settlement Class Members who purchased or otherwise acquired shares of Fluor common stock between August 14, 2013 and March 4, 2015 and/or between February 19, 2016 and February 14, 2020 ("Pool 2") shall be collectively allocated approximately twenty-five percent (25 ) of the Net Settlement Fund as recovery for damaged shares date ranges.<sup>3</sup> Among other factors, in formulating the overall allocation, Lead Counsel considered the maximum potential damages of each group of purchasers within the Settlement Class.

#### C R dL A

6. Based on the formulas stated below, a "Recognized Loss Amount" will be calculated for each purchase or acquisition of Fluor publicly traded common stock during the Settlement Class Period that is listed on the Proof of Claim and Release Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that Recognized Loss Amount will be zero.

7. For each share of Fluor publicly traded common stock purchased or otherwise acquired from August 14, 2013 through and including the close of trading on February 14, 2020, and:

be 0.00

(a) Sold prior to the close of trading on July 30, 2015, the Recognized Loss Amount will

<sup>&</sup>lt;sup>2</sup> Any transactions in Fluor common stock executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session.

<sup>&</sup>lt;sup>3</sup> These weighting decisions flow from the Court's rulings in its second motion to dismiss decision, which granted the motion and dismissed all claims based on alleged misstatements made between August 14, 2013 and March 4, 2015 and between February 29, 2016 and February 14, 2020, but denied the motion and upheld the claims arising from misstatements on March 5, 2015, which were allegedly not corrected until February 18, 2016. The weighting and allocation of the Settlement Fund described herein seeks to appropriately value the live claims for which discovery was available (Pool 1) and the dismissed claims for which appellate rights existed (Pool 2). The Court's pertinent motion to dismiss rulings are set forth in its Memorandum Opinion and Order dated, May 5, 2021 (ECF 140).

(c) Sold from February 19, 2020 through and including the close of trading on May 18, 2020, the Recognized Loss Amount will be *the least of*: (i) the value stated in Table A below, (ii) the purchase price minus the sale price, or (iii) the purchase price minus the average closing price between February 19, 2020 and the date of sale as stated in Table B at the end of this Notice and

(d) Held as of the close of trading on May 18, 2020, the Recognized Loss Amount will be *the lesser of*: (i) the value stated in Table A below, or (ii) the purchase price minus 8.57, the average closing price for Fluor common stock between February 19, 2020 and May 18, 2020 (the last entry on Table B at the end of this Notice).<sup>4</sup>

8. iven the costs of distribution, the Net Settlement Fund will be allocated among all Authorized Claimants whose Distribution Amount (defined in ¶11 below) is 10.00 or greater.

9. If a claimant has more than one purchase or sale of Fluor publicly traded common stock, purchases and sales will be matched on a First In, First Out ("FIFO") basis. Settlement Class Period sales will be matched first against any holdings at the beginning of the Settlement Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Settlement Class Period.

10. A claimant's "Recognized Claim" under the Plan of Allocation will be the sum of his, her, or its Recognized Loss Amounts.

11. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a "Distribution Amount" will be calculated for each Authorized Claimant, which will be the Authorized Claimant's Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund, with amounts adjusted based upon the weighting within Pool 1 and Pool 2 damaged shares, as described herein. If a given Settlement Class Member has damaged shares within both Pool 1 and Pool 2, each set will be separately calculated and the Pool 1 calculated results will be added to the Pool 2 calculated results to generate the single Distribution Amount for that Settlement Class Member. If any Authorized Claimant's Distribution Amount calculates to less than 10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

12. Purchases, acquisitions, and sales of Fluor publicly traded common stock will be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance, or operation of law of Fluor common stock during the Settlement Class Period will not be deemed a purchase, acquisition, or sale of Fluor common stock for the calculation of an Authorized Claimant's Recognized Loss Amount, nor will the receipt or grant be deemed an

<sup>&</sup>lt;sup>4</sup> Under Section 21(D)(e)(1) of the Securities Exchange Act of 1934, "in any private action arising under this Act in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." Consistent with the requirements of the statute, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Fluor common stock during the 90-day look-back period. The mean (average) closing price for Fluor common stock during this 90-day look-back period was 8.57.

assignment of any claim relating to the purchase/acquisition of Fluor common stock unless: (i) the donor or decedent purchased or otherwise acquired the shares during the Settlement Class Period (ii) no Proof of Claim and Release Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to those shares and (iii) it is specifically so provided in the instrument of gift or assignment.

13. The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the Fluor common stock. The date of a "short sale" is deemed to be the date of sale of Fluor common stock. Under the Plan of Allocation, however, the Recognized Loss Amount on "short sales" is zero. In the event that a claimant has an opening short position in Fluor common stock, his, her, or its earliest Settlement Class Period purchases or acquisitions of Fluor common stock will be matched against the opening short position, and not be entitled to a recovery, until that short position is fully covered.

14. Option contracts are not securities eligible to participate in the Settlement. With respect to shares of Fluor common stock purchased or sold through the exercise of an option, the purchase/sale date of the Fluor common stock is the exercise date of the option and the purchase/sale price of the stock shall be the closing price of the Fluor common stock on the date of exercise.

15. If a claimant had a market gain with respect to his, her, or its overall transactions in Fluor publicly traded common stock during the Settlement Class Period, the value of the claimant's Recognized Claim will be zero. If a claimant suffered an overall market loss with respect to his, her, or its overall transactions in Fluor common stock during the Settlement Class Period but that market loss was less than the claimant's total Recognized Claim calculated above, then the claimant's Recognized Claim will be limited to the amount of the actual market loss. For purposes of determining whether a claimant had a market gain with respect to his, her, or its overall transactions in Fluor common stock during the Settlement Class Period or suffered a market loss, the Claims Administrator will determine the difference between (i) the Total Purchase Amount<sup>5</sup> and (ii) the sum of the Total Sales Proceeds<sup>6</sup> and Holding Value.<sup>7</sup> This difference will be deemed a claimant's market gain or loss with respect to his, her, or its overall transactions in Fluor common stock during the Settlement Class Period.

16. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund nine (9) months after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determines that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least 10.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their initial distributions with the Claims Administrator, determines that additional re-distributions, after the deduction of any additional fees and expenses incurred in the redistributions of any additional fees and expenses incurred their initial Counsel, in consultation with the Claims Administrator, determines that additional re-distributions to Authorized Claimants who have cashed their prior checks may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determines that additional re-distributions, after the deduction of any additional fees and expenses incurred

#### INSTRUCTIONS APPLICABLE TO ALL CLAIMANTS

The payment you receive will reflect your proportionate share of the Net Settlement Fund. Such payment will depend on the number of eligible shares that participate in the Settlement, which is determined based on the number of Proof of Claim and Release Forms submitted and accepted as valid, and when those shares were purchased and sold. The number of claimants who send in claims varies widely from case to case.

A purchase or sale of Fluor common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date.

All purchase and sale prices shall exclude any fees and commissions.

If a Settlement Class Member acquired Fluor common stock during the Settlement Class Period by way of gift, inheritance or operation of law, such a claim will be computed by using the date and price of the original purchase and not the date and price of transfer. To the extent that Fluor shares were originally purchased prior to commencement of the Settlement Class Period, the Recognized Loss for that acquisition shall be deemed to be zero (0.00).

Notwithstanding any of the above, receipt of Fluor common stock during the Settlement Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or sale of Fluor common stock.

The first-in-first-out ("FIFO") basis will be applied to purchases and sales. Sales will be matched in chronological order, by trade date, first against Fluor common stock held as of the close of trading on August 13, 2013 (the last day before the Settlement Class Period begins) and then against the purchase of Fluor common stock during the Settlement Class Period.

The date of covering a "short sale" is deemed to be the date of purchase of shares. The date of a "short sale" is deemed to be the date of sale of shares. In accordance with the Plan of Allocation, however, the Recognized Loss on "short sales" is zero. In the event that a claimant has an opening short position in Fluor common stock, the earliest Settlement Class Period purchases shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

With respect to Fluor common stock purchased or sold through the exercise of an option, the purchase/sale date of the stock shall be the exercise date of the option and the purchase/sale price of the stock shall be the closing price of Fluor common stock on the date of exercise. Any Recognized Loss arising from purchases of Fluor common stock acquired during the Settlement Class Period through the exercise of an option on Fluor common stock<sup>8</sup> shall be computed as provided for other purchases of Fluor common stock in the Plan of Allocation.

Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. A Recognized Loss will be calculated as defined herein and cannot be less than zero. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants. No distribution will be made to Authorized Claimants who would otherwise receive a distribution of less than 10.00.

Settlement Class Members who do not submit an acceptable Proof of Claim and Release Form, with appropriate supporting documentation, will not share in the Settlement proceeds. The Settlement and the

<sup>&</sup>lt;sup>8</sup> The "exercise of an option" as used in this sentence includes: (1) purchases of Fluor common stock as the result of the exercise of a call option, and (2) purchases of Fluor common stock by the seller of a put option as a result of the buyer of such put option exercising that put option.

Final Order and Judgment dismissing this Action with prejudice will nevertheless bind Settlement Class Members who do not submit a request for exclusion and/or submit an acceptable Proof of Claim and Release Form.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim and Release Form. If you are unsatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Settlement Class Members and the claims-administration process, to decide the issue by submitting a written request.

Defendants, their respective counsel, and all other Released Parties will have no responsibility or liability whatsoever for the processing of Proof of Claim and Release Forms, the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. Lead Plaintiffs and Lead Counsel, likewise, will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed distribution checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Settlement Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund after at least six (6) months after the initial distribution of such funds will be used in the following fashion: (a) first, to pay any amounts mistakenly omitted from the initial disbursement (b) second, to pay any additional settlement administration fees, costs, and expenses, including those of Lead Counsel or the Claims Administrator as may be approved by the Court and (c) finally, to make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least 10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. These redistributions shall be repeated, if economically feasible, until the balance remaining in the Net Settlement Fund is *de minimis* and such remaining balance will then be distributed pursuant to a method approved by the Court.

The case has been litigated since May 25, 2018. Lead Plaintiffs plead that, in violation of the U.S. federal securities laws, Defendants made material misrepresentations and omissions, with scienter, concerning the business operations, accounting treatment, and financial reporting concerning Fluor's fixed-price projects causing Fluor's common stock price to be inflated during the Settlement Class Period. Lead Plaintiffs further plead that revelation of Defendants' fraud caused statistically significant stock declines, thereby injuring Lead Plaintiffs and the Settlement Class of investors. Defendants have denied and continue to deny these allegations and that they committed any act or omission giving rise to any liability or violation of the law. The Settlement will resolve the lawsuit and the Released Claims as to the Defendants and other Released Parties. Lead Plaintiffs and the Settlement Class are represented by Lead Counsel who may be reached by contacting: Matthew L. Tuccill<sup>60</sup> App. 050 or Jennifer B. Sobers, Pomerantz LLP, 600 Third Avenue, 20<sup>th</sup> Floor, New York, NY 10016, (212) 661-1100 and/or Darryl Alvarado or Ellen Gusikoff Stewart, Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101, (800) 449-4900.

If you are a Settlement Class Member, in order to share in the distribution of the Net Settlement Fund, you must submit a Proof of Claim and Release Form received by mail or online **no later than October 14, 2022**, establishing that you are entitled to recovery. Unless you submit a written exclusion request, you will be bound by any Judgment rendered in the Action whether or not you make a claim.

If you want to be excluded from the Settlement Class, you must submit to the Claims Administrator a request for exclusion, in accordance with the procedures set forth in the long-form Notice, so that it is received **no later than October 17, 2022**. If you decide to exclude yourself from the Settlement Class and wish to file your own individual lawsuit based on the Released Settlement Class Claims, Defendants may argue that you face a time bar under applicable statutes of limitation or repose, risks that you should discuss with an appropriate legal advisor. All members of the Settlement Class who have not requested exclusion from the Settlement Class will be bound by any Judgment entered in the Action pursuant to the Settlement Stipulation.

If you are a Settlement Class Member and do not exclude yourself, you can object to the Settlement, Plan of Allocation, or Lead Counsel's request for an award of attorneys' fees and expenses and awards to Lead Plaintiffs in the manner and form explained in the detailed long-form Notice and received **no later than October 17, 2022**.

#### DECLARATION OF DARRYL J. ALVARADO FILED ON BEHALF OF ROBBINS GELLER RUDMAN & DOWD LLP IN SUPPORT OF APPLICATION FOR AWARD OF ATTORNEYS' FEES AND EXPENSES

I, DARRYL J. ALVARADO, declare as follows:

1. I am a member of the firm of Robbins Geller Rudman & Dowd LLP ("Robbins Geller" or the "Firm"). I am submitting this declaration in support of the application for an award of attorneys' fees, expenses and charges ("expenses") in connection with services rendered in the above-entitled action (the "Litigation").

2. This Firm is Co-Lead Counsel of record for Lead Plaintiffs Wayne County Employees' Retirement System, the Town of Fairfield Employees' Retirement Plan, and the Town of Fairfield Police and Firemen's Retirement Plan, and the Settlement Class herein.

3. The information in this declaration regarding the Firm's time and expenses is taken from time and expense reports and supporting documentation prepared and/or maintained by the Firm in the ordinary course of business. I am the partner who oversaw and/or conducted the day-today activities in the Litigation and I reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries on the printouts as well as the necessity for, and reasonableness of, the time and expenses committed to the Litigation. As a result of this review, reductions were made to both time and expenses in the exercise of billing judgment. Based on this review and the adjustments made, I believe that the time reflected in the Firm's lodestar calculation and the expenses for which payment is sought herein are reasonable and were necessary for the effective and efficient prosecution and resolution of the Litigation.

4. After the reductions referred to above, the number of hours spent on the Litigation by the Firm is 4,122.05. A breakdown of the lodestar is provided in the attached Exhibit A. The lodestar amount for attorney/paraprofessional time based on the Firm's current rates is \$2,756,336.00. The hourly rates shown in Exhibit A are the Firm's current rates in contingent cases set by the Firm for each individual. These hourly rates are consistent with hourly rates submitted by

#### Case 3:18-cv-01338-X Document 167-3 Filed 10/17/22 Page 4 of 170 PageID 3349

the Firm to state and federal courts in other securities class action litigation. The Firm's rates are set based on periodic analysis of rates charged by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by the Firm, the "current rate" used for the lodestar calculation is based upon the rate for that person in his or her final year of employment with the Firm.

5. The Firm seeks an award of \$65,514.76 in expenses and charges in connection with the prosecution of the Litigation. Those expenses and charges are summarized by category in the attached Exhibit B.

6. The following is additional information regarding certain of these expenses:

(a) Filing, Witness and Other Fees: \$378.64. These expenses have been paid to the Court for *Pro Hac Vice* Applications and to the State Bar of California for Certificates of Good Standing for M. Albert, D. Myers, D. Alvarado, K. Sciarani, M. Janoski, and E. Gusikoff Stewart.

(b) Transportation, Hotels & Meals: \$2,724.16. In connection with the prosecution of this case, the Firm has paid for travel expenses to attend the hearing on the lead plaintiff motion in December 2018.

(c) Experts/Consultants: \$37,107.00.

(i) Crowninshield Financial Research, Inc.: \$22,382.00. These expenses have been paid for the expert consulting services of Daniel Bettencourt provided in connection with causation and damages analyses.

 (ii) Caliber Advisors, Inc.: \$14,725.00. These expenses have been paid for the expert consulting services of Bjorn Steinholt, CFA provided in connection with preliminary disclosure and damages analyses.

(d) Online Legal and Financial Research: \$8,742.04. This category includes vendors such as LexisNexis Products, PACER, Thomson Financial, and Westlaw. These resources

were used to obtain access to SEC filings, factual databases, legal research, and for proofreading and "blue-booking" court filings (including checking all legal authorities cited and quoted in briefs). This category represents the expenses incurred by Robbins Geller for use of these services in connection with this Litigation. The charges for these vendors vary depending upon the type of services requested. For example, Robbins Geller has flat-rate contracts with some of these providers for use of their services. When Robbins Geller utilizes online services provided by a vendor with a flat-rate contract, access to the service is by a billing code entered for the specific case being litigated. At the end of each billing period in which such service is used, Robbins Geller's costs for such services are allocated to specific cases based on the percentage of use in connection with that specific case in the billing period. As a result of the contracts negotiated by Robbins Geller with certain providers, the Class enjoys substantial savings in comparison with the "market-rate" for *a la carte* use of such services which some law firms pass on to their clients. For example, the "market-rate" charged to others by LexisNexis for the types of services used by Robbins Geller is more expensive than the rates negotiated by Robbins Geller.

(e) Mediation Fees (Phillips ADR Enterprises, P.C.): \$16,525.00. These are the fees of the mediator, Greg Lindstrom of Phillips ADR Enterprises, P.C., who conducted a mediation session and oversaw extensive post-mediation negotiations leading to the settlement of the Litigation.

7. The expenses pertaining to this case are reflected in the books and records of this Firm. These books and records are prepared from receipts, expense vouchers, check records, and other documents and are an accurate record of the expenses.

8. The identification and background of my Firm and its partners is attached hereto as Exhibit C.

- 3 -

I declare under penalty of perjury that the foregoing is true and correct. Executed this 17th day of October, 2022, at San Diego, California.

(www.rgrdlaw.com). The Firm is actively engaged in complex litigation, emphasizing securities, consumer, antitrust, insurance, healthcare, human rights, and employment discrimination class actions. The Firm's unparalleled experience and capabilities in these fields are based upon the talents of its attorneys, who have successfully prosecuted thousands of class action lawsuits and numerous individual cases, recovering billions of dollars.

This successful track record stems from our experienced attorneys, including many who came to the Firm from federal or state law enforcement agencies. The Firm also includes several dozen former federal and state judicial clerks.

The Firm is committed to practicing law with the highest level of integrity in an ethical and professional manner. We are a diverse firm with lawyers and staff from all walks of life. We care about civil rights, workers' rights and treatment, workplace safety, and environmental protection. Indeed, while we have built a reputation as the finest securities and consumer class action law firm in the nation, our lawyers have also worked tirelessly in less high-profile, but no less important, cases involving human rights and other social issues.

## PRACTICE AREAS AND SERVICES

#### Securities Fraud

As recent corporate scandals demonstrate clearly, it has become all too common for companies and their executives – often with the help of their advisors, such as bankers, lawyers, and accountants – to manipulate the market price of their securities by misleading the public about the company's financial condition or prospects for the future. This misleading information has the effect of artificially inflating the price of the company's securities above their true value. When the underlying truth is eventually revealed, the prices of these securities plummet, harming those innocent investors who relied upon the company's misrepresentations.

Robbins Geller is the leader in the fight to protect investors from corporate securities fraud. We utilize a wide range of federal and state laws to provide investors with remedies, either by bringing a class action on behalf of all affected investors or, where appropriate, by bringing individual cases.

The Firm's reputation for excellence has been repeatedly noted by courts and has resulted in the appointment of Firm attorneys to lead roles in hundreds of complex class-action securities and other cases. In the securities area alone, the Firm's attorneys have been responsible for a number of outstanding recoveries on behalf of investors. Currently, Robbins Geller attorneys are lead or named counsel in hundreds of securities class action or large institutional-investor cases. Some notable current and past cases include:

- In re Enron Corp. Sec. Litig., No. H-01-3624 (S.D. Tex.). Robbins Geller attorneys and lead plaintiff The Regents of the University of California aggressively pursued numerous defendants, including many of Wall Street's biggest banks, and successfully obtained settlements in excess of \$7.2 billion for the benefit of investors. This is the largest securities class action recovery in history.
- Jaffe v. Household Int'l, Inc., No. 02-C-05893 (N.D. Ill.). As sole lead counsel, Robbins Geller obtained a record-breaking settlement of \$1.575 billion after 14 years of litigation, including a sixweek jury trial in 2009 that resulted in a securities fraud verdict in favor of the class. In 2015, the Seventh Circuit Court of Appeals upheld the jury's verdict that defendants made false or misleading statements of material fact about the company's business practices and financial results, but remanded the case for a new trial on the issue of whether the individual defendants "made" certain false statements, whether those false statements caused plaintiffs' losses, and the amount of damages. The parties reached an agreement to settle the case just hours before the retrial was scheduled to begin on June 6, 2016. The \$1.575 billion settlement, approved in October 2016, is the largest ever following a securities fraud class action trial, the largest securities fraud settlement in the Seventh Circuit and the eighth-largest settlement ever in a post-PSLRA securities fraud case. According to published reports, the case was just the seventh securities fraud case tried to a verdict since the passage of the PSLRA.

#### Case 3:18-cv-01338-X Document 167-3 Filed 10/17/22 Page 16 of AP6 A page 10 55361 CES

- In re Valeant Pharms. Int'l, Inc. Sec. Litig., No. 3:15-cv-07658 (D.N.J.). As sole lead counsel, Robbins Geller attorneys obtained a \$1.2 billion settlement in the securities case that Vanity Fair reported as "the corporate scandal of its era" that had raised "fundamental questions about the functioning of our health-care system, the nature of modern markets, and the slippery slope of ethical rationalizations." The settlement resolves claims that defendants made false and misleading statements regarding Valeant's business and financial performance during the class period, attributing Valeant's dramatic growth in revenues and profitability to "innovative new marketing approaches" as part of a business model that was low risk and "durable and sustainable." Valeant is the largest securities class action settlement against a pharmaceutical manufacturer and the ninth largest ever.
- In re Am. Realty Cap. Props., Inc. Litig., No. 1:15-mc-00040 (S.D.N.Y.). As sole lead counsel, Robbins Geller attorneys zealously litigated the case arising out of ARCP's manipulative accounting practices and obtained a \$1.025 billion settlement. For five years, the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and the Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history.
- In re UnitedHealth Grp. Inc. PSLRA Litig., No. 06-CV-1691 (D. Minn.). Robbins Geller represented the California Public Employees' Retirement System ("CalPERS") and demonstrated its willingness to vigorously advocate for its institutional clients, even under the most difficult circumstances. The Firm obtained an \$895 million recovery on behalf of UnitedHealth shareholders, and former CEO William A. McGuire paid \$30 million and returned stock options representing more than three million shares to the shareholders, bringing the total recovery for the class to over \$925 million, the largest stock option backdating recovery ever, and a recovery that is more than four times larger than the next largest options backdating recovery. Moreover, Robbins Geller obtained unprecedented corporate governance reforms, including election of a shareholder-nominated member to the company's board of directors, a mandatory holding period for shares acquired by executives via option exercise, and executive compensation reforms that tie pay to performance.
- Alaska Elec. Pension Fund v. CitiGroup, Inc. (In re WorldCom Sec. Litig.), No. 03 Civ. 8269 (S.D.N.Y.). Robbins Geller attorneys represented more than 50 private and public institutions that opted out of the class action case and sued WorldCom's bankers, officers and directors, and auditors in courts around the country for losses related to WorldCom bond offerings from 1998 to 2001. The Firm's attorneys recovered more than \$650 million for their clients, substantially more than they would have recovered as part of the class.
- Luther v. Countrywide Fin. Corp., No. 12-cv-05125 (C.D. Cal.). Robbins Geller attorneys secured a \$500 million settlement for institutional and individual investors in what is the largest RMBS purchaser class action settlement in history, and one of the largest class action securities settlements of all time. The unprecedented settlement resolves claims against Countrywide and Wall Street banks that issued the securities. The action was the first securities class action case filed against originators and Wall Street banks as a result of the credit crisis. As co-lead counsel Robbins Geller forged through six years of hard-fought litigation, oftentimes litigating issues of first impression, in order to secure the landmark settlement for its clients and the class.
- In re Wachovia Preferred Sec. & Bond/Notes Litig., No. 09-cv-06351 (S.D.N.Y.). On behalf of investors in bonds and preferred securities issued between 2006 and 2008, Robbins Geller and co-

counsel obtained a significant settlement with Wachovia successor Wells Fargo & Company and Wachovia auditor KPMG LLP. *The total settlement – \$627 million – is one of the largest credit-crisis settlements involving Securities Act claims and one of the 20 largest securities class action recoveries in history*. The settlement is also one of the biggest securities class action recoveries arising from the credit crisis. The lawsuit focused on Wachovia's exposure to "pick-a-pay" loans, which the bank's offering materials said were of "pristine credit quality," but which were actually allegedly made to subprime borrowers, and which ultimately massively impaired the bank's mortgage portfolio. Robbins Geller served as co-lead counsel representing the City of Livonia Employees' Retirement System, Hawaii Sheet Metal Workers Pension Fund, and the investor class.

- In re Cardinal Health, Inc. Sec. Litig., No. C2-04-575 (S.D. Ohio). As sole lead counsel representing Cardinal Health shareholders, Robbins Geller obtained a recovery of \$600 million for investors on behalf of the lead plaintiffs, Amalgamated Bank, the New Mexico State Investment Council, and the California Ironworkers Field Trust Fund. At the time, the \$600 million settlement was the tenth-largest settlement in the history of securities fraud litigation and is the largest-ever recovery in a securities fraud action in the Sixth Circuit.
- AOL Time Warner Cases I & II, JCCP Nos. 4322 & 4325 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller represented The Regents of the University of California, six Ohio state pension funds, Rabo Bank (NL), the Scottish Widows Investment Partnership, several Australian public and private funds, insurance companies, and numerous additional institutional investors, both domestic and international, in state and federal court opt-out litigation stemming from Time Warner's disastrous 2001 merger with Internet high flier America Online. After almost four years of litigation involving extensive discovery, the Firm secured combined settlements for its opt-out clients totaling over \$629 million just weeks before The Regents' case pending in California state court was scheduled to go to trial. The Regents' gross recovery of \$246 million is the largest individual opt-out securities recovery in history.
- In re HealthSouth Corp. Sec. Litig., No. CV-03-BE-1500-S (N.D. Ala.). As court-appointed co-lead counsel, Robbins Geller attorneys obtained a combined recovery of \$671 million from HealthSouth, its auditor Ernst & Young, and its investment banker, UBS, for the benefit of stockholder plaintiffs. The settlement against HealthSouth represents one of the larger settlements in securities class action history and is considered among the top 15 settlements achieved after passage of the PSLRA. Likewise, the settlement against Ernst & Young is one of the largest securities class action settlements entered into by an accounting firm since the passage of the PSLRA.
- Jones v. Pfizer Inc., No. 1:10-cv-03864 (S.D.N.Y.). Lead plaintiff Stichting Philips Pensioenfonds obtained a \$400 million settlement on behalf of class members who purchased Pfizer common stock during the January 19, 2006 to January 23, 2009 class period. The settlement against Pfizer resolves accusations that it misled investors about an alleged off-label drug marketing scheme. As sole lead counsel, Robbins Geller attorneys helped achieve this exceptional result after five years of hard-fought litigation against the toughest and the brightest members of the securities defense bar by litigating this case all the way to trial.
- In re Dynegy Inc. Sec. Litig., No. H-02-1571 (S.D. Tex.). As sole lead counsel representing The Regents of the University of California and the class of Dynegy investors, Robbins Geller attorneys obtained a combined settlement of \$474 million from Dynegy, Citigroup, Inc., and Arthur Andersen LLP for their involvement in a clandestine financing scheme known as Project Alpha. Most notably, the settlement agreement provides that Dynegy will appoint two board members to be nominated by The Regents, which Robbins Geller and The Regents believe will benefit all of Dynegy's stockholders.

#### Case 3:18-cv-01338-X Document 167-3 Filed 10/17/22 Page 16 of AP&A agend 53363 CES

- In re Quest Commc'ns Int'l, Inc. Sec. Litig., No. 01-cv-1451 (D. Colo.). In July 2001, the Firm filed the initial complaint in this action on behalf of its clients, long before any investigation into Quest's financial statements was initiated by the SEC or Department of Justice. After five years of litigation, lead plaintiffs entered into a settlement with Quest and certain individual defendants that provided a \$400 million recovery for the class and created a mechanism that allowed the vast majority of class members to share in an additional \$250 million recovered by the SEC. In 2008, Robbins Geller attorneys recovered an additional \$45 million for the class in a settlement with defendants Joseph P. Nacchio and Robert S. Woodruff, the CEO and CFO, respectively, of Quest during large portions of the class period.
- Fort Worth Emps.' Ret. Fund v. J.P. Morgan Chase & Co., No. 1:09-cv-03701 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel for a class of investors and obtained court approval of a \$388 million recovery in nine 2007 residential mortgage-backed securities offerings issued by J.P. Morgan. The settlement represents, on a percentage basis, the largest recovery ever achieved in an MBS purchaser class action. The result was achieved after more than five years of hard-fought litigation and an extensive investigation.
- Smilovits v. First Solar, Inc., No. 2:12-cv-00555 (D. Ariz.). As sole lead counsel, Robbins Geller obtained a \$350 million settlement in Smilovits v. First Solar, Inc. As sole lead counsel, Robbins Geller obtained a \$272 million settlement on behalf of Goldman Sachs' shareholders. The settlement concludes one of the last remaining mortgage-backed securities purchaser class actions arising out of the global financial crisis. The remarkable result was achieved following seven years of extensive litigation. After the claims were dismissed in 2010, Robbins Geller secured a landmark victory from the Second Circuit Court of Appeals that clarified the scope of permissible class actions asserting claims under the Securities Act of 1933 on behalf of MBS investors. Specifically, the Second Circuit's decision rejected the concept of "tranche" standing and concluded that a lead plaintiff in an MBS class action has class standing to pursue claims on behalf of purchasers of other securities that were issued from the same registration statement and backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff's securities.

Reached shortly before trial was scheduled to commence, the settlement resolves claims that the Registration Statement and Prospectus HCA filed in connection with the company's massive \$4.3 billion 2011 IPO contained material misstatements and omissions. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action.
- In re AT&T Corp. Sec. Litig., MDL No. 1399 (D.N.J.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased AT&T common stock. After two weeks of trial, and on the eve of scheduled testimony by Armstrong and infamous telecom analyst Jack Grubman, defendants agreed to settle the case for \$100 million.

The case charged that Wal-Mart portrayed itself to investors as a model corporate citizen that had proactively uncovered potential corruption and promptly reported it to law enforcement, when in truth, a former in-house lawyer had blown the whistle on Wal-Mart's corruption years earlier, and Wal-Mart concealed the allegations from law enforcement by refusing its own in-house and outside counsel's calls for an independent investigation. Robbins Geller "achieved an exceptional [s]ettlement with skill, perseverance, and diligent advocacy," said Judge Hickey when granting final approval.

The result resolves claims that J.C. Penney and certain officers and directors made misstatements and/or omissions regarding the company's financial position that resulted in artificially inflated stock prices. Specifically, defendants failed to disclose and/or misrepresented adverse facts, including that J.C. Penney

would have insufficient liquidity to get through year-end and would require additional funds to make it through the holiday season, and that the company was concealing its need for liquidity so as not to add to its vendors' concerns.

- Monroe County Employees' Retirement System v. The Southern Company, No. 1:17-cv-00241 (N.D. Ga.). The settlement resolves claims for violations of the Securities Exchange Act of 1934 stemming from defendants' issuance of materially misleading statements and omissions regarding the status of construction of a first-of-its-kind "clean coal" power plant in Kemper County, Mississippi. Plaintiffs alleged that these misstatements caused The Southern Company's stock price to be artificially inflated during the class period. Prior to resolving the case, Robbins Geller uncovered critical documentary evidence and deposition testimony supporting plaintiffs' claims. In granting final approval of the settlement, the court praised Robbins Geller for its "hardfought litigation in the Eleventh Circuit" and its "experience, reputation, and abilities of [its] attorneys," and highlighted that the firm is "well-regarded in the legal community, especially in litigating class-action securities cases

The settlement represents approximately 24% to 50% of the best estimate of classwide damages suffered by investors who purchased shares during the February 19, 2015 through December 7, 2015 class period.
- Garden City Emps.' Ret. Sys. v. Psychiatric Sols., Inc., No. 3:09-cv-00882 (M.D. Tenn.). In the *Psychiatric Solutions* case, Robbins Geller represented lead plaintiff and class representative Central States, Southeast and Southwest Areas Pension Fund in litigation spanning more than four years. Psychiatric Solutions and its top executives were accused of insufficiently staffing their in-patient hospitals, downplaying the significance of regulatory investigations and manipulating their malpractice reserves. The case alleged that SQM violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal 2014. Due to the company being based out of Chile and subject to Chilean law and rules, the Robbins Geller litigation team put together a multilingual litigation team with Chilean expertise. Depositions are considered unlawful in the country of Chile, so Robbins Geller successfully moved the court to compel SQM to bring witnesses to the United States.

The complaint alleged that the risk of St. Jude Medical's reliance on such bulk sales manifested when it failed to meet its forecast guidance for the third quarter of 2009, which the company had reaffirmed only weeks earlier.

#### Shareholder Derivative and Corporate Governance Litigation

The Firm's shareholder derivative and corporate governance practice is focused on preserving corporate assets and enhancing long-term shareowner value. Shareowner derivative actions are often brought by institutional investors to vindicate the rights of the corporation injured by its executives' misconduct, which can effect violations of the nation's securities, anti-corruption, false claims, cyber-security, labor, environmental, and/or health & safety laws.

Robbins Geller attorneys have aided Firm clients in significantly enhancing shareowner value by obtaining hundreds of millions of dollars in financial clawbacks and successfully negotiating corporate governance enhancements. Robbins Geller has worked with its institutional clients to address corporate misconduct such as options backdating, bribery of foreign officials, pollution, off-label marketing, and insider trading and related self-dealing. Additionally, the Firm works closely with noted corporate governance consultants Robert Monks and Richard Bennett and their firm, ValueEdge Advisors LLC, to shape corporate governance practices that will benefit shareowners.

In settlement of the action, Wells Fargo agreed to provide \$67 million in homeowner down-payment assistance, credit counseling, and improvements to its mortgage servicing system. #### **Consumer Fraud and Privacy**

In our consumer-based economy, working families who purchase products and services must receive truthful information so they can make meaningful choices about how to spend their hard-earned money. When financial institutions and other corporations deceive consumers or take advantage of unequal bargaining power, class action suits provide, in many instances, the only realistic means for an individual to right a corporate wrong.

Robbins Geller attorneys represent consumers around the country in a variety of important, complex class actions. Our attorneys have taken a leading role in many of the largest federal and state consumer fraud, privacy, environmental, human rights, and public health cases throughout the United States. The Firm is also actively involved in many cases relating to banks and the financial services industry, pursuing claims on behalf of individuals victimized by abusive telemarketing practices, abusive mortgage lending practices, market timing violations in the sale of variable annuities, and deceptive consumer credit lending practices in violation of the Truth-In-Lending Act. Below are a few representative samples of our robust, nationwide consumer and privacy practice.

- *In re Nat'l Prescription Opiate Litig.* Robbins Geller serves on the Plaintiffs' Executive Committee to spearhead more than 2,900 federal lawsuits brought on behalf of governmental entities and other plaintiffs in the sprawling litigation concerning the nationwide prescription opioid epidemic. Within weeks of Robbins Geller filing the case, Greyhound added "know your rights" information to passengers to its website and on posters in bus stations around the country, along with adopting other business reforms.

The Honorable James Donato called the settlement "a groundbreaking settlement in a novel area" and praised the unprecedented 22% claims rate as "pretty phenomenal" and "a pretty good day in class settlement history."

The company made another announcement in December 2016 that personal information associated with more than one billion user accounts was extracted in August 2013. Ten months later, Yahoo announced that the breach in 2013 actually affected all three billion existing accounts. Trump and Trump University violated federal and state laws by misleadingly marketing "Live Events" seminars and mentorships as teaching Trump's "real-estate techniques" through his "hand-picked" "professors" at his so-called "university." Robbins Geller represented the class on a *pro bono* basis.

The Robbins Geller team battled a series of dismissal motions before achieving class certification for the plaintiffs in March 2017, with the court finding that "Plaintiffs would not have purchased the bird food if they knew it was poison." Defendants then appealed the class certification to the Ninth Circuit, which was denied, and then tried to have the claims from non-California class members thrown out, which was also denied.
- *Bank Overdraft Fees Litigation*. The banking industry charges consumers exorbitant amounts for "overdraft" of their checking accounts, even if the customer did not authorize a charge beyond the available balance and even if the account would not have been overdrawn had the transactions been ordered chronologically as they occurred that is, banks reorder transactions to maximize such fees. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions, one which alleged overtime violations by the garment factories under the Fair Labor Standards Act and local labor law, and another which alleged violations of California's Unfair Practices Law by the U.S. retailers. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. #### Human Rights, Labor Practices, and Public Policy

Robbins Geller attorneys have a long tradition of representing the victims of unfair labor practices and violations of human rights. These include:

- Does I v. The Gap, Inc., No. 01 0031 (D. N. Mar. I.). In this groundbreaking case, Robbins Geller attorneys represented a class of 30,000 garment workers who alleged that they had worked under sweatshop conditions in garment factories in Saipan that produced clothing for top U.S. retailers such as The Gap, Target, and J.C. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions: Does I v. Advance Textile Corp., No. 99 0002 (D. N. Mar. I.), which alleged overtime violations by the garment factories under the Fair Labor Standards Act and local labor law, and UNITE v. The Gap, Inc., No. 300474 (Cal. Super. Ct., San Francisco Cty.), which alleged violations of California's Unfair Practices Law by the U.S. retailers. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. The members of the litigation team were honored as Trial Lawyers of the Year by the Trial Lawyers for Public Justice in recognition of the team's efforts at bringing about the precedent-setting settlement of the actions.
- Liberty Mutual Overtime Cases, No. JCCP 4234 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller attorneys served as co-lead counsel on behalf of 1,600 current and former insurance claims adjusters at Liberty Mutual Insurance Company and several of its subsidiaries. Plaintiffs brought the case to recover unpaid overtime compensation and associated penalties, alleging that Liberty Mutual had misclassified its claims adjusters as exempt from overtime under California law. After 13 years of complex and exhaustive litigation, Robbins Geller secured a settlement in which Liberty Mutual agreed to pay \$65 million into a fund to compensate the class of claims adjusters for unpaid overtime. The Liberty Mutual action is one of a few claims adjuster overtime actions brought in California or elsewhere to result in a successful outcome for plaintiffs since 2004.
- *Veliz v. Cintas Corp.*, No. 5:03-cv-01180 (N.D. Cal.). Brought against one of the nation's largest commercial laundries for violations of the Fair Labor Standards Act for misclassifying truck drivers as salesmen to avoid payment of overtime.
- *Kasky v. Nike, Inc.*, 27 Cal. 4th 939 (2002). The California Supreme Court upheld claims that an apparel manufacturer misled the public regarding its exploitative labor practices, thereby violating California statutes prohibiting unfair competition and false advertising. The court rejected defense contentions that any misconduct was protected by the First Amendment, finding the heightened constitutional protection afforded to noncommercial speech inappropriate in such a circumstance.

Shareholder derivative litigation brought by Robbins Geller attorneys at times also involves stopping antiunion activities, including:

- *Southern Pacific/Overnite*. A shareholder action stemming from several hundred million dollars in loss of value in the company due to systematic violations by Overnite of U.S. labor laws.
- *Massey Energy*. A shareholder action against an anti-union employer for flagrant violations of environmental laws resulting in multi-million-dollar penalties.
- *Crown Petroleum*. A shareholder action against a Texas-based oil company for self-dealing and breach of fiduciary duty while also involved in a union lockout.

#### **Environment and Public Health**

Robbins Geller attorneys have also represented plaintiffs in class actions related to environmental law. The Firm's attorneys represented, on a *pro bono* basis, the Sierra Club and the National Economic Development and Law Center as *amici curiae* in a federal suit designed to uphold the federal and state use of project labor agreements ("PLAs"). The suit represented a legal challenge to President Bush's Executive Order 13202, which prohibits the use of project labor agreements on construction projects receiving federal funds. Our *amici* brief in the matter outlined and stressed the significant environmental and socio-economic benefits associated with the use of PLAs on large-scale construction projects.

Attorneys with Robbins Geller have been involved in several other significant environmental cases, including:

- *Public Citizen v. U.S. D.O.T.* Robbins Geller attorneys represented a coalition of labor, environmental, industry, and public health organizations including Public Citizen, The International Brotherhood of Teamsters, California AFL-CIO, and California Trucking Industry in a challenge to a decision by the Bush administration to lift a Congressionally-imposed "moratorium" on cross-border trucking from Mexico on the basis that such trucks do not conform to emission controls under the Clean Air Act, and further, that the administration did not first complete a comprehensive environmental impact analysis as required by the National Environmental Policy Act. The suit was dismissed by the United States Supreme Court, the court holding that because the D.O.T. lacked discretion to prevent crossborder trucking, an environmental assessment was not required.
- *Sierra Club v. AK Steel.* Brought on behalf of the Sierra Club for massive emissions of air and water pollution by a steel mill, including homes of workers living in the adjacent communities, in violation of the Federal Clean Air Act, the Resource Conservation Recovery Act, and the Clean Water Act.
- *MTBE Litigation*. Brought on behalf of various water districts for befouling public drinking water with MTBE, a gasoline additive linked to cancer.
- *Exxon Valdez*. Brought on behalf of fisherman and Alaska residents for billions of dollars in damages resulting from the greatest oil spill in U.S. history.
- *Avila Beach*. A citizens' suit against UNOCAL for leakage from the oil company pipeline so severe it literally destroyed the town of Avila Beach, California.

Federal laws such as the Clean Water Act, the Clean Air Act, and the Resource Conservation and Recovery Act and state laws such as California's Proposition 65 exist to protect the environment and the public from abuses by corporate and government organizations. Companies can be found liable for negligence, trespass, or intentional environmental damage, be forced to pay for reparations, and to come into

Some of the Firm's and its attorneys' pro bono and charitable actions include:

- Representing California bus passengers *pro bono* in a landmark consumer and civil rights case against Greyhound for subjecting them to discriminatory immigration raids. Robbins Geller achieved a watershed court ruling that a private company may be held liable under California law for allowing border patrol to harass and racially profile its customers. Within weeks of Robbins Geller filing the case, Greyhound added "know your rights" information to passengers to its website and on posters in bus stations around the country, along with adopting other business reforms.
- Working with the Homeless Action Center (HAC) to provide no-cost, barrier-free, culturally competent legal representation that makes it possible for people who are homeless (or at risk of becoming homeless) to access social safety net programs that help restore dignity and provide sustainable income, healthcare, mental health treatment, and housing. Based in Oakland and Berkeley, the non-profit is the only program in the Bay Area that specializes in legal services to those who are chronically homeless. In 2016, HAC provided assistance to 1,403 men and 936 women, and 1,691 cases were completed. An additional 1,357 cases were still pending when the year ended. The results include 512 completed SSI cases with a success rate of 87%.

Relief was had when the County admitted that food-stamp eligibility could not hinge upon the Project 100% "home visits," and again when the district court ruled that unconsented "collateral contacts" violated state regulations. The decision was noted by the *Harvard Law Review*, *The New York Times*, and *The Colbert Report*.

In addition to obtaining a reversal of the BIA's deportation order, the Firm consulted with the Federal Defenders' Office on cases presenting similar fact patterns, which resulted in a precedent-setting *en banc* decision from the Ninth Circuit resolving a question of state and federal law that had been contested and conflicted for decades.

## PROMINENT CASES, PRECEDENT-SETTING DECISIONS, AND JUDICIAL COMMENDATIONS

#### **Prominent Cases**

Over the years, Robbins Geller attorneys have obtained outstanding results in some of the most notorious and well-known cases, frequently earning judicial commendations for the quality of their representation.

• In re Enron Corp. Sec. Litig., No. H-01-3624 (S.D. Tex.). Investors lost billions of dollars as a result of the massive fraud at Enron. In appointing Robbins Geller lawyers as sole lead counsel to represent the interests of Enron investors, the court found that the Firm's zealous prosecution and level of "insight" set it apart from its peers. Robbins Geller attorneys and lead plaintiff The Regents of the University of California aggressively pursued numerous defendants, including many of Wall Street's biggest banks, and successfully obtained settlements in excess of \$7.2 billion for the benefit of investors. This is the largest securities class action recovery in history.

The court overseeing this action had utmost praise for Robbins Geller's efforts and stated that "[t]he experience, ability, and reputation of the attorneys of [Robbins Geller] is not disputed; it is one of the most successful law firms in securities class actions, if not the preeminent one, in the country." *In re Enron Corp. Sec., Derivative & "ERISA" Litig.*, 586 F. Supp. 2d 732, 797 (S.D. Tex. 2008).

The court further commented: "[I]n the face of extraordinary obstacles, the skills, expertise, commitment, and tenacity of [Robbins Geller] in this litigation cannot be overstated. Not to be overlooked are the unparalleled results, . . . which demonstrate counsel's clearly superlative litigating and negotiating skills." *Id.* at 789.

The court stated that the Firm's attorneys "are to be commended for their zealousness, their diligence, their perseverance, their creativity, the enormous breadth and depth of their investigations and analysis, and their expertise in all areas of securities law on behalf of the proposed class." *Id*.

In addition, the court noted, "This Court considers [Robbins Geller] 'a lion' at the securities bar on the national level," noting that the Lead Plaintiff selected Robbins Geller because of the Firm's "outstanding reputation, experience, and success in securities litigation nationwide." *Id.* at 790.

The court further stated that "Lead Counsel's fearsome reputation and successful track record undoubtedly were substantial factors in . . . obtaining these recoveries." *Id.* 

Finally, Judge Harmon stated: "As this Court has explained [this is] an extraordinary group of attorneys who achieved the largest settlement fund ever despite the great odds against them." *Id.* at 828.

• Jaffe v. Household Int'l, Inc., No. 02-C-05893 (N.D. Ill). As sole lead counsel, Robbins Geller obtained a record-breaking settlement of \$1.575 billion after 14 years of litigation, including a sixweek jury trial in 2009 that resulted in a securities fraud verdict in favor of the class. In 2015, the Seventh Circuit Court of Appeals upheld the jury's verdict that defendants made false or misleading statements of material fact about the company's business practices and financial results, but remanded the case for a new trial on the issue of whether the individual defendants "made" certain false statements, whether those false statements caused plaintiffs' losses, and the amount of

damages. The parties reached an agreement to settle the case just hours before the retrial was scheduled to begin on June 6, 2016. The \$1.575 billion settlement, approved in October 2016, is the largest ever following a securities fraud class action trial, the largest securities fraud settlement in the Seventh Circuit and the eighth-largest settlement ever in a post-PSLRA securities fraud case. According to published reports, the case was just the seventh securities fraud case tried to a verdict since the passage of the PSLRA.

In approving the settlement, the Honorable Jorge L. Alonso noted the team's "skill and determination" while recognizing that "Lead Counsel prosecuted the case vigorously and skillfully over 14 years against nine of the country's most prominent law firms" and "achieved an exceptionally significant recovery for the class." The court added that the team faced "significant hurdles" and "uphill battles" throughout the case and recognized that "[c]lass counsel performed a very high-quality legal work in the context of a thorny case in which the state of the law has been and is in flux." The court succinctly concluded that the settlement was "a spectacular result for the class." *Jaffe v. Household Int'l, Inc.*, No. 02-C-5892, 2016 U.S. Dist. LEXIS 156921, at \*8 (N.D. Ill. - In re Valeant Pharms. Int'l, Inc. Sec. Litig., No. 3:15-cv-07658 (D.N.J.). As sole lead counsel, Robbins Geller attorneys obtained a \$1.2 billion settlement in the securities case that Vanity Fair reported as "the corporate scandal of its era" that had raised "fundamental questions about the functioning of our health-care system, the nature of modern markets, and the slippery slope of ethical rationalizations." The settlement resolves claims that defendants made false and misleading statements regarding Valeant's business and financial performance during the class period, attributing Valeant's dramatic growth in revenues and profitability to "innovative new marketing approaches" as part of a business model that was low risk and "durable and sustainable." Valeant is the largest securities class action settlement against a pharmaceutical manufacturer and the ninth largest ever.
- In re Am. Realty Cap. Props., Inc. Litig., No. 1:15-mc-00040 (S.D.N.Y.). As sole lead counsel, Robbins Geller attorneys zealously litigated the case arising out of ARCP's manipulative accounting practices and obtained a \$1.025 billion settlement. For five years, the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history.

In approving the settlement, the Honorable Alvin K. Hellerstein lauded the Robbins Geller litigation team, noting: "My own observation is that plaintiffs' representation is adequate and that the role of lead counsel was fulfilled in an extremely fine fashion by [Robbins Geller]. At every juncture, the representations made to me were reliable, the arguments were cogent, and the representation of their client was zealous."

• In re UnitedHealth Grp. Inc. PSLRA Litig., No. 06-CV-1691 (D. Minn.). In the UnitedHealth case, Robbins Geller represented the California Public Employees' Retirement System ("CalPERS") and demonstrated its willingness to vigorously advocate for its institutional clients, even under the most difficult circumstances. For example, in 2006, the issue of high-level executives backdating stock options made national headlines. During that time, many law firms, including Robbins Geller, brought shareholder derivative lawsuits against the companies' boards of directors for breaches of their fiduciary duties or for improperly granting backdated options. Rather than pursuing a shareholder derivative case, the Firm filed a securities fraud class action against the company on behalf of CalPERS. In doing so, Robbins Geller faced significant and unprecedented legal

obstacles with respect to loss causation, *i.e.*, that defendants' actions were responsible for causing the stock losses. Despite these legal hurdles, Robbins Geller obtained an \$895 million recovery on behalf of the UnitedHealth shareholders. Shortly after reaching the \$895 million settlement with UnitedHealth, the remaining corporate defendants, including former CEO William A. McGuire, also settled. McGuire paid \$30 million and returned stock options representing more than three million shares to the shareholders. The total recovery for the class was over \$925 million, the largest stock option backdating recovery ever, and *a recovery that is more than four times larger than the next largest options backdating recovery*. Moreover, Robbins Geller obtained unprecedented corporate governance reforms, including election of a shareholder-nominated member to the company's board of directors, a mandatory holding period for shares acquired by executives via option exercise, and executive compensation reforms that tie pay to performance.

- Alaska Elec. Pension Fund v. CitiGroup, Inc. (In re WorldCom Sec. Litig.), No. 03 Civ. 8269 (S.D.N.Y.). Robbins Geller attorneys represented more than 50 private and public institutions that opted out of the class action case and sued WorldCom's bankers, officers and directors, and auditors in courts around the country for losses related to WorldCom bond offerings from 1998 to 2001. The Firm's clients included major public institutions from across the country such as CalPERS, CalSTRS, the state pension funds of Maine, Illinois, New Mexico, and West Virginia, union pension funds, and private entities such as AIG and Northwestern Mutual. Robbins Geller attorneys recovered more than \$650 million for their clients, substantially more than they would have recovered as part of the class.
- Luther v. Countrywide Fin. Corp., No. 12-cv-05125 (C.D. Cal.). Robbins Geller attorneys secured a \$500 million settlement for institutional and individual investors in what is the largest RMBS purchaser class action settlement in history, and one of the largest class action securities settlements of all time. The unprecedented settlement resolves claims against Countrywide and Wall Street banks that issued the securities. The action was the first securities class action case filed against originators and Wall Street banks as a result of the credit crisis. As co-lead counsel Robbins Geller forged through six years of hard-fought litigation, oftentimes litigating issues of first impression, in order to secure the landmark settlement for its clients and the class.

In approving the settlement, Judge Mariana R. Pfaelzer repeatedly complimented plaintiffs' attorneys, noting that it was "beyond serious dispute that Class Counsel has vigorously prosecuted the Settlement Actions on both the state and federal level over the last six years." Judge Pfaelzer also commented that "[w]ithout a settlement, these cases would continue indefinitely, resulting in significant risks to recovery and continued litigation costs. It is difficult to understate the risks to recovery if litigation had continued." *Me. State Ret. Sys. v. Countrywide Fin. Corp.*, No. 2:10-CV-00302, 2013 U.S. Dist. LEXIS 179190, at \*44, \*56 (C.D. Judge Pfaelzer further noted that the proposed \$500 million settlement represents one of the "largest MBS class action settlements to date. Indeed, this settlement easily surpasses the next largest . . . MBS settlement." *Id.* at \*59.

In litigation over bonds and preferred securities, issued by Wachovia between 2006 and 2008, Robbins Geller and co-counsel obtained a significant settlement with Wachovia successor Wells Fargo & Company (\$590 million) and Wachovia auditor KPMG LLP (\$37 million). The total settlement – \$627 million – is one of the largest credit-crisis settlements involving Securities Act claims and one of the 20 largest securities class action recoveries in history. The settlement is also one of the biggest securities class action recoveries arising from the credit crisis.

As alleged in the complaint, the offering materials for the bonds and preferred securities misstated and failed to disclose the true nature and quality of Wachovia's mortgage loan portfolio, which exposed the bank and misled investors to tens of billions of dollars in losses on mortgage-related assets. In reality, Wachovia employed high-risk underwriting standards and made loans to subprime borrowers, contrary to the offering materials and their statements of "pristine credit quality." Robbins Geller served as co-lead counsel representing the City of Livonia Employees' Retirement System, Hawaii Sheet Metal Workers Pension Fund, and the investor class.

• In re Cardinal Health, Inc. Sec. Litig., No. C2-04-575 (S.D. Ohio). As sole lead counsel representing Cardinal Health shareholders, Robbins Geller obtained a recovery of \$600 million for investors. On behalf of the lead plaintiffs, Amalgamated Bank, the New Mexico State Investment Council, and the California Ironworkers Field Trust Fund, the Firm aggressively pursued class claims and won numerous courtroom victories, including a favorable decision on defendants' motion to dismiss. In re Cardinal Health, Inc. Sec. Litigs., 426 F. Supp. 2d 688 (S.D. Ohio 2006). At the time, the \$600 million settlement was the tenth-largest settlement in the history of securities fraud litigation and is the largest-ever recovery in a securities fraud action in the Sixth Circuit. Judge Marbley commented: "[T]his is an extraordinary settlement relative to all the other settlements in cases of this nature and certainly cases of this magnitude.... This was an outstanding settlement.... [I]n most instances, if you've gotten four cents on the dollar, you've done well. You've gotten twenty cents on the dollar, so that's been extraordinary. In re Cardinal Health, Inc. Sec. Litig., No. 2:04-CV-575, Transcript at 16, 32 (S.D. Ohio Oct. 19, 2007). Judge Marbley further stated:

The quality of representation in this case was superb. Lead Counsel, [Robbins Geller], are nationally recognized leaders in complex securities litigation class actions. The quality of the representation is demonstrated by the substantial benefit achieved for the Class and the efficient, effective prosecution and resolution of this action. Lead Counsel defeated a volley of motions to dismiss, thwarting wellformed challenges from prominent and capable attorneys from six different law firms.

• AOL Time Warner Cases I & II, JCCP Nos. 4322 & 4325 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller represented The Regents of the University of California, six Ohio state pension funds, Rabo Bank (NL), the Scottish Widows Investment Partnership, several Australian public and private funds, insurance companies, and numerous additional institutional investors, both domestic and international, in state and federal court opt-out litigation stemming from Time Warner's disastrous 2001 merger with Internet high flier America Online. Robbins Geller attorneys exposed a massive and sophisticated accounting fraud involving America Online's ecommerce and advertising revenue. After almost four years of litigation involving extensive discovery, the Firm secured combined settlements for its opt-out clients totaling over \$629 million just weeks before The Regents' case pending in California state court was scheduled to go to trial. The Regents' gross recovery of \$246 million is the largest individual opt-out securities recovery in history.

The Firm represented multiple institutional investors in successfully pursuing recoveries from two failed structured investment vehicles, each of which had been rated "AAA" by Standard & Poors and Moody's, but which failed fantastically in 2007. The matter settled just prior to trial in 2013. This result was only made possible after Robbins Geller lawyers beat back the rating agencies' longtime argument that ratings were opinions protected by the First Amendment.
- In re HealthSouth Corp. Sec. Litig., No. CV-03-BE-1500-S (N.D. Ala.). As court-appointed co-lead counsel, Robbins Geller attorneys obtained a combined recovery of \$671 million from HealthSouth, its auditor Ernst & Young, and its investment banker, UBS, for the benefit of stockholder plaintiffs. The settlement against HealthSouth represents one of the larger settlements in securities class action history and is considered among the top 15 settlements achieved after passage of the PSLRA. Likewise, the settlement against Ernst & Young is one of the largest securities class action settlements entered into by an accounting firm since the passage of the PSLRA. HealthSouth and its financial advisors perpetrated one of the largest and most pervasive frauds in the history of U.S. healthcare, prompting Congressional and law enforcement inquiry and resulting in guilty pleas of 16 former HealthSouth executives in related federal criminal prosecutions. In March 2009, Judge Karon Bowdre commented in the *HealthSouth* class certification opinion: "The court has had many opportunities since November 2001 to examine the work of class counsel and the supervision by the Class Representatives. The court finds both to be far more than adequate." *In re HealthSouth Corp. Sec. Litig.*, 257 F.R.D. 260, 275 (N.D. Ala. 2009).
- In re Facebook Biometric Info. Privacy Litig., No. 3:15-cv-03747 (N.D. Cal.). Robbins Geller served as co-lead class counsel in a cutting-edge certified class action, securing a record-breaking \$650 million all-cash settlement, the largest privacy settlement in history. The case concerned Facebook's alleged privacy violations through its collection of its users' biometric identifiers without informed consent through its "Tag Suggestions" feature, which uses proprietary facial recognition software to extract from user-uploaded photographs the unique biometric identifiers (*i.e.*, graphical representations of facial features, also known as facial geometry) associated with people's faces and identify who they are. The Honorable James Donato called the settlement "a groundbreaking settlement in a novel area" and praised the unprecedented 22% claims rate as "pretty phenomenal" and "a pretty good day in class settlement history."
- In re Dynegy Inc. Sec. Litig., No. H-02-1571 (S.D. Tex.). As sole lead counsel representing The Regents of the University of California and the class of Dynegy investors, Robbins Geller attorneys obtained a combined settlement of \$474 million from Dynegy, Citigroup, Inc., and Arthur Andersen LLP for their involvement in a clandestine financing scheme known as Project Alpha. Given Dynegy's limited ability to pay, Robbins Geller attorneys structured a settlement (reached shortly before the commencement of trial) that maximized plaintiffs' recovery without bankrupting the company. Most notably, the settlement agreement provides that Dynegy will appoint two board members to be nominated by The Regents, which Robbins Geller and The Regents believe will benefit all of Dynegy's stockholders.
- Jones v. Pfizer Inc., No. 1:10-cv-03864 (S.D.N.Y.). Lead plaintiff Stichting Philips Pensioenfonds obtained a \$400 million settlement on behalf of class members who purchased Pfizer common stock during the January 19, 2006 to January 23, 2009 class period. The settlement against Pfizer resolves accusations that it misled investors about an alleged off-label drug marketing scheme. As sole lead counsel, Robbins Geller attorneys helped achieve this exceptional result after five years of hard-fought litigation against the toughest and the brightest members of the securities defense bar by litigating this case all the way to trial.

#### 

In approving the settlement, United States District Judge Alvin K. Hellerstein commended the Firm, noting that "[w]ithout the quality and the toughness that you have exhibited, our society would not be as good as it is with all its problems. So from me to you is a vote of thanks for devoting yourself to this work and doing it well.... You did a really good job. Congratulations."

- In re Qwest Commc'ns Int'l, Inc. Sec. Litig., No. 01-cv-1451 (D. Colo.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased Qwest securities. In July 2001, the Firm filed the initial complaint in this action on behalf of its clients, long before any investigation into Qwest's financial statements was initiated by the SEC or Department of Justice. After five years of litigation, lead plaintiffs entered into a settlement with Qwest and certain individual defendants that provided a \$400 million recovery for the class and created a mechanism that allowed the vast majority of class members to share in an additional \$250 million recovered by the SEC. In 2008, Robbins Geller attorneys recovered an additional \$45 million for the class in a settlement with defendants Joseph P. Nacchio and Robert S. Woodruff, the CEO and CFO, respectively, of Qwest during large portions of the class period.
- Fort Worth Emps.' Ret. Fund v. J.P. Morgan Chase & Co., No. 1:09-cv-03701 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel for a class of investors and obtained court approval of a \$388 million recovery in nine 2007 residential mortgage-backed securities offerings issued by J.P. Morgan. The settlement represents, on a percentage basis, the largest recovery ever achieved in an MBS purchaser class action. The result was achieved after more than five years of hard-fought litigation and an extensive investigation. In granting approval of the settlement, the court stated the following about Robbins Geller attorneys litigating the case: "[T]here is no question in my mind that this is a very good result for the class and that the plaintiffs' counsel fought the case very hard with extensive discovery, a lot of depositions, several rounds of briefing of various legal issues going all the way through class certification."
- Smilovits v. First Solar, Inc., No. 2:12-cv-00555 (D. Ariz.). As sole lead counsel, Robbins Geller obtained a \$350 million settlement in Smilovits v. First Solar, Inc. The settlement, which was reached after a long legal battle and on the day before jury selection, resolves claims that First Solar violated §\$10(b) and 20(a) of the Securities Exchange Act of 1934 and SEC Rule 10b-5. The settlement is the fifth-largest PSLRA settlement ever recovered in the Ninth Circuit.
- NECA-IBEW Health & Welfare Fund v. Goldman Sachs & Co., No. 1:08-cv-10783 (S.D.N.Y.). As sole lead counsel, Robbins Geller obtained a \$272 million settlement on behalf of Goldman Sachs' shareholders. The settlement concludes one of the last remaining mortgage-backed securities purchaser class actions arising out of the global financial crisis. The remarkable result was achieved following seven years of extensive litigation. After the claims were dismissed in 2010, Robbins Geller secured a landmark victory from the Second Circuit Court of Appeals that clarified the scope of permissible class actions asserting claims under the Securities Act of 1933 on behalf of MBS investors. Specifically, the Second Circuit's decision rejected the concept of "tranche" standing and concluded that a lead plaintiff in an MBS class action has class standing to pursue claims on behalf of purchasers of other securities that were issued from the same registration statement and backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff's securities.

In approving the settlement, the Honorable Loretta A. Preska of the Southern District of New York complimented Robbins Geller attorneys, noting:

As sole lead counsel, Robbins Geller obtained a groundbreaking \$215 million settlement for former HCA Holdings, Inc. shareholders the largest securities class action recovery ever in Tennessee. Reached shortly before trial was scheduled to commence, the settlement resolves claims that the Registration Statement and Prospectus HCA filed in connection with the company's massive \$4.3 billion 2011 IPO contained material misstatements and omissions. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action. At the hearing on final approval of the settlement, the Honorable Kevin H. Sharp described Robbins Geller attorneys as "gladiators" and commented: "Looking at the benefit obtained, the effort that you had to put into it, [and] the complexity in this case . . . Robbins Geller attorneys traveled to three continents to uncover the evidence that ultimately resulted in the settlement of this hard-fought litigation. The case concerned Coca-Cola's shipping of excess concentrate at the end of financial reporting periods for the sole purpose of meeting analyst earnings expectations, as well as the company's failure to properly account for certain impaired foreign bottling assets.

Defendants had inflated the price of these securities by concealing the fact that TXU's operating earnings were declining due to a deteriorating gas pipeline and the failure of the company's European operations.

- Does I v. The Gap, Inc., No. 01 0031 (D. N. Mar. I.). In this groundbreaking case, Robbins Geller attorneys represented a class of 30,000 garment workers who alleged that they had worked under sweatshop conditions in garment factories in Saipan that produced clothing for top U.S. retailers such as The Gap, Target, and J.C. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions: Does I v. Advance Textile Corp., No. 99 0002 (D. N. Mar. I.), which alleged overtime violations by the garment factories under the Fair Labor Standards Act and local labor law, and UNITE v. The Gap, Inc., No. 300474 (Cal. Super. Ct., San Francisco Cty.), which alleged violations of California's Unfair Practices Law by the U.S. retailers. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. The members of the litigation team were honored as Trial Lawyers of the Year by the Trial Lawyers for Public Justice in recognition of the team's efforts in bringing about the precedent-setting settlement of the actions.

Geller attorneys were lead counsel and lead trial counsel for one of three classes of coaches in these consolidated price-fixing actions against the National Collegiate Athletic Association. On May 4, 1998, the jury returned verdicts in favor of the three classes for more than \$70 million.

- *In re Prison Realty Sec. Litig.*, No. 3:99-0452 (M.D. Tenn.). Robbins Geller attorneys served as lead counsel for the class, obtaining a \$105 million recovery.
- In re Honeywell Int'l, Inc. Sec. Litig., No. 00-cv-03605 (D.N.J.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased Honeywell common stock. The case charged Honeywell and its top officers with violations of the federal securities laws, alleging the defendants made false public statements concerning Honeywell's merger with Allied Signal, Inc. and that defendants falsified Honeywell's financial statements. After extensive discovery, Robbins Geller attorneys obtained a \$100 million settlement for the class.
- Schwartz v. Visa Int'l, No. 822404-4 (Cal. Super. Ct., Alameda Cnty.). After years of litigation and a six-month trial, Robbins Geller attorneys won one of the largest consumer protection verdicts ever awarded in the United States. Robbins Geller attorneys represented California consumers in an action against Visa and MasterCard for intentionally imposing and concealing a fee from their cardholders. The court ordered Visa and MasterCard to return \$800 million in cardholder losses, which represented 100% of the amount illegally taken, plus 2% interest. In addition, the court ordered full disclosure of the hidden fee.
- *Thompson v. Metro. Life Ins. Co.*, No. 00-cv-5071 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel and obtained \$145 million for the class in a settlement involving racial discrimination claims in the sale of life insurance.
- *In re Prudential Ins. Co. of Am. Sales Pracs. Litig.*, MDL No. 1061 (D.N.J.). In one of the first cases of its kind, Robbins Geller attorneys obtained a settlement of \$4 billion for deceptive sales practices in connection with the sale of life insurance involving the "vanishing premium" sales scheme.

## **Precedent-Setting Decisions**

Robbins Geller attorneys operate at the vanguard of complex class action of litigation. Our work often changes the legal landscape, resulting in an environment that is more-favorable for obtaining recoveries for our clients.

- Stoyas v. Toshiba Corp., 896 F.3d 933 (9th Cir. 2018), cert. denied, 588 U.S. \_ (2019). In July 2018, the Ninth Circuit ruled in plaintiffs' favor in the Toshiba securities class action. Following appellate briefing and oral argument by Robbins Geller attorneys, a three-judge Ninth Circuit panel reversed the district court's prior dismissal in a unanimous, 36-page opinion, holding that Toshiba ADRs are a "security" and the Securities Exchange Act of 1934 could apply to those ADRs that were purchased in a domestic transaction. Id. at 939, 949. The court adopted the Second and Third Circuits' "irrevocable liability" test for determining whether the transactions were domestic and held that plaintiffs must be allowed to amend their complaint to allege that the purchase of Toshiba ADRs on the over-the-counter market was a domestic purchase and that the alleged fraud was in connection with the purchase.
- *Cyan, Inc. v. Beaver Cnty. Emps. Ret. Fund*, No. 15-1439 (U.S.). In March 2018, the U.S. Supreme Court ruled in favor of investors represented by Robbins Geller, holding that state courts continue to have jurisdiction over class actions asserting violations of the Securities Act of 1933. The court's ruling secures investors' ability to bring Securities Act actions when companies fail to make full and

fair disclosure of relevant information in offering documents. The court confirmed that the Securities Litigation Uniform Standards Act of 1998 was designed to preclude securities class actions asserting violations of state law – not to preclude securities actions asserting federal law violations brought in state courts.

- *Mineworkers' Pension Scheme v. First Solar Inc.*, 881 F.3d 750 (9th Cir. 2018), *cert. denied*, 588 U.S. \_\_\_\_\_(2019). In January 2018, the Ninth Circuit upheld the district court's denial of defendants' motion for summary judgment, agreeing with plaintiffs that the test for loss causation in the Ninth Circuit is a general "proximate cause test," and rejecting the more stringent revelation of the fraudulent practices standard advocated by the defendants. The opinion is a significant victory for investors, as it forecloses defendants' ability to immunize themselves from liability simply by refusing to publicly acknowledge their fraudulent conduct.
- In re Quality Sys., Inc. Sec. Litig., No. 15-55173 (9th Cir.). In July 2017, Robbins Geller's Appellate Practice Group scored a significant win in the Ninth Circuit in the *Quality Systems* securities class action. On appeal, a three-judge Ninth Circuit panel unanimously reversed the district court's prior dismissal of the action against Quality Systems and remanded the case to the district court for further proceedings. The decision addressed an issue of first impression concerning "mixed" future and present-tense misstatements. The appellate panel explained that "non-forward-looking portions of mixed statements are not eligible for the safe harbor provisions of the PSLRA . . . . Defendants made a number of mixed statements that included projections of growth in revenue and earnings based on the state of QSI's sales pipeline." The panel then held *both* the non-forwardlooking and forward-looking statements false and misleading and made with scienter, deeming them actionable. Later, although defendants sought rehearing by the Ninth Circuit sitting *en banc*, the circuit court denied their petition.
- Local 703, I.B. of T. Grocery & Food Emps. Welfare Fund v. Regions Fin. Corp., No. CV-10-J-2847-S (N.D. Ala.). In the Regions Financial securities class action, Robbins Geller represented Local 703, I.B. of T. Grocery and Food Employees Welfare Fund and obtained a \$90 million settlement in September 2015 on behalf of purchasers of Regions Financial common stock during the class period. In August 2014, the Eleventh Circuit Court of Appeals affirmed the district court's decision to certify a class action based upon alleged misrepresentations about Regions Financial's financial health before and during the recent economic recession, and in November 2014, the U.S. District Court for the Northern District of Alabama denied defendants' third attempt to avoid plaintiffs' motion for class certification.
- Omnicare, Inc. v. Laborers Dist. Council Constr. Indus. Pension Fund, No. 13-435 (U.S.). In March 2015, the U.S. Supreme Court ruled in favor of investors represented by Robbins Geller that investors asserting a claim under §11 of the Securities Act of 1933 with respect to a misleading statement of opinion do not, as defendant Omnicare had contended, have to prove that the statement was subjectively disbelieved when made. Rather, the court held that a statement of opinion may be actionable either because it was not believed, or because it lacked a reasonable basis in fact. This decision is significant in that it resolved a conflict among the federal circuit courts and expressly overruled the Second Circuit's widely followed, more stringent pleading standard for §11 claims involving statements of opinion. The Supreme Court remanded the case back to the district court for determination under the newly articulated standard. In August of 2016, upon remand, the district court applied the Supreme Court's new test and denied defendants' motion to dismiss in full.

securities fraud action involving mortgage-backed securities, the Second Circuit rejected the concept of "tranche" standing and found that a lead plaintiff has class standing to pursue claims on behalf of purchasers of securities that were backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff's securities. The court noted that, given those common lenders, the lead plaintiff's claims as to its purchases implicated "the same set of concerns" that purchasers in several of the other offerings possessed. The court also rejected the notion that the lead plaintiff lacked standing to represent investors in different tranches.

• In re VeriFone Holdings, Inc. Sec. Litig., 704 F.3d 694 (9th Cir. 2012). The panel reversed in part and affirmed in part the dismissal of investors' securities fraud class action alleging violations of §§10(b), 20(a), and 20A of the Securities Exchange Act of 1934 and SEC Rule 10b-5 in connection with a restatement of financial results of the company in which the investors had purchased stock.

The panel held that the third amended complaint adequately pleaded the §10(b), §20A, and Rule 10b-5 claims. Considering the allegations of scienter holistically, as the U.S. Supreme Court directed in *Matrixx Initiatives, Inc. v. Siracusano*, 563 U.S 27, 48-49 (2011), the panel concluded that the inference that the defendant company and its chief executive officer and former chief financial officer were deliberately reckless as to the truth of their financial reports and related public statements following a merger was at least as compelling as any opposing inference.

- Fox v. JAMDAT Mobile, Inc., 185 Cal. App. 4th 1068 (2010). Concluding that Delaware's shareholder ratification doctrine did not bar the claims, the California Court of Appeal reversed dismissal of a shareholder class action alleging breach of fiduciary duty in a corporate merger.
- In re Constar Int'l Inc. Sec. Litig., 585 F.3d 774 (3d Cir. 2009). The Third Circuit flatly rejected defense contentions that where relief is sought under §11 of the Securities Act of 1933, which imposes liability when securities are issued pursuant to an incomplete or misleading registration statement, class certification should depend upon findings concerning market efficiency and loss causation.
- *Matrixx Initiatives, Inc. v. Siracusano*, 563 U.S 27 (2011), *aff* g 585 F.3d 1167 (9th Cir. 2009). In a securities fraud action involving the defendants' failure to disclose a possible link between the company's popular cold remedy and a life-altering side effect observed in some users, the U.S. Supreme Court unanimously affirmed the Ninth Circuit's (a) rejection of a bright-line "statistical significance" materiality standard, and (b) holding that plaintiffs had successfully pleaded a strong inference of the defendants' scienter.
- *Alaska Elec. Pension Fund v. Flowserve Corp.*, 572 F.3d 221 (5th Cir. 2009). Aided by former U.S. Supreme Court Justice O'Connor's presence on the panel, the Fifth Circuit reversed a district court order denying class certification and also reversed an order granting summary judgment to defendants. The court held that the district court applied an incorrect fact-for-fact standard of loss causation, and that genuine issues of fact on loss causation precluded summary judgment.
- In re F5 Networks, Inc., Derivative Litig., 207 P.3d 433 (Wash. 2009). In a derivative action alleging unlawful stock option backdating, the Supreme Court of Washington ruled that shareholders need not make a pre-suit demand on the board of directors where this step would be futile, agreeing with plaintiffs that favorable Delaware case law should be followed as persuasive authority.
- Lormand v. US Unwired, Inc., 565 F.3d 228 (5th Cir. 2009). In a rare win for investors in the Fifth

Circuit, the court reversed an order of dismissal, holding that safe harbor warnings were not meaningful when the facts alleged established a strong inference that defendants knew their forecasts were false. The court also held that plaintiffs sufficiently alleged loss causation.

- Institutional Inv'rs Grp. v. Avaya, Inc., 564 F.3d 242 (3d Cir. 2009). In a victory for investors in the Third Circuit, the court reversed an order of dismissal, holding that shareholders pled with particularity why the company's repeated denials of price discounts on products were false and misleading when the totality of facts alleged established a strong inference that defendants knew their denials were false.
- *Alaska Elec. Pension Fund v. Pharmacia Corp.*, 554 F.3d 342 (3d Cir. 2009). The Third Circuit held that claims filed for violation of §10(b) of the Securities Exchange Act of 1934 were timely, adopting investors' argument that because scienter is a critical element of the claims, the time for filing them cannot begin to run until the defendants' fraudulent state of mind should be apparent.
- *Rael v. Page*, 222 P.3d 678 (N.M. Ct. App. 2009). In this shareholder class and derivative action, Robbins Geller attorneys obtained an appellate decision reversing the trial court's dismissal of the complaint alleging serious director misconduct in connection with the merger of SunCal Companies and Westland Development Co., Inc., a New Mexico company with large and historic landholdings and other assets in the Albuquerque area. The appellate court held that plaintiff's claims for breach of fiduciary duty were direct, not derivative, because they constituted an attack on the validity or fairness of the merger and the conduct of the directors. Although New Mexico law had not addressed this question directly, at the urging of the Firm's attorneys, the court relied on Delaware law for guidance, rejecting the "special injury" test for determining the direct versus derivative inquiry and instead applying more recent Delaware case law.
- *Lane v. Page*, No. 06-cv-1071 (D.N.M. 2012). In May 2012, while granting final approval of the settlement in the federal component of the Westland cases, Judge Browning in the District of New Mexico commented:

Class Counsel are highly skilled and specialized attorneys who use their substantial experience and expertise to prosecute complex securities class actions. In possibly one of the best known and most prominent recent securities cases, Robbins Geller served as sole lead counsel – *In re Enron Corp. Sec. Litig.*, No. H-01-3624 (S.D. Tex.). *See* Report at 3. The Court has previously noted that the class would "receive high caliber legal representation" from class counsel, and throughout the course of the litigation the Court has been impressed with the quality of representation on each side. *Lane v. Lane v. Page, 862 F. Supp. 2d 1182, 1253-54 (D.N.M. 2012).

In addition, Judge Browning stated: "'Few plaintiffs' law firms could have devoted the kind of time, skill, and financial resources over a five-year period necessary to achieve the pre- and post-Merger benefits obtained for the class here.'... [Robbins Geller is] both skilled and experienced, and used those skills and experience for the benefit of the class [Robbins Geller is] both skilled and experienced, and used those skills and experience for the benefit of the class." *Id.* at 1254.

• *Luther v. Countrywide Home Loans Servicing LP*, 533 F.3d 1031 (9th Cir. 2008). In a case of first impression, the Ninth Circuit held that the Securities Act of 1933's specific non-removal features had not been trumped by the general removal provisions of the Class Action Fairness Act of 2005.

- *In re Gilead Scis. Sec. Litig.*, 536 F.3d 1049 (9th Cir. 2008). The Ninth Circuit upheld defrauded investors' loss causation theory as plausible, ruling that a limited temporal gap between the time defendants' misrepresentation was publicly revealed and the subsequent decline in stock value was reasonable where the public had not immediately understood the impact of defendants' fraud.
- In re WorldCom Sec. Litig., 496 F.3d 245 (2d Cir. 2007). The Second Circuit held that the filing of a class action complaint tolls the limitations period for all members of the class, including those who choose to opt out of the class action and file their own individual actions without waiting to see whether the district court certifies a class reversing the decision below and effectively overruling multiple district court rulings that *American Pipe* tolling did not apply under these circumstances.
- In re Merch & Co. Sec., Derivative & ERISA Litig., 493 F.3d 393 (3d Cir. 2007). In a shareholder derivative suit appeal, the Third Circuit held that the general rule that discovery may not be used to supplement demand-futility allegations does not apply where the defendants enter a voluntary stipulation to produce materials relevant to demand futility without providing for any limitation as to their use. In April 2007, the Honorable D. Brooks Smith praised Robbins Geller partner Joe Daley's efforts in this litigation:

Thank you very much Mr. Daley and a thank you to all counsel. As Judge Cowen mentioned, this was an exquisitely well-briefed case; it was also an extremely well-argued case, and we thank counsel for their respective jobs here in the matter, which we will take under advisement. Thank you.

- *Alaska Elec. Pension Fund v. Brown*, 941 A.2d 1011 (Del. 2007). The Supreme Court of Delaware held that the Alaska Electrical Pension Fund, for purposes of the "corporate benefit" attorney-fee doctrine, was presumed to have caused a substantial increase in the tender offer price paid in a "going private" buyout transaction. The Court of Chancery originally ruled that Alaska's counsel, Robbins Geller, was not entitled to an award of attorney fees, but Delaware's high court, in its published opinion, reversed and remanded for further proceedings.
- *Crandon Cap. Partners v. Shelk*, 157 P.3d 176 (Or. 2007). Oregon's Supreme Court ruled that a shareholder plaintiff in a derivative action may still seek attorney fees even if the defendants took actions to moot the underlying claims. The Firm's attorneys convinced Oregon's highest court to take the case, and reverse, despite the contrary position articulated by both the trial court and the Oregon Court of Appeals.
- *In re Qwest Commc'ns Int'l*, 450 F.3d 1179 (10th Cir. 2006). In a case of first impression, the Tenth Circuit held that a corporation's deliberate release of purportedly privileged materials to governmental agencies was not a "selective waiver" of the privileges such that the corporation could refuse to produce the same materials to non-governmental plaintiffs in private securities fraud litigation.
- In re Guidant S'holders Derivative Litig., 841 N.E.2d 571 (Ind. 2006). Answering a certified question from a federal court, the Supreme Court of Indiana unanimously held that a pre-suit demand in a derivative action is excused if the demand would be a futile gesture. The court adopted a "demand futility" standard and rejected defendants' call for a "universal demand" standard that might have immediately ended the case.

- Denver Area Meat Cutters v. Clayton, 209 S.W.3d 584 (Tenn. Ct. App. 2006). The Tennessee Court of Appeals rejected an objector's challenge to a class action settlement arising out of Warren Buffet's 2003 acquisition of Tennessee-based Clayton Homes. In their effort to secure relief for Clayton Homes stockholders, the Firm's attorneys obtained a temporary injunction of the Buffet acquisition for six weeks in 2003 while the matter was litigated in the courts. The temporary halt to Buffet's acquisition received national press attention.
- **DeJulius v. New Eng. Health Care Emps. Pension Fund**, 429 F.3d 935 (10th Cir. 2005). The Tenth Circuit held that the multi-faceted notice of a \$50 million settlement in a securities fraud class action had been the best notice practicable under the circumstances, and thus satisfied both constitutional due process and Rule 23 of the Federal Rules of Civil Procedure.
- *In re Daou Sys.*, 411 F.3d 1006 (9th Cir. 2005). The Ninth Circuit sustained investors' allegations of accounting fraud and ruled that loss causation was adequately alleged by pleading that the value of the stock they purchased declined when the issuer's true financial condition was revealed.
- *Barrie v. Intervoice-Brite, Inc.*, 397 F.3d 249 (5th Cir.), *reh'g denied and opinion modified*, 409 F.3d 653 (5th Cir. 2005). The Fifth Circuit upheld investors' accounting-fraud claims, holding that fraud is pled as to both defendants when one knowingly utters a false statement and the other knowingly fails to correct it, even if the complaint does not specify who spoke and who listened.
- *City of Monroe Emps. Ret. Sys. v. Bridgestone Corp.*, 399 F.3d 651 (6th Cir. 2005). The Sixth Circuit held that a statement regarding objective data supposedly supporting a corporation's belief that its tires were safe was actionable where jurors could have found a reasonable basis to believe the corporation was aware of undisclosed facts seriously undermining the statement's accuracy.
- *Ill. Mun. Ret. Fund v. Citigroup, Inc.*, 391 F.3d 844 (7th Cir. 2004). The Seventh Circuit upheld a district court's decision that the Illinois Municipal Retirement Fund was entitled to litigate its claims under the Securities Act of 1933 against WorldCom's underwriters before a state court rather than before the federal forum sought by the defendants.
- *Nursing Home Pension Fund, Local 144 v. Oracle Corp.*, 380 F.3d 1226 (9th Cir. 2004). The Ninth Circuit ruled that defendants' fraudulent intent could be inferred from allegations concerning their false representations, insider stock sales and improper accounting methods.
- Southland Sec. Corp. v. INSpire Ins. Sols. Inc., 365 F.3d 353 (5th Cir. 2004). The Fifth Circuit sustained allegations that an issuer's CEO made fraudulent statements in connection with a contract announcement.
- *Smith v. Am. Family Mut. Ins. Co.*, 289 S.W.3d 675 (Mo. Ct. App. 2009). - *Troyk v. Farmers Grp., Inc.*, 171 Cal. App. 4th 1305 (2009). The California Court of Appeal held that Farmers Insurance's practice of levying a "service charge" on one-month auto insurance policies, without specifying the charge in the policy, violated California's Insurance Code.
- Lebrilla v. Farmers Grp., Inc., 119 Cal. App. 4th 1070 (2004). Reversing the trial court, the California Court of Appeal ordered class certification of a suit against Farmers, one of the largest

- In re Monumental Life Ins. Co., 365 F.3d 408, 416 (5th Cir. 2004). The Fifth Circuit Court of Appeals reversed a district court's denial of class certification in a case filed by African-Americans seeking to remedy racially discriminatory insurance practices. The Fifth Circuit held that a monetary relief claim is viable in a Rule 23(b)(2) class if it flows directly from liability to the class as a whole and is capable of classwide "computation by means of objective standards and not dependent in any significant way on the intangible, subjective differences of each class member's circumstances."
- *Dent v. National Football League*, No. 15-15143 (9th Cir.). In September 2018, the United States Court of Appeals for the Ninth Circuit issued an important decision reversing the district court's previous dismissal of the *Dent v. National Football League* litigation, concluding that the complaint brought by NFL Hall of Famer Richard Dent and others should not be dismissed on labor-law preemption grounds. The case was remanded to the district court for further proceedings.
- *Kwikset Corp. v. Superior Court*, 51 Cal. 4th 310 (2011). In a leading decision interpreting the scope of Proposition 64's new standing requirements under California's Unfair Competition Law (UCL), the California Supreme Court held that consumers alleging that a manufacturer has misrepresented its product have "lost money or property" within the meaning of the initiative, and thus have standing to sue under the UCL, if they "can truthfully allege that they were deceived by a product's label into spending money to purchase the product, and would not have purchased it otherwise." *Id.* at 317. *Kwikset* involved allegations, proven at trial, that defendants violated California's "Made in the U.S.A." statute by representing on their labels that their products were "Made in U.S.A." or "All-American Made" when, in fact, the products were substantially made with foreign parts and labor.
- Safeco Ins. Co. of Am. v. Superior Court, 173 Cal. App. 4th 814 (2009). In a class action against auto insurer Safeco, the California Court of Appeal agreed that the plaintiff should have access to discovery to identify a new class representative after her standing to sue was challenged.
- *Consumer Privacy Cases*, 175 Cal. App. 4th 545 (2009). The California Court of Appeal rejected objections to a nationwide class action settlement benefiting Bank of America customers.
- Koponen v. Pac. Gas & Elec. Co., 165 Cal. App. 4th 345 (2008). The Firm's attorneys obtained a published decision reversing the trial court's dismissal of the action, and holding that the plaintiff's claims for damages arising from the utility's unauthorized use of rights-of-way or easements obtained from the plaintiff and other landowners were not barred by a statute limiting the authority of California courts to review or correct decisions of the California Public Utilities Commission.
- *Sanford v. MemberWorks, Inc.*, 483 F.3d 956 (9th Cir. 2007). In a telemarketing-fraud case, where the plaintiff consumer insisted she had never entered the contractual arrangement that defendants said bound her to arbitrate individual claims to the exclusion of pursuing class claims, the Ninth Circuit reversed an order compelling arbitration allowing the plaintiff to litigate on behalf of a class.

- *Haw. Med. Ass'n v. Haw. Med. Serv. Ass'n*, 148 P.3d 1179 (Haw. 2006). The Supreme Court of Hawaii ruled that claims of unfair competition were not subject to arbitration and that claims of tortious interference with prospective economic advantage were adequately alleged.
- Branick v. Downey Sav. & Loan Ass'n, 39 Cal. 4th 235 (2006). Robbins Geller attorneys were part of a team of lawyers that briefed this case before the Supreme Court of California. The court issued a unanimous decision holding that new plaintiffs may be substituted, if necessary, to preserve actions pending when Proposition 64 was passed by California voters in 2004. Proposition 64 amended California's Unfair Competition Law and was aggressively cited by defense lawyers in an effort to dismiss cases after the initiative was adopted.
- *McKell v. Wash. Mut., Inc.*, 142 Cal. App. 4th 1457 (2006). The California Court of Appeal reversed the trial court, holding that plaintiff's theories attacking a variety of allegedly inflated mortgage-related fees were actionable.
- *West Corp. v. Superior Court*, 116 Cal. App. 4th 1167 (2004). The California Court of Appeal upheld the trial court's finding that jurisdiction in California was appropriate over the out-of-state corporate defendant whose telemarketing was aimed at California residents. Exercise of jurisdiction was found to be in keeping with considerations of fair play and substantial justice.
- *Kruse v. Wells Fargo Home Mortg., Inc.*, 383 F.3d 49 (2d Cir. 2004), and *Santiago v. GMAC Mortg. Grp., Inc.*, 417 F.3d 384 (3d Cir. 2005). In two groundbreaking federal appellate decisions, the Second and Third Circuits each ruled that the Real Estate Settlement Practices Act prohibits marking up home loan-related fees and charges.

## Additional Judicial Commendations

Robbins Geller attorneys have been praised by countless judges all over the country for the quality of their representation in class-action lawsuits. - On February 4, 2021, in granting final approval of the settlement, the Honorable Mark H. Cohen of the United States District Court for the Northern District of Georgia stated: "Lead Counsel successfully achieved a greater-than-average settlement 'in the face of significant risks." Robbins Geller's "hard-fought litigation in the Eleventh Circuit" and "[i]n considering the experience, reputation, and abilities of the attorneys, the Court recognize[d] that Lead Counsel is well-regarded in the legal community, especially in litigating class-action securities cases." *Monroe County Employees' Retirement System v. The Southern Company*, No. 1:17-cv-00241, Order at 8-9 (N.D. Ga. Feb. 4, 2021).
- On December 18, 2020, at the final approval hearing of the settlement, the Honorable Yvonne Gonzalez Rogers of the United States District Court for the Northern District of California commended Robbins Geller, stating: "Counsel performed excellent work in not only investigating and analyzing the core of the issues, but in negotiating and demanding the necessary reforms to prevent malfeasance for the benefit of the shareholders and the consumers. The Court complements counsel for its excellence." *In re RH S'holder Derivative Litig.*, No. 4:18-cv-02452-YGR, Order and Final Judgment at 3 (N.D. Cal. Dec. 18, 2020).

This is the largest securities class action settlement against a pharmaceutical manufacturer and the ninth largest ever. ## Darryl J. Alvarado | Partner

Darryl Alvarado is a partner in the Firm's San Diego office. He focuses his practice on securities fraud and other complex civil litigation. Alvarado was a member of the trial team in *Smilovits v. First Solar, Inc.*, which recovered \$350 million for aggrieved investors. The *First Solar* settlement, reached on the eve of trial after more than seven years of litigation and an interlocutory appeal to the U.S. Supreme Court, is the fifth-largest PSLRA recovery ever obtained in the Ninth Circuit. Alvarado recently litigated *Monroe County Employees' Retirement System v. The Southern Company*, which recovered \$87.5 million for investors after more than three years of litigation. The settlement resolved securities fraud claims stemming from defendants' issuance of misleading statements and omissions regarding the construction of a first-of-itskind "clean coal" power plant in Kemper County, Mississippi. Alvarado helped secure \$388 million for investors in J.P. Morgan residential mortgage-backed securities in *Fort Worth Employees' Retirement Fund v. J.P. Morgan Chase & Co.* That settlement is, on a percentage basis, the largest recovery ever achieved in an RMBS class action. He was also a member of a team of attorneys that secured \$95 million for investors in Morgan Stanley-issued RMBS in *In re Morgan Stanley Mortgage Pass-Through Certificates Litigation*.

Alvarado was a member of a team of lawyers that obtained landmark settlements, on the eve of trial, from the major credit rating agencies and Morgan Stanley arising out of the fraudulent ratings of bonds issued by the Cheyne and Rhinebridge structured investment vehicles in *Abu Dhabi Commercial Bank v. Morgan Stanley & Co. Incorporated* and *King County, Washington v. IKB Deutsche Industriebank AG*. He was integral in obtaining several precedent-setting decisions in those cases, including defeating the rating agencies' historic First Amendment defense and defeating the ratings agencies' motions for summary judgment concerning the actionability of credit ratings. Alvarado was also a member of a team of attorneys responsible for obtaining for aggrieved investors \$27 million in *In re Cooper Companies Securities Litigation*, \$19.5 million in *City of Pontiac General Employees' Retirement System v. Lockheed Martin Corporation*, and comprehensive corporate governance reforms to address widespread off-label marketing and product safety violations in *In re Johnson & Johnson Derivative Litigation*.

He was also a key member of the litigation team in *In re Kinder Morgan, Inc. S'holders Litig.*, where he helped obtain an unprecedented \$200 million common fund for former Kinder Morgan shareholders, the largest merger & acquisition class action recovery in history.

Atwood also led the litigation team that obtained an \$89.4 million recovery for shareholders in *In re Del Monte Foods Co. The court further commented that "Lead Counsel engaged in hard-nosed discovery to penetrate and expose problems with practices that Wall Street considered 'typical." One Wall Street banker even wrote in *The Wall Street Journal* that "Everybody does it, but Barclays is the one that got caught with their hand in the cookie jar . . . Now everybody has to rethink how we conduct ourselves in financing situations." Atwood's other significant opinions include *Brown v. Brewer* (\$45 million recovery) and *In re Prime Hosp., Inc. ## Aelish M. Baig | Partner

Aelish Marie Baig is a partner in the Firm's San Francisco office. She specializes in federal securities and consumer class actions. She focuses primarily on securities fraud litigation on behalf of individual and institutional investors, including state and municipal pension funds, Taft-Hartley funds, and private retirement and investment funds. Baig has litigated a number of cases through jury trial, resulting in multi-million dollar awards and settlements for her clients, and has prosecuted securities fraud, consumer, and derivative actions obtaining millions of dollars in recoveries against corporations such as Wells Fargo, Verizon, Celera, Pall, and Prudential.

Baig, along with co-counsel and a team of Robbins Geller attorneys, is currently leading the effort on behalf of cities and counties around the country in *In re National Prescription Opiate Litigation*. Earlier this year, Baig served as co-trial counsel in a federal bench trial in San Francisco in a case that had been selected as a bellwether in the multi-district litigation. The team achieved combined settlements of nearly \$70 million for San Francisco and more than \$5 billion nationally from multiple pharmaceutical companies who were defendants in the case. The Honorable Charles R. Breyer of the Northern District of California ruled that Walgreens, the only defendant remaining in the case, was liable for its role in the opioid crisis in San Francisco. A damages trial for Walgreens will be held at a later date.

Baig has also been appointed to the Plaintiffs' Steering Committee in *In re Juul Labs, Inc., Marketing Sales Practices and Product Liability Litigation,* currently pending before the Honorable William H. Orrick in the Northern District of California. She serves on the expert and trial committees and represents, among others, one of the trial bellwethers. Baig and her team have recently completed discovery and are currently preparing for expert reports and trial. She has also been appointed by the Honorable Charles R. Breyer in the Northern District of California to the Plaintiffs' Steering Committee in *In re McKinsey & Co., Inc. National Prescription Opiate Consultant Litigation*.

Additionally, Baig prosecuted an action against Wells Fargo's directors and officers accusing the giant of engaging in the robosigning of foreclosure papers so as to mass-process home foreclosures, a practice which contributed significantly to the 2008-2009 financial crisis. The resulting settlement was worth more than \$67 million in cash, corporate preventative measures, and new lending initiatives for residents of cities devastated by Wells Fargo's alleged unlawful foreclosure practices. Baig and a team of Robbins Geller attorneys recently obtained a \$62.5 million settlement in Villella v. Chemical and Mining Company of Chile Inc., a securities class action against a Chilean mining company. The case alleged that Sociedad Química y Minera de Chile S.A. ("SQM") violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the Company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal 2014. Due to the company being based out of Chile and subject to Chilean law and rules, Baig and the Robbins Geller litigation team put together a multilingual litigation team with Chilean expertise. Baig was also part of the litigation and trial team in White v. Cellco Partnership d/b/a Verizon Wireless, which resulted in a \$25 million settlement and Verizon's agreement to an injunction restricting its ability to impose early termination fees in future subscriber agreements. She was also part of the team that prosecuted dozens of stock option backdating actions, securing tens of millions of dollars in cash recoveries as well as the implementation of comprehensive corporate governance enhancements for numerous companies victimized by their directors' and officers' fraudulent stock option backdating practices. Additionally, Baig prosecuted an action against Prudential Insurance for its alleged failure to pay life insurance benefits to beneficiaries of policyholders it knew or had reason to know had died, resulting in a settlement in excess of \$30 million.

(S.D.N.Y.), where more than \$657 million was recovered, the largest opt-out (non-class) securities action in history. ### Daniel S. Drosman | Partner

Dan Drosman is a partner in the Firm's San Diego office and a member of the Firm's Management Committee. He focuses his practice on securities fraud and other complex civil litigation and has obtained significant recoveries for investors in cases such as *Morgan Stanley*, *Cisco Systems*, *The Coca-Cola Company*, *Petco*, *PMI*, and *America West*. Drosman served as lead trial counsel in *Jaffe v. Household International* in the Northern District of Illinois, a securities class action that obtained a record-breaking \$1.575 billion settlement after 14 years of litigation, including a six-week jury trial in 2009 that resulted in a verdict for plaintiffs. Drosman also helped secure a \$388 million recovery for investors in J.P. Morgan residential mortgage-backed securities in *Fort Worth Employees' Retirement Fund v. J.P. Morgan Chase & Co.* On a percentage basis, that settlement is the largest recovery ever achieved in an RMBS class action. Drosman also served as lead counsel in *Smilovits v. First Solar, Inc.*, and obtained a \$350 million settlement on the eve of trial. The settlement is fifth-largest PSLRA settlement ever recovered in the Ninth Circuit.

Most recently, Drosman was part of the Robbins Geller litigation team in *Monroe County Employees' Retirement System v. The Southern Company* in which an \$87.5 million settlement was reached after three years of litigation. The settlement resolved claims for violations of the Securities Exchange Act of 1934 stemming from defendants' issuance of materially misleading statements and omissions regarding the status of construction of a first-of-its-kind "clean coal" power plant that was designed to transform coal into synthetic gas that could then be used to fuel the power plant. In another recent case, Drosman and the Robbins Geller litigation team obtained a \$62.5 million settlement in *Villella v. Chemical and Mining Company of Chile Inc.*, which alleged that Sociedad Química y Minera de Chile S.A. ("SQM") violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the Company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal year 2014.

In a pair of cases – Abu Dhabi Commercial Bank, et al. v. Morgan Stanley & Co. Inc. ("Cheyne" litigation) and King County, Washington, et al. v. IKB Deutsche Industriebank AG ("Rhinebridge" litigation) – Drosman led a group of attorneys prosecuting fraud claims against the credit rating agencies, where he is distinguished as one of the few plaintiffs' counsel to defeat the rating agencies' traditional First Amendment defense and their motions for summary judgment based on the mischaracterization of credit ratings as mere opinions not actionable in fraud.

Prior to joining the Firm, Drosman served as an Assistant District Attorney for the Manhattan District Attorney's Office, and an Assistant United States Attorney in the Southern District of California, where he investigated and prosecuted violations of the federal narcotics, immigration, and official corruption law.

Litig.*, which represented an outsized recovery of 93% of bond purchasers' damages and 28% of stock purchasers' damages. # Jason A. Forge | Partner

Jason Forge is a partner in the Firm's San Diego office. He specializes in complex investigations, litigation, and trials. As a federal prosecutor and private practitioner, Forge has conducted and supervised scores of jury and bench trials in federal and state courts, including the month-long trial of a defense contractor who conspired with Congressman Randy "Duke" Cunningham in the largest bribery scheme in congressional history. He recently obtained approval of a \$160 million recovery in the first successful securities fraud case against Wal-Mart Stores, Inc. in *City of Pontiac General Employees' Retirement System v. Wal-Mart Stores, Inc.* In addition, Forge was a member of the Firm's trial team in *Hsu v. Puma Biotechnology, Inc.*, a securities fraud class action that resulted in a verdict in favor of investors after a two-week jury trial.

After the trial victory over Puma Biotechnology and Alan Auerbach, Forge joined a Robbins Geller litigation team that had defeated 12 motions for summary judgment against 40 defendants and was about to depose 17 experts in the home stretch to trial. Forge and the team used these depositions to disprove a truth-on-the-market argument that nine defense experts had embraced. Soon after the last of these expert depositions, the Robbins Geller team secured a \$1.025 billion settlement from American Realty Capital Properties and other defendants that included a record \$237 million contribution from individual defendants and represented more than twice the recovery rate obtained by several funds that had opted

out of the class.

Forge was a key member of the litigation team that secured a historic recovery on behalf of Trump University students in two class actions against President Donald J. Trump. The settlement refunds over 90% of the money thousands of students paid to "enroll" in Trump University. He represented the class on a *pro bono* basis. Forge has also successfully defeated motions to dismiss and obtained class certification against several prominent defendants, including the first federal RICO case against Scotts Miracle-Gro, which recently settled for up to \$85 million. He was a member of the litigation team that obtained a \$125 million settlement in *In re LendingClub Securities Litigation*, a settlement that ranked among the top ten largest securities recoveries ever in the Northern District of California.

In a case against another prominent defendant, Pfizer Inc., Forge led an investigation that uncovered key documents that Pfizer had not produced in discovery. Although fact discovery in the case had already closed, the district judge ruled that the documents had been improperly withheld and ordered that discovery be reopened, including reopening the depositions of Pfizer's former CEO, CFO, and General Counsel. Less than six months after completing these depositions, Pfizer settled the case for \$400 million.

The case was recently settled for \$609 million.

Some of Geller's other recent noteworthy successes include the largest privacy class action settlement in history – a \$650 million recovery in a cutting-edge class action in *In re Facebook Biometric Info. # Debra J. Wyman | Partner

Debra Wyman is a partner in the Firm's San Diego office. She specializes in securities litigation and has litigated numerous cases against public companies in state and federal courts that have resulted in over \$2 billion in securities fraud recoveries. Wyman served as lead counsel in *In re Am. Realty Cap. Props., Inc. Litig.*, a case arising out of ARCP's manipulative accounting practices, and obtained a \$1.025 billion recovery. For five years, she and the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and the Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history. Most recently, Wyman was part of the litigation team in *Monroe County Employees' Retirement System v. The Southern Company* in which an \$87.5 settlement was reached after three years of litigation. The settlement resolved claims for violations of the Securities Exchange Act of 1934 stemming from defendants' issuance of materially misleading statements and omissions regarding the status of construction of a first-of-its-kind "clean coal" power plant that was designed to transform coal into synthetic gas that could then be used to fuel the power plant.

Wyman was also a member of the trial team in *Schuh v. HCA Holdings, Inc.*, which resulted in a \$215 million recovery for shareholders, the largest securities class action recovery ever in Tennessee. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action. Wyman prosecuted the complex securities and accounting fraud case *In re HealthSouth Corp. Sec. Litig.*, one of the largest and longest-running corporate frauds in history, in which \$671 million was recovered for defrauded HealthSouth investors. She was also part of the trial team that litigated *In re AT&T Corp. Sec. Litig.*, which was tried in the United States District Court, District of New Jersey, and settled after only two weeks of trial for \$100 million. Wyman was also part of the litigation team that secured a \$64 million recovery for Dana Corp. shareholders in *Plumbers & Pipefitters National Pension Fund v. Burns*, in which the Firm's Appellate Practice Group successfully appealed to the Sixth Circuit Court of Appeals twice, reversing the district court's dismissal of the action.

#### DECLARATION OF MATTHEW L TUCCILLO ESQ FILED ON BEHALF OF POMERANT LLP IN SUPPORT OF <u>APPLICATION FOR AWARD OF ATTORNEYS FEES AND EXPENSES</u>

Pursuant to 28 U.S.C. 1746, I, MATTHEW L. TUCCILLO, ES ., declare as follows:

1. I am a Partner of the firm of Pomerantz LLP ("Pomerantz"). I am a member in good standing of the Southern District of Texas. I am also a member in good standing of the Bars of the States of Connecticut and New York and the Commonwealth of Massachusetts, the United States Supreme Court, the United States Circuit Courts of Appeal for the Second and Ninth Circuits, and the United States District Courts for the District of Connecticut, the Northern District of Illinois, District of Massachusetts, and Eastern and Southern Districts of New York. I am admitted r *i e* in this matter. I am over twenty-one years of age, and I am fully competent to make this Declaration. I have personal knowledge of the facts set forth in this Declaration.

2. I am submitting this declaration in support of the application for an award of attorneys' fees and expenses / charges ("expenses") in connection with services by Pomerantz rendered in the above-captioned action (the "Litigation").

3. Pomerantz is Co-Lead Counsel of record for Co-Lead Plaintiffs the Town of Fairfield Employees' Retirement Plan, the Town of Fairfield Police and Firemen's Retirement Plan, and Wayne County Employees' Retirement System and the Settlement Class herein.

4. The information in this declaration regarding Pomerantz's time and expenses is taken from time and expense reports and supporting documentation prepared and/or maintained by Pomerantz in the ordinary course of business. I am the Partner who oversaw and/or conducted the day-to-day activities in the Litigation, and I reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries on the printouts as well as the necessity for, and reasonableness of, the time and expenses committed to the Litigation. As a result of this review, corrections were made to both time and expenses in the exercise of billing judgment. Based on this review and the adjustments made, I believe that the time reflected in Pomerantz's lodestar calculation and the expenses for which payment is sought herein are reasonable and were necessary for the effective and efficient prosecution and resolution of the Litigation.

5. After the review and corrections referred to above, the number of hours spent on the Litigation by Pomerantz excluding time spent in furtherance of this application for fees and expenses is  $\mathbf{r}$ . A breakdown of the lodestar by timekeeper is provided in the attached Exhibit A. Each timekeeper is listed by name and by title. Where a timekeeper's title changed during the course of this Litigation, the current title appears first, followed by the former title in parentheses. The aggregate lodestar amount for attorney and paraprofessional time calculated based on Pomerantz's current rates is . The hourly rates shown in Exhibit A are Pomerantz's current rates in contingent cases as set by Pomerantz for each individual timekeeper. These hourly rates are consistent with hourly rates regularly submitted by Pomerantz to state and federal courts in other securities class action litigations and accepted by those courts in granting other similar applications for fees and expenses. Pomerantz's rates are set based on periodic analysis of rates charged by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by Pomerantz, the "current rate" used for the lodestar calculation is based upon the rate for that person in his or her final year of employment with Pomerantz.

6. Pomerantz seeks an award of in expenses incurred in connection with the prosecution of the Litigation. Those expenses are summarized by category in the attached Exhibit B.

7. The following is additional information regarding certain of these expenses:

(a) Mediation: 16,525.00. These are the fees of the mediator, reg Lindstrom of Phillips ADR Enterprises, P.C., who conducted a mediation session and oversaw extensive post-mediation negotiations leading to the settlement of the Litigation.

(b) Experts/Consultants: 14,868.00. These expenses have been paid for the expert consulting services of Stanford Consulting roup, Inc., specifically achary Nye, Ph.D. Faye Fort, M.S. and their supporting analysts, provided in connection with causation and damages analyses.

(c) Investigators: 10,146.70. These expenses have been paid for the private investigation services of OnPoint Investigations, including investigators Chris Szechenyi, Lael Henterly, and Alex Ruppenthal, which was provided in connection with preliminary disclosure and damages analyses.

(d) Online Legal and Financial Research: 3,254.37. This category includes vendors such as LexisNexis, PACER, Thomson Reuters / Westlaw, and Bloomberg / BNA. These resources were used to obtain access to SEC filings, factual databases, legal research, and for court filings. This category represents the expenses incurred by Pomerantz for use of these services in connection with this Litigation. The expenses charged by these vendors vary depending upon the type of services requested. For example, Pomerantz has flat-rate contracts with some of these providers for use of their services. When Pomerantz utilizes online services provided by a vendor with a flat-rate contract, access to the service is by a billing code entered for the specific case being litigated. At the end of each billing period in which such service is used, Pomerantz's costs for such services are allocated to specific cases based on the percentage of use in connection with that specific case in the billing period. As a result of the contracts negotiated by Pomerantz with certain providers, the Class enjoys substantial savings in comparison with the "market-rate" for *r e* use of such services which some law firms pass on to their clients.

### Significant Landmarks

#### In re Petrobras Sec. Litig., No. 14-cv-9662 (S.D.N.Y. 2018)

On January 3, 2018, in a significant victory for investors, Pomerantz, as sole Lead Counsel for the class, along with Lead Plaintiff Universities Superannuation Scheme Limited ("USS"), achieved a historic \$2.95 billion settlement with Petróleo Brasileiro S.A. ("Petrobras") and its related entity, Petrobras International Finance Company, as well as certain of Petrobras' former executives and directors. On February 2, 2018, Pomerantz and USS reached a \$50 million settlement with Petrobras' auditors, PricewaterhouseCoopers Auditores Independentes, bringing the total recovery for Petrobras investors to \$3 billion.

This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

The class action, brought on behalf of all purchasers of common and preferred American Depositary Shares ("ADSs") on the New York Stock Exchange, as well as purchasers of certain Petrobras debt, principally alleged that Petrobras and its senior executives engaged in a multi-year, multi-billion-dollar money-laundering and bribery scheme, which was concealed from investors.

In addition to the multi-billion-dollar recovery for defrauded investors, Pomerantz secured precedentsetting decisions when the Second Circuit Court of Appeals squarely rejected defendants' invitation to adopt the heightened ascertainability requirement promulgated by the Third Circuit, which would have required plaintiffs to demonstrate that determining membership in a class is "administratively feasible." The Second Circuit's rejection of this standard is not only a victory for bondholders in securities class actions, but also for plaintiffs in consumer fraud class actions and other class actions where documentation regarding Class membership is not readily attainable. The Second Circuit also refused to adopt a requirement, urged by defendants, that all securities class action plaintiffs seeking class certification prove through direct evidence (i.e., an event study) that the prices of the relevant securities moved in a particular direction in response to new information.

#### Pirnik v. Fiat Chrysler Automobiles N.V. et al., No. 1:15-cv-07199-JMF (S.D.N.Y)

In August 2019, Pomerantz, as Lead Counsel, achieved final approval of a \$110 million settlement for the Class in this high-profile securities class action. Plaintiffs alleged that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with "defeat device" software designed to che at NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In addition to creating precedent-setting case law in successfully defending the various motions to dismiss the Fiat Chrysler litigation, Pomerantz also significantly advanced investors' ability to obtain critically important discovery from regulators that are often at the center of securities actions. During the litigation, Pomerantz sought the deposition of a former employee of the National Highway Traffic Safety Administration ("NHTSA"). The United States Department of Transportation ("USDOT"), like most federal agencies, has enacted a set of regulations — known as "Touhy regulations" — governing when its employees may be called by private parties to testify in court. On their face, USDOT's regulations apply to both "current" and "former" employees. In response to Pomerantz's request to depose a former employee of NHSTA that interacted with Fiat Chrysler, NHTSA denied the request, citing the Touhy regulation. Despite the widespread application, and assumed appropriateness, of applying these regulations to former employees throughout the case law, Pomerantz filed an action against USDOT and NHTSA, arguing that the statute pursuant to which the Touhy regulations were enacted speaks only of "employees," which should be interpreted to apply only to current employees. The court granted summary judgment in favor of Pomerantz's clients, holding that "USDOT's Touhy regulations are unlawful to the extent that they apply to former employees." This victory will greatly shift the discovery tools available, so that investor plaintiffs in securities class actions against highly-regulated entities (for example, companies subject to FDA regulations) will now be able to depose former employees of the regulators that interacted with the defendants during the class period to get critical testimony concerning the company's violations and misdeeds.

#### Strougo v. Barclays PLC, No. 14-cv-5797 (S.D.N.Y.)

Pomerantz, as sole Lead Counsel in this high-profile securities class action, achieved a \$27 million settlement for defrauded investors in 2019. Plaintiffs alleged that defendants concealed information and misled investors regarding its management of its "LX" dark pool, a private trading platform where the size and price of the orders are not revealed to other participants. On November 6, 2017, the Second Circuit affirmed former District Court Judge Shira S. Scheindlin's February 2, 2016, Opinion and Order granting plaintiffs' motion for class certification in the case.

The Court of Appeals in *Barclays* held that direct evidence of price impact is not always necessary to demonstrate market efficiency, as required to invoke the *Basic* presumption of reliance, and was not required here. Significantly, when handing down its decision, the Second Circuit cited its own *Petrobras* decision, stating, "We have repeatedly—and recently—declined to adopt a particular test for market efficiency." *Waggoner v. Barclays PLC*, 875 F.3d 79, 94 (2d Cir. 2017).

The court held that defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. The court further held that it would be inconsistent with *Halliburton II* to "allow [] defendants to rebut the *Basic* presumption by simply producing *some* evidence of market inefficiency, but not demonstrating its inefficiency to the district court." *Id.* at 100. The court rejected defendants' contention that Federal Rule of Evidence 301 applies, and made clear that the *Basic* presumption is a judicially-created doctrine and thus the burden of persuasion properly shifts to defendants. The court thus confirmed that plaintiffs have no burden to show price impact at the class certification stage — a significant victory for investors.

#### In re Yahoo! Inc. Sec. Litig., No. 17-cv-00373 (N.D. Cal.)

On September 10, 2018, Pomerantz, as Co-Lead Counsel, achieved final approval of a historic \$80 million settlement for the Class in this ground-breaking litigation. The complaint, filed in January 2017, alleged

that the internet giant intentionally misled investors about its cybersecurity practices in the wake of massive data breaches in 2013 and 2014 that compromised the personal information of all 3 billion Yahoo customers. Plaintiffs allege that Yahoo violated federal securities laws by failing to disclose the breaches, which caused a subsequent stock price dive. This represents the first significant settlement to date of a securities fraud class action filed in response to a data breach.

As part of due diligence, Pomerantz located critical evidence showing that Yahoo's management had concurrent knowledge of at least one of the data breaches. Importantly, these records showed that Yahoo's Board of Directors, including Defendant CEO Marissa Mayer, had knowledge of and received repeated updates regarding the breach. In its public filings, Yahoo denied that the CEO knew about the breach, and the CEO's knowledge was a key issue in the case.

After receiving Plaintiffs' opposition to the motion to dismiss, but before the federal District Court ruled on the motion, the case settled for \$80 million. This early and large settlement reflects the strength of the complaint's allegations.

#### Kaplan v. S.A.C. Capital Advisors, L.P, No. 12-cv-9350 (S.D.N.Y.)

In May 2017, Pomerantz, as Co-Lead Counsel, achieved final approval of a \$135 million recovery for the Class in this securities class action that stemmed from what has been called the most profitable insider trading scheme in U.S. history. After years of vigorous litigation, billionaire Steven A. Cohen's former hedge fund, S.A.C. Capital Advisors LP, agreed to settle the lawsuit by investors in the drug maker Elan Corp, who said they lost money because of insider trading by one of his portfolio managers.

#### In re BP p.l.c. Securities Litigation, MDL No. 2185 (S.D. Tex.)

Beginning in 2012, Pomerantz pursued ground-breaking individual lawsuits for institutional investors to recover losses in BP p.l.c.'s London-traded common stock and NYSE-traded American Depository Shares (ADSs) arising from its 2010 Gulf of Mexico oil spill. Over nine years, Pomerantz briefed and argued every significant dispute on behalf of 125+ institutional plaintiffs, successfully opposed three motions to dismiss, won other contested motions, oversaw e-discovery of 1.75 million party and non-party documents, led the Individual Action Plaintiffs Steering Committee, served as sole Liaison with BP and the Court, and worked tirelessly with our clients' outside investment management firms to develop crucial case evidence.

A threshold challenge was how to litigate in U.S. court given the U.S. Supreme Court's decision in *Morrison v. National Australia Bank*, 130 S. Ct. 2869 (2010), which barred recovery for losses in foreign-traded securities under the U.S. federal securities laws. In 2013 and 2014, Pomerantz won significant victories in defeating BP's *forum non conveniens* arguments, which sought to force dismissal of the English common law claims from U.S. courts for refiling in English courts, first as regards U.S. institutions and, later, foreign institutions. Pomerantz also defeated BP's attempt to extend the U.S. federal Securities Litigation Uniform Standards Act of 1998 to reach, and dismiss, these foreign law claims in deference to non-existent remedies under the U.S. federal securities laws. These rulings paved the way for 125+ global institutional investors to pursue their claims and marked the first time, post-*Morrison*, that U.S. and foreign investors, pursuing foreign claims seeking recovery for losses in a foreign company's foreign-traded securities, did so in a U.S. court. In 2017, Pomerantz earned an important victory that expanded investor rights under English law, permitting certain BP investors to pursue a

"holder claim" theory seeking to recover losses in securities held, rather than purchased anew, in reliance on the alleged fraud - a theory barred under the U.S. federal securities laws since *Blue Chip Stamps v. Manor Drug Stores*, 421 U.S. 723 (1975). This win was significant, given the dearth of precedent from anywhere recognizing the viability of a "holder claim" under any non-U.S. law and holding that a given plaintiff alleged facts sufficiently evidencing reliance and documenting the resulting retention of an identifiable amount of shares on a date certain.

In Q1 2021, Pomerantz secured confidential, favorable monetary settlements from BP for our nearly three dozen clients, including public and private pension funds, money management firms, partnerships, and investment trusts from the U.S., Canada, the U.K., France, the Netherlands, and Australia.

#### In re Comverse Technology, Inc. Sec. Litig., No. 06-CV-1825 (E.D.N.Y.)

In June 2010, Judge Nicholas G. Garaufis of the U.S. District Court for the Eastern District of New York granted final approval of a \$225 million settlement proposed by Pomerantz and Lead Plaintiff the Menora Group, with Comverse Technology and certain of Comverse's former officers and directors, after four years of highly contested litigation. The *Comverse* settlement is one of the largest securities class action settlements reached since the passage of the Private Securities Litigation Reform Act ("PSLRA").<sup>1</sup> It is the second-largest recovery in a securities litigation involving the backdating of options, as well as one of the largest recoveries – \$60 million – from an individual officer-defendant, Comverse's founder and former CEO, Kobi Alexander.

#### Other significant settlements

Even before the enactment of the PSLRA, Pomerantz represented state agencies in securities class actions, including the Treasurer of the Commonwealth of Pennsylvania (recovered \$100 million) against a major investment bank. *In re Salomon Brothers Treasury Litig.*, No. 91-cv-5471 (S.D.N.Y.).

Pomerantz recovered \$50 million for the Treasurer of the State of New Jersey and several New Jersey pension funds in an individual action. This was a substantially higher recovery than what our clients would have obtained had they remained in a related federal class action. *Treasurer of State of New Jersey v. AOL Time Warner, Inc.* (N.J. Super. Ct. Law Div., Mercer Cty.).

Pomerantz has litigated numerous cases for the Louisiana School Employees' Retirement System. For example, as Lead Counsel, Pomerantz recovered \$74.75 million in a securities fraud class action against Citigroup, its CEO Sanford Weill, and its now infamous telecommunications analyst Jack Grubman. *In re Salomon Analyst AT&T Litig.*, No. 02-cv-6801 (S.D.N.Y.) Also, the Firm played a major role in a complex antitrust and securities class action which settled for over \$1 billion. *In re NASDAQ Market-Makers Antitrust Litig.*, MDL No. 1023 (S.D.N.Y.). Pomerantz was a member of the Executive Committee in *In re Transkaryotic Therapies, Inc. Securities Litigation*, C.A. No. 03-10165 (D. Mass.), helping to win a \$50 million settlement for the class.

In 2008, together with Co-Counsel, Pomerantz identified a substantial opportunity for recovery of losses in Countrywide mortgage-backed securities ("MBS") for three large New Mexico funds (New Mexico State Investment Council, New Mexico Public Employees' Retirement Association, and New Mexico

<sup>&</sup>lt;sup>1</sup> Institutional Shareholder Services, SCAS Top 100 Settlements Quarterly Report (Sept. 30, 2010).

Educational Retirement Board), which had been overlooked by all of the firms then in their securities litigation pool. We then filed the first non-class lawsuit by a public institution with respect to Countrywide MBS. *See N.M. State Inv. Council v. Countrywide Fin. Corp.,* No. D-0101-CV-2008-02289 (N.M. 1st Dist. Ct.). In Fall 2010, we negotiated for our clients an extremely favorable but confidential settlement.

Over its long history, Pomerantz has achieved significant settlements in numerous cases, a sampling of which is listed below:

- In re Petrobras Sec. Litig., No. 14-cv-9662 (S.D.N.Y. 2018)

- In re Telerate, Inc. S'holders Litig., C.A. No. 1115 (Del. Ch. 1989) \$95 million benefit in case alleging violation of fiduciary duty under state law.

Pomerantz has also obtained stellar results for private institutions and Taft-Hartley funds. Below are a few examples:

- In re Charter Commc'ns, Inc. Sec. Litig., No. 02-cv-1186 (E.D. Mo. 2005) (sole Lead Counsel for Lead Plaintiff StoneRidge Investment Partners LLC); \$146.25 million class settlement, where Charter also agreed to enact substantive improvements in corporate governance.
- In re Am. Italian Pasta Sec. Litig., No. 05-cv-865 (W.D. Mo. 2008) (sole Lead Counsel for Lead Plaintiff Ironworkers Locals 40, 361 and 417; \$28.5 million aggregate settlements).
- Richardson v. Gray, No. 116880/1995 (N.Y. Sup. Ct. N.Y. Cty. 1999); and In re Summit Metals, No. 98-2870 (Bankr. D. Del. 2004) (two derivative actions where the Firm represented C.C. Partners Ltd. and obtained judgment of contempt against controlling shareholder for having made "extraordinary" payments to himself in violation of a preliminary injunction; persuaded the court to jail him for two years upon his refusal to pay; and, in a related action, won a \$43 million judgment after trial and obtained turnover of stock of two companies).

### Shaping the Law

Not only has Pomerantz established a long track record of obtaining substantial monetary recoveries for our clients; whenever appropriate, we also pursue corporate governance reforms on their be half. In *In re Chesapeake Shareholders Derivative Litig*ation, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. 2011), for example, the Firm served as Co-Lead Counsel, representing a public pension client in a derivative case arising from an excessive compensation package granted to Chesapeake's CEO and founder. This was a derivative action, not a class action. Yet it is illustrative of the results that can be obtained by an institutional investor in the corporate governance arena. There we obtained a settlement which called for the repayment of \$12.1 million and other consideration by the CEO. The Wall Street Journal (Nov. 3, 2011) characterized the settlement as "a rare concession for the 52-year old executive, who has run the company largely by his own rules since he co-founded it in 1989." The settlement also included comprehensive corporate governance reforms.

The Firm has won many landmark decisions that have enhanced shareholders' rights and improved corporate governance. These include decisions that established that:

- defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);
- plaintiffs have no burden to show price impact at the class certification stage. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);
- the ascertainability doctrine requires only that a class be defined using objective criteria that establish a membership with definite boundaries. *Universities Superannuation Scheme Ltd. v. Petróleo Brasileiro S.A. Petrobras*, 862 F.3d 250 (2d Cir. 2017);
- companies cannot adopt bylaws to regulate the rights of former stockholders. *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015);
- a temporary rise in share price above its purchase price in the aftermath of a corrective disclosure does not eviscerate an investor's claim for damages. *Acticon AG v. China Ne. Petroleum Holdings Ltd.*, 692 F.3d 34 (2d Cir. 2012);
- an MBS holder may bring claims if the MBS price declines even if all payments of principal and interest have been made. Transcript of Proceedings, *N.M. State Inv. Council v. Countrywide Fin. Corp.,* No. D-0101-CV-2008-02289 (N.M. 1st Dist. Ct. Mar. 25, 2009);

- when a court selects a Lead Plaintiff under the Private Securities Litigation Reform Act ("PSLRA"), the standard for calculating the "largest financial interest" must take into account sales as well as purchases. *In re Comverse Tech., Inc. Sec. Litig.,* No. 06-cv-1825, 2007 U.S. Dist. LEXIS 14878 (E.D.N.Y. Mar. 2, 2007);
- a managing underwriter can owe fiduciary duties of loyalty and care to an issuer in connection with a public offering of the issuer stock, even in the absence of any contractual agreement. Professor John C. Coffee, a renowned Columbia University securities law professor, commenting on the ruling, stated: "It's going to change the practice of all underwriting." *EBC I, Inc. v. Goldman Sachs & Co.*, 5 N.Y. 3d 11 (2005);
- purchasers of options have standing to sue under federal securities laws. *In re Green Tree Fin. Corp. Options Litig.*, No. 97-2679, 2002 U.S. Dist. LEXIS 13986 (D. Minn. July 29, 2002);

- a company may have the obligation to disclose to shareholders its Board's consideration of important corporate transactions, such as the possibility of a spin-off, even before any final decision has been made. *Kronfeld v. Trans World Airlines, Inc.*, 832 F.2d 726 (2d Cir. 1987);
- specific standards for assessing whether mutual fund advisors breach fiduciary duties by charging excessive fees. *Gartenberg v. Merrill Lynch Asset Mgmt., Inc.*, 740 F.2d 190 (2d Cir. 1984);
- investment advisors to mutual funds are fiduciaries who cannot sell their trustee positions for a profit. *Rosenfeld v. Black*, 445 F.2d 1337 (2d Cir. 1971); and
- management directors of mutual funds have a duty to make full disclosure to outside directors "in every area where there was even a possible conflict of interest." *Moses v. Burgin*, 445 F.2d 369 (1st Cir. 1971).

## **Comments from the Courts**

Throughout its history, courts time and again have acknowledged the Firm's ability to vigorously pursue and successfully litigate actions on behalf of investors.

U.S. District Judge Noel L. Hillman, in approving the *In re Toronto-Dominion Bank Securities Litigation* settlement in October 2019, stated:

I commend counsel on both sides for their hard work, their very comprehensive and thoughtful submissions during the motion practice aspect of this case. ... It's clear to me that this was comprehensive, extensive, thoughtful, meaningful litigation leading up to the settlement. ... This settlement appears to have been obtained through the hard work of the Pomerantz firm. ... It was through their efforts and not piggybacking on any other work that resulted in this settlement.

In approving the settlement in *Strougo v. Barclays PLC* in June 2019, Judge Victor Marrero of the Southern District of New York wrote:

Let me thank counsel on both sides for the extraordinary work both sides did in bringing this matter to a reasonable conclusion. As the parties have indicated, the matter was intensely litigated, but it was done in the most extraordinary fashion with cooperation, collaboration, and high levels of professionalism on both sides, so I thank you.

In approving the \$3 billion settlement in *In re Petrobras Securities Litigation* in June 2018, Judge Jed S. Rakoff of the Southern District of New York wrote:

[T]he Court finds that Class Counsel's performance was in many respects exceptional, with the result that, as noted, the class is poised to enjoy a substantially larger per share recovery [65%] than the recovery enjoyed by numerous large and sophisticated plaintiffs who separately settled their claims.

At the hearing for preliminary approval of the settlement in *In re Petrobras Securities Litigation* in February 2018, Judge Rakoff stated:

[T]he lawyers in this case [are] some of the best lawyers in the United States, if not in the world.

Two years earlier, in certifying two Classes in *In re Petrobras Securities Litigation* in February 2016, Judge Rakoff wrote:

[O]n the basis not only of USS's counsel's prior experience but also the Court's observation of its advocacy over the many months since it was appointed Lead Counsel, the Court concludes that Pomerantz, the proposed class counsel, is "qualified, experienced and able to conduct the litigation." ... [T]he Pomerantz firm has both the skill and resources to represent the Classes adequately.

In approving the settlement in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880, 2016 U.S. Dist. LEXIS 144133 (S.D. Fla. Oct. 14, 2016) Judge Ursula Ungaro wrote:

Class Counsel has developed a reputation for zealous advocacy in securities class actions. ... The settlement amount of \$24 million is an outstanding result.

At the May 2015 hearing wherein the court approved the settlement in *Courtney v. Avid Technology, Inc.*, No. 13-cv-10686 (D. Mass. May 12, 2015), following oral argument by Jeremy A. Lieberman, Judge William G. Young stated:

This has been very well litigated. It is always a privilege. I don't just say that as a matter of form. And I thank you for the vigorous litigation that I've been permitted to be a part of. [Tr. at 8-9.]

At the January 2012 hearing wherein the court approved the settlement in *In re Chesapeake Energy Corp. Shareholder Derivative Litigation*, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. Jan. 30, 2012), following oral argument by Marc I. Gross, Judge Daniel L. Owens stated:

Counsel, it's a pleasure, and I mean this and rarely say it. I think I've said it two times in 25 years. It is an extreme pleasure to deal with counsel of such caliber. [Tr. at 48.])

In approving the \$225 million settlement in *In re Comverse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.) in June 2010, Judge Nicholas G. Garaufis stated:

As outlined above, the recovery in this case is one of the highest ever achieved in this type of securities action. ... The court also notes that, throughout this litigation, it has been impressed by Lead Counsel's acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation.

In approving a \$146.25 million settlement in *In re Charter Communications Securities Litigation*, No. 02-CV-1186, 2005 U.S. Dist. LEXIS 14772 (E.D. Mo. June 30, 2005), in which Pomerantz served as sole Lead Counsel, Judge Charles A. Shaw praised the Firm's efforts, citing "the vigor with which Lead Counsel ... investigated claims, briefed the motions to dismiss, and negotiated the settlement." He further stated:

This Court believes Lead Plaintiff achieved an excellent result in a complex action, where the risk of obtaining a significantly smaller recovery, if any, was substantial.

In approving a \$24 million settlement in *In re Force Protection, Inc.,* No. 08 CV 845 (D.S.C. 2011), Judge C. Weston Houk described the Firm as "attorneys of great ability and great reputation" and commended the Firm for having "done an excellent job."

In certifying a class in a securities fraud action against analysts in *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Judge Gerard D. Lynch stated that Pomerantz had "ably and zealously represented the interests of the class."

Numerous courts have made similar comments:

- Appointing Pomerantz Lead Counsel in American Italian Pasta Co. Securities Litigation, No 05-CV-0725 (W.D. Mo.), a class action that involved a massive fraud and restatements spanning several years, the District Court observed that the Firm "has significant experience (and has been extremely effective) litigating securities class actions, employs highly qualified attorneys, and possesses ample resources to effectively manage the class litigation and protect the class's interests."
- In approving the settlement in *In re Wiring Devices Antitrust Litigation*, MDL No. 331 (E.D.N.Y. Sept. 9, 1980), Chief Judge Jack B. Weinstein stated that "Counsel for the plaintiffs I think did an excellent job. ... They are outstanding and skillful. The litigation was and is extremely complex. They assumed a great deal of responsibility. They recovered a very large amount given the possibility of no recovery here which was in my opinion substantial."
- In *Snyder v. Nationwide Insurance Co.*, No. 97/0633, (N.Y. Supreme Court, Onondaga Cty.), a case where Pomerantz served as Co-Lead Counsel, Judge Tormey stated, "It was a pleasure to work with you. This is a good result. You've got some great attorneys working on it."
- In *Steinberg v. Nationwide Mutual Insurance Co.* (E.D.N.Y. 2004), Judge Spatt, granting class certification and appointing the Firm as class counsel, observed: "The Pomerantz firm has a strong reputation as class counsel and has demonstrated its competence to serve as class counsel in this motion for class certification." (224 F.R.D. 67, 766.)
- In *Mercury Savings & Loan*, No. 90-cv-00087 LHM (C.D. Cal. 1993), Judge McLaughlin commended the Firm for the "absolutely extraordinary job in this litigation."

- In Boardwalk Marketplace Securities Litigation, MDL No. 712 (D. Conn.), Judge Eginton described the Firm's services as "exemplary," praised it for its "usual fine job of lawyering ...[in] an extremely complex matter," and concluded that the case was "very well-handled and managed." (Tr. at 6, 5/20/92; Tr. at 10, 10/10/92.)
- In *Nodar v. Weksel*, No. 84 Civ. 3870 (S.D.N.Y.), Judge Broderick acknowledged "that the services rendered [by Pomerantz] were excellent services from the point of view of the class represented, [and] the result was an excellent result." (Tr. at 21-22, 12/27/90.)
- In *Klein v. A.G. Becker Paribas, Inc.*, No. 83 Civ. 6456 (S.D.N.Y.), Judge Goettel complimented the Firm for providing "excellent ...absolutely top-drawer representation for the class, particularly in light of the vigorous defense offered by the defense firm." (Tr. at 22, 3/6/87.)
- In *Digital Securities Litigation*, No. 83-3255 (D. Mass.), Judge Young lauded the Firm for its "[v]ery fine lawyering." (Tr. at 13, 9/18/86.)
- In Shelter Realty Corp. v. Allied Maintenance Corp., 75 F.R.D. 34, 40 (S.D.N.Y. 1977), Judge Frankel, referring to Pomerantz, said: "Their experience in handling class actions of this nature is known to the court and certainly puts to rest any doubt that the absent class members will receive the quality of representation to which they are entitled."
- In *Rauch v. Bilzerian*, No. 88 Civ. 15624 (N.J. Sup. Ct.), the court, after trial, referred to Pomerantz partners as "exceptionally competent counsel," and as having provided "top drawer, topflight [representation], certainly as good as I've seen in my stay on this court."

# **Corporate Governance Litigation**

Pomerantz is committed to ensuring that companies adhere to responsible business practices and practice good corporate citizenship. We strongly support policies and procedures designed to give shareholders the ability to oversee the activities of a corporation. We vigorously pursue corporate governance reform, particularly in the area of excess compensation, where it can address the growing disparity between the salaries of executives and the workers of major corporations. We have successfully utilized litigation to bring about corporate governance reform in numerous cases, and always consider whether such reforms are appropriate before any case is settled.

Pomerantz's Corporate Governance Practice Group, led by Partner Gustavo F. Bruckner, enforces shareholder rights and prosecutes actions challenging corporate transactions that arise from an unfair process or result in an unfair price for shareholders.

In September 2017, New Jersey Superior Court Judge Julio Mendez, of Cape May County Chancery Division, approved Pomerantz's settlement in a litigation against Ocean Shore Holding Co. The settlement provided non-pecuniary benefits for a non-opt out class. In so doing, Judge Mendez be came the first New Jersey state court judge to formally adopt the Third Circuit's nine-part *Girsh* factors, *Girsh v. Jepson*, 521 F.2d 153 (3d Cir. 1975). There has never before been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate. After conducting an analysis of each of the nine *Girsh* factors and holding that "class actions settlements involving non-monetary benefits to the class are subject to more exacting scrutiny," Judge Mendez held that the proposed settlement provided a material benefit to the shareholders.

In February 2018, the Maryland Circuit Court, Montgomery County, approved a \$17.5 million settlement that plaintiffs achieved as additional consideration on behalf of a class of shareholders of American Capital, Ltd. *In re Am. Capital, Ltd. S'holder Litig.*, C.A. No. 422598-V (2018). The settlement resolved Plaintiffs' claims regarding a forced sale of American Capital.

Pomerantz filed an action challenging the sale of American Capital, a Delaware corporation with its headquarters in Maryland. Among other things, American Capital's board of directors (the "Board") agreed to sell the company at a price below what two other bidders were willing to offer. Worse, the merger price was even below the amount that shareholders would have received in the company's planned phased liquidation, which the company was considering under pressure from Elliott Management, an activist hedge fund and holder of approximate 15% of American Capital stock. Elliott was not originally named as a defendant, but after initial discovery showed the extent of its involvement in the Board's breaches of fiduciary duty, Elliott was added as a defendant in an amended complaint under the theory that Elliott exercised actual control over the Board's decision-making. Elliott moved to dismiss on jurisdictional grounds and additionally challenged its alleged status as a controller of American Capital. In June 2017, minutes before the hearing on defendants' motion to dismiss, a partial settlement was entered into with the members of the Board for \$11.5 million. The motion to dismiss hearing proceeded despite the partial settlement, but only as to Elliott. In July 2017, the court denied the motion to dismiss, finding that Elliott, "by virtue solely of its own conduct, ... has easily satisfied the transacting business prong of the Maryland long arm statute." The court also found that the "amended complaint in this case sufficiently pleads that Elliott was a controller with respect to" the sale, thus implicating a higher standard of review. Elliott subsequently settled the remaining claims for an additional \$6 million. Pomerantz served as Co-Lead Counsel.

In May 2017, the Circuit Court of the State of Oregon approved the settlement achieved by Pomerantz and co-counsel of a derivative action brought by two shareholders of Lithia Motors, Inc. The lawsuit alleged breach of fiduciary duties by the board of directors in approving, without any meaningful review, the Transition Agreement between Lithia Motors and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, Bryan DeBoer, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

The *Lithia* settlement extracted corporate governance therapeutics that provide substantial benefits to Lithia and its shareholders and redress the wrongdoing alleged by plaintiffs. The board will now be required to have at least five independent directors -- as defined under the New York Stock Exchange rules -- by 2020; a number of other new protocols will be in place to prevent self-dealing by board members. Further, the settlement calls for the Transition Agreement to be reviewed by an independent auditor who will determine whether the annual payments of \$1,060,000 for life to Sidney DeBoer are reasonable. Lithia has agreed to accept whatever decision the auditor makes.

In January 2017, the Group received approval of the Delaware Chancery Court for a \$5.6 million settlement it achieved on behalf of a class of shareholders of Physicians Formula Holdings Inc. over an ignored merger offer in 2012. *In re Physicians Formula Holdings Inc.*, C.A. No. 7794-VCL (Del. Ch.).

The Group obtained a landmark ruling in *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch.), that feeshifting bylaws adopted after a challenged transaction do not apply to shareholders affected by the transaction. They were also able to obtain a *25% price increase* for members of the class cashed out in the going private transaction.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Super. Ct.), the Group caused Implant Sciences to hold its first shareholder annual meeting in five years and put an important compensation grant up for a shareholder vote.

In *Smollar v. Potarazu*, C.A. No. 10287-VCN (Del. Ch.), the Group pursued a derivative action to bring about the appointment of two independent members to the board of directors, retention of an independent auditor, dissemination of financials to shareholders and the holding of first ever in - person annual meeting, among other corporate therapeutics.

In Hallandale Beach Police Officers & Firefighters' Personnel Retirement Fund vs. Lululemon athletica, *Inc.*, C.A. No. 8522-VCP (Del. Ch.), in an issue of first impression in Delaware, the Chancery Court ordered the production of the chairman's 10b5-1 stock trading plan. The court found that a stock trading plan established by the company's chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman's stock in the company, did not preclude potential liability for insider trading.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct.), the Group caused the Merger Agreement to be amended to provide a "majority of the minority" provision for the holders of North State Bancorp's common stock in connection with the shareholder vote on the merger. As a result of the Action, common shareholders could stop the merger if they did not wish it to go forward.

Pomerantz's commitment to advancing sound corporate governance principles is further demonstrated by the more than 26 years that we have co-sponsored the Abraham L. Pomerantz Lecture Series with Brooklyn Law School. These lectures focus on critical and emerging issues concerning shareholder rights and corporate governance and bring together top academics and litigators.

Our bi-monthly newsletter, *The Pomerantz Monitor*, provides institutional investors updates and insights on current issues in corporate governance.

# **Strategic Consumer Litigation**

Pomerantz's Strategic Consumer Litigation practice group, led by Partner Jordan Lurie, represents consumers in actions that seek to recover monetary and injunctive relief on behalf of class members while also advocating for important consumer rights. The attorneys in this group have successfully prosecuted claims involving California's Unfair Competition Law, California's Consumers Legal Remedies Act, the Song Beverly Consumer Warranty Act and the Song Beverly Credit Card Act. They have resolved data breach privacy cases and cases involving unlawful recording, illegal background checks, unfair business practices, misleading advertising, and other consumer finance related actions. All of these actions also have resulted in significant changes to defendants' business practices.

Pomerantz currently represents consumers in a nationwide class action against Facebook for mistargeting ads. Plaintiff alleges that Facebook programmatically displays a material percentage of ads to users outside the defined target market and displays ads to "serial Likers" outside the defined target audience in order to boost Facebook's revenue. *IntegrityMessageBoards.com v. Facebook, Inc. (N.D. Cal.) Case No. 4:18 -cv-05286 PJH*.

Pomerantz has pioneered litigation to establish claims for public injunctive relief under California's unfair business practices statute. For example, Pomerantz has filed cases seeking to prevent major auto manufacturers from unauthorized access to, and use of, drivers' vehicle data without compensation, and seeking to require the auto companies to share diagnostic data extracted from drivers' vehicles. The Strategic Consumer Litigation practice group also is prosecuting class cases against auto manufacturers for failing to properly identify high-priced parts that must be covered in California under extended emissions warranties.

Other consumer matters handled by Pomerantz's Strategic Consumer Litigation practice group include actions involving cryptocurrency, medical billing, price fixing, and false advertising of various consumer products and services.

# **Antitrust Litigation**

Pomerantz has earned a reputation for prosecuting complex antitrust and consumer class actions with vigor, innovation, and success. Pomerantz's Antitrust and Consumer Group has recovered billions of dollars for the Firm's business and individual clients and the classes that they represent. Time and again, Pomerantz has protected our free-market system from anticompetitive conduct such as price fixing, monopolization, exclusive territorial division, pernicious pharmaceutical conduct, and false advertising. Pomerantz's advocacy has spanned across diverse product markets, exhibiting the Antitrust and Consumer Group's versatility to prosecute class actions on any terrain.

Pomerantz has served and is currently serving in leadership or Co-Leadership roles in several high-profile multi-district litigation class actions. In December 2018, the Firm achieved a \$31 billion partial settlement with three defendants on behalf of a class of U.S. lending institutions that originated, purchased or held loans paying interest rates tied to the U.S. Dollar London Interbank Offered Rate (USD LIBOR). It is alleged that the class suffered damages as a result of collusive manipulation by the LIBOR contributor panel banks that artificially suppressed the USD LIBOR rate during the class period, causing the class members to receive lower interest payments than they would have otherwise received. *In re Libor Based Financial Instruments Antitrust Litig.*, 1:11-md-2262.

Pomerantz represented baseball and hockey fans in a game-changing antitrust class action against Major League Baseball and the National Hockey League, challenging the exclusive territorial division of live television broadcasts, internet streaming, and the resulting geographic blackouts. *See Laumann v. NHL* and *Garber v. MLB* (S.D.N.Y. 2012).

Pomerantz has spearheaded the effort to challenge harmful anticompetitive conduct by pharmaceutical companies—including Pay-for-Delay Agreements—that artificially inflates the price of prescription drugs by keeping generic versions off the market.

Even prior to the 2013 precedential U.S. Supreme Court decision in *Actavis*, Pomerantz litigated and successfully settled the following generic-drug-delay cases:

- In re Flonase Antitrust Litig. (E.D. Pa. 2008) (\$35 million);
- In re Toprol XL Antitrust Litig. (D. Del. 2006) (\$11 million); and
- In re Wellbutrin SR Antitrust Litig. (E.D. Pa. 2004) (\$21.5 million).

Other exemplary victories include Pomerantz's prominent role in *In re NASDAQ Market-Makers Antitrust Litigation* (S.D.N.Y.), which resulted in a settlement in excess of \$1 billion for class members, one of the largest antitrust settlements in history. Pomerantz also played prominent roles in *In re Sorbates Direct Purchaser Antitrust Litigation* (N.D. Cal.), which resulted in over an \$82 million recovery, and in *In re Methionine Antitrust Litigation* (N.D. Cal.), which resulted in a \$107 million recovery. These cases illustrate the resources, expertise, and commitment that Pomerantz's Antitrust Group devotes to prosecuting some of the most egregious anticompetitive conduct.

#### Jeremy A. Lieberman

Jeremy A. Lieberman is Pomerantz's Managing Partner. He became associated with the Firm in August 2004 and was elevated to Partner in January 2010. The Legal 500, in honoring Jeremy as a Leading Lawyer and Pomerantz as a 2021 Tier 1 Plaintiffs Securities Law Firm, stated that "Jeremy Lieberman is super impressive – a formidable adversary for any defense firm." Among the client testimonials posted on The Legal 500's website: "Jeremy Lieberman led the case for us with remarkable and unrelenting energy and aggression. He made a number of excellent strategic decisions which boosted our recovery." Lawdragon named Jeremy among the 2021 Leading 500 Lawyers in the United States. Super Lawyers<sup>®</sup> named him among the Top 100 Lawyers in the New York Metro area in 2021. In 2020, Jeremy won a Distinguished Leader award from the *New York Law Journal*. He was honored as Benchmark Litigation's 2019 Plaintiff Attorney of the Year. In 2018, Jeremy was honored as a Titan of the Plaintiffs Bar by Law360 and as a Benchmark Litigation Star. The Pomerantz team that Jeremy leads was named a 2018 Securities Practice Group of the Year.

Jeremy led the securities class action litigation *In re Petrobras Securities Litigation*, which arose from a multi-billion-dollar kickback and bribery scheme involving Brazil's largest oil company, Petróleo Brasileiro S.A. – Petrobras, in which Pomerantz was sole Lead Counsel. The biggest instance of corruption in the history of Brazil ensnared not only Petrobras' former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. In January and February 2018, Jeremy achieved a historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement in history not involving a restatement of financial reports.

Jeremy also secured a significant victory for Petrobras investors at the Second Circuit Court of Appeals, when the court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by the Third Circuit Courts of Appeals. The ruling will have a positive impact on plaintiffs in securities fraud litigation. Indeed, the *Petrobras* litigation was honored in 2019 as a National Impact Case by Benchmark Litigation.

Jeremy was Lead Counsel in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y), in which the Firm achieved a \$110 million settlement for the class. Plaintiff alleged that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with "defeat device" software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provided the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In November 2019, Jeremy achieved a critical victory for investors in the securities fraud class action against Perrigo Co. plc when Judge Arleo of the United States District Court for the District of New Jersey certified classes of investors that purchased Perrigo securities on both the New York Stock Exchange and the Tel Aviv Stock Exchange. Pomerantz represents a number of institutional investors that purchased Perrigo securities on both exchanges after an offer by Mylan N.V. to tender Perrigo shares. This is the first time since *Morrison* that a U.S. court has independently analyzed the market of a security traded on a non-U.S. exchange, and found that it met the standards of market efficiency necessary allow for class certification.

Jeremy heads the Firm's individual action against pharmaceutical giant Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. (together, "Teva"), and certain of Teva's current and former employees and officers, relating to alleged anticompetitive practices in Teva's sales of generic drugs. Teva is a dual-listed company, and the Firm represents several Israeli institutional investors who purchased Teva shares on the Tel Aviv Stock Exchange. In early 2021, Pomerantz achieved a major victory for global investors when the district court agreed to exercise supplemental jurisdiction over the Israeli law claims. *Clal Insurance Company Ltd. v. Teva Pharmaceutical Industries Ltd.* 

In 2019, Jeremy achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investors about the manipulation of the banking giant's so-called "dark pool" trading systems in order to provide a trading advantage to high-frequency traders over its institutional investor clients. This case turned on the duty of integrity owed by Barclays to its clients. In November 2017, Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the evidence rather than merely meeting a burden of production.

Jeremy led the Firm's securities class action litigation against Yahoo! Inc., in which Pomerantz, as Lead Counsel, achieved an \$80 million settlement for the Class in 2018. The case involved the biggest data breaches in U.S. history, in which over 3 billion Yahoo accounts were compromised. This was the first significant settlement to date of a securities fraud class action filed in response to a data breach.

In 2018 Jeremy achieved a \$3,300,000 settlement for the Class in the Firm's securities class action against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.* (C.D. Cal.).

Jeremy led the Firm's litigation team that in 2018 secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely watched multi-district litigation, which concerns the London Interbank Offered Rate (LIBOR) rigging scandal.

In *In re China North East Petroleum Corp. Securities Litigation*, Jeremy achieved a significant victory for shareholders in the United States Court of Appeals for the Second Circuit, whereby the Appeals Court ruled that a temporary rise in share price above its purchase price in the aftermath of a corrective disclosure did not eviscerate an investor's claim for damages. The Second Circuit's decision was deemed "precedential" by the *New York Law Journal* and provides critical guidance for assessing damages in a § 10(b) action.

Jeremy had an integral role in *In re Comverse Technology, Inc. Securities Litigation*, in which he and his partners achieved a historic \$225 million settlement on behalf of the Class, which was the second-largest options backdating settlement to date.

Jeremy regularly consults with Pomerantz's international institutional clients, including pension funds, regarding their rights under the U.S. securities laws. Jeremy is working with the Firm's international clients to craft a response to the Supreme Court's ruling in *Morrison v. National Australia Bank, Ltd.*, which limited the ability of foreign investors to seek redress under the federal securities laws.

Jeremy is a frequent lecturer worldwide regarding current corporate governance and securities litigation issues.

Jeremy graduated from Fordham University School of Law in 2002. While in law school, he served as a staff member of the *Fordham Urban Law Journal*. Upon graduation, he began his career at a major New York law firm as a litigation associate, where he specialized in complex commercial litigation.

Jeremy is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York, the Southern District of Texas, the District of Colorado, the Eastern District of Michigan, the Eastern District of Wisconsin, and the Northern District of Illinois; the United States Courts of Appeals for the First, Second, Third, Fourth, Fifth, Sixth, Ninth, and Tenth Circuits; and the United States Supreme Court.

### Gustavo F. Bruckner

Gustavo F. Bruckner heads Pomerantz's Corporate Governance practice group, which enforces shareholder rights and prosecutes litigation challenging corporate actions that harm shareholders. Under Gustavo's leadership, the Corporate Governance group has achieved numerous noteworthy litigation successes. He has been quoted on corporate governance issues by *The New York Times, The* 

*Wall Street Journal, Bloomberg, Law360,* and *Reuters,* and was honored from 2016 through 2021 by Super Lawyers<sup>®</sup> as a "Top-Rated Securities Litigation Attorney," a recognition bestowed on no more than 5% of eligible attorneys in the New York Metro area. Gustavo regularly appears in state and federal courts across the nation. Gustavo presented at the prestigious Institute for Law and Economic Policy conference.

Gustavo is a fierce advocate of aggressive corporate clawback policies that allow companies to recover damages from officers and directors for reputational and financial harm. Most recently, in *McIntosh vs Keizer, et al.*, Docket No. 2018-0386 (Del. Ch.), Pomerantz filed a derivative suit on behalf of Hertz Global Holdings, Inc. shareholders, seeking to compel the Hertz board of directors to claw back millions of dollars in unearned and undeserved payments that the Company made to former officers and directors who significantly damaged Hertz through years of wrongdoing and misconduct. Under pressure from plaintiff's ligation efforts, the Hertz board of directed elected to take unprecedented action and mooted plaintiff's claims, initiating litigation to recover tens of millions of dollars in incentive compensation and more than \$200 million in damages from culpable former Hertz executives.

Pomerantz through initiation and prosecution of a shareholder derivative action, forced the Hertz board to seek clawback from former officers and directors of the company, unjustly enriched after causing the Company to file inaccurate and false financial statements leading to a \$235 million restatement and \$16 million fee to the SEC.

In September 2017, Gustavo's Corporate Governance team achieved a settlement in New Jersey Superior Court that provided non-pecuniary benefits for a non-opt out class. In approving the settlement, Judge Julio Mendez, of Cape May County Chancery Division, became the first New Jersey state court judge to formally adopt the Third Circuit's nine-part *Girsh* factors, *Girsh* v. *Jepson*, 521 F.2d 153 (3d Cir. 1975). Never before has there been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate.

Gustavo successfully argued *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015), obtaining a landmark ruling in Delaware that bylaws adopted after shareholders are cashed out do not apply to shareholders affected by the transaction. In the process, Gustavo and the Corporate Governance team beat back a fee-shifting bylaw and were able to obtain a 25% price increase for members of the class cashed out in the "going private" transaction. Shortly thereafter, the Delaware Legislature adopted legislation to ban fee-shifting bylaws.

In *Stein v. DeBoer* (Or. Cir. Ct. 2017), Gustavo and the Corporate Governance group achieved a settlement that provides significant corporate governance therapeutics on behalf of shareholders of Lithia Motors, Inc. The company's board had approved, without meaningful review, the Transition Agreement between the company and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Sup. Ct. 2015), Gustavo and the Corporate Governance group, by initiating litigation, caused Implant Sciences to hold its first shareholder annual meeting in 5 years and to place an important compensation grant up for a shareholder vote.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct. 2015), Gustavo and the Corporate Governance team caused the North State Bancorp merger agreement to be amended to provide a "majority of the minority" provision for common shareholders in connection with the shareholder vote on the merger. As a result of the action, common shareholders had the ability to stop the merger if the y did not wish it to go forward.

In Hallandale Beach Police Officers and Firefighters' Personnel Retirement Fund vs. Lululemon ath letica, *Inc.*, C.A. No. 8522-VCP (Del. Ch. 2014), in an issue of first impression in Delaware, Gustavo successfully argued for the production of the company chairman's Rule 10b5-1 stock trading plan. The court found that a stock trading plan established by the company's chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman's stock in the company, did not preclude potential liability for insider trading.

Gustavo was Co-Lead Counsel in *In re Great Wolf Resorts, Inc. Shareholders Litigation*, C.A. No. 7328-VCN (Del. Ch. 2012), obtaining the elimination of stand-still provisions that allowed third parties to bid for Great Wolf Resorts, Inc., resulting in the emergence of a third-party bidder and approximately \$94 million (57%) in additional merger consideration for Great Wolf shareholders.

Gustavo received his law degree in 1992 from the Benjamin N. Cardozo School of Law, where he served as an editor of the Moot Court Board and on the Student Council. Upon graduation, he received the award for outstanding student service.

After graduating law school, Gustavo served as Chief-of-Staffto a New York City legislator.

Gustavo is a Mentor and Coach to the NYU Stern School of Business, Berkley Center for Entrepreneurial Studies, New Venture Competition. He was a University Scholar at NYU where he obtained a B.S. in Marketing and International Business in 1988 and an MBA in Finance and International Business in 1989.

Gustavo is a Trustee and former Treasurer of the Beit Rabban Day School, and an arbitrator in the Civil Court of the City of New York.

Gustavo is admitted to practice in New York and New Jersey; the United States District Courts for the Eastern, Northern, and Southern Districts of New York and the District of New Jersey; the United States Courts of Appeals for the Second and Seventh Circuits; and the United States Supreme Court.

#### Emma Gilmore

Emma Gilmore is a Partner at Pomerantz and is regularly involved in high-profile class-action litigation. In 2021, Emma was awarded a spot on *National Law Journal*'s prestigious Elite Women of the Plaintiffs Bar list. In 2021 and 2020, she was named by Benchmark Litigation as one of the Top 250 Women in Litigation — an honor bestowed on only seven plaintiffs' lawyers in the U.S. those years. The *National Law Journal* and the *New York Law Journal* honored her as a "Plaintiffs' Lawyer Trailblazer". Emma was honored by Law360 in 2018 as an MVP in Securities Litigation, part of an "elite slate of attorneys [who] have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals." Only up to six attorneys nationwide are selected each year as MVPs in Securities Litigation. Emma is the first woman plaintiff attorney to receive this outstanding award since it was initiated in 2011. Emma has been honored since 2018 as a Super Lawyer<sup>®</sup>. She has been recognized by Lawdragon as one of the top 500 Leading Plaintiff Financial Lawyers.

Emma is regularly invited to speak about recent trends and developments in securities litigation. She serves on the New York City Bar Association's Securities Litigation Committee. Emma regularly counsels clients around the world on how to maximize recoveries on their investments.

Emma played a leading role in the Firm's class action case in the Southern District of New York against Brazil's largest oil company, Petrobras, arising from a multi-billion-dollar kickback and bribery scheme, in which the Firm was sole Lead Counsel. In a significant victory for investors, Pomerantz achieved a historic \$3 billion settlement with Petrobras. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a class action involving a foreign issuer, the fifth-largest class action settlement ever achieved in the United States, and the largest settlement achieved by a foreign lead plaintiff. The biggest instance of corruption in the history of Brazil had ensnared not only Petrobras' former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. Emma traveled to Brazil to uncover evidence of fraud and drafted the complaint. She deposed and defended numerous fact and expert witnesses, including deposing the former CEO of Petrobras, the whistleblower, and the chief accountant. She drafted the appellate brief, playing an instrumental role in securing a significant victory for investors in this case at the Second Circuit Court of Appeals, when the Court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by other circuit courts. She opposed defendants' petition for a writ of certiorari to the Supreme Court. Emma successfully obtained sanctions against a professional objector challenging the integrity of the settlement, both in the District Court and in the Court of Appeals for the Second Circuit.

Emma organized a group of twenty-seven of the foremost U.S. scholars in the field of evidence and spearheaded the effort to submit an amicus brief to the U.S. Supreme Court on their behalf in a critical issue for investors. One of the two pending issues before the High Court in *Goldman Sachs Group Inc. et al v. Arkansas Teachers Retirement System, et al.* (No. 20-222) squarely affected investors' ability to pursue claims collectively as a class: whether, in order to rebut the presumption of reliance origin ated by the Court in the landmark *Basic v. Levinson* decision, defendants bear the burden of persuasion, or whether they bear only the much lower burden of production. The scholars argued that defendants carry the higher burden of persuasion. In a 6-3 decision, the Supreme Court sided with Pomerantz and the scholars.

Emma leads the Firm's class action litigation against Deutsche Bank and its executives, arising from the Bank's improper anti-money-laundering and know-your-customer procedures, including the Bank's servicing and lending practices to disgraced financier and multiple sex offender Jeffrey Epstein. The District Court for the Southern District of New York sustained the majority of Plaintiffs' claims.

Emma is Lead Counsel in the Firm's class action litigation against Arconic, arising from the deadliest U.K. fire in more than a century.

Emma played a leading role in *Strougo v. Barclays PLC*, a high-profile securities class action that alleged Barclays PLC misled institutional investor clients about the extent of the banking giant's use of so-called "dark pool" trading systems. She drafted the complaint, defeated defendants' efforts to dismiss the action, and contributed to securing an important precedent-setting opinion from the Second Circuit. Emma organized a group of leading evidence experts who filed amicus briefs supporting plaintiffs' position in the Second Circuit.

Emma was Lead Counsel in the high-profile class action litigation against Yahoo! Inc., in which the Firm, as Lead Counsel, achieved an \$80 million settlement for the Class. The case involved the biggest data breaches in U.S. history, in which over 3 billion Yahoo accounts were compromised.

Among other cases, Emma is part of the team prosecuting securities fraud claims against BP on behalf of many foreign and domestic public and private pension funds arising from the company's 2010 Deepwater Horizon oil spill. *In re BP p.l.c. Sec. Litig.*, No. 10-md-2185 (S.D. Tex.). She helped devise a cutting-edge strategy that established the right of individual foreign investors who purchased foreign-traded shares of a foreign corporation to pursue claims for securities fraud in a U.S. court, thereby overcoming obstacles created by the U.S. Supreme Court's 2010 decision in *Morrison v. National Australia Bank Ltd*.

Emma secured a unanimous decision by a panel of the Ninth Circuit Court of Appeals, benefiting defrauded investors in *Costa Brava Partnership III LP v. ChinaCast Education Corp*. In an issue of first impression, the Ninth Circuit held that imputation of the CEO's scienter to the company was warranted vis-a-vis innocent third parties, despite the fact that the executive acted for his own benefit and to the company's detriment.

She has also devoted a significant amount of time to pro bono matters. She played a critical role in securing a unanimous ruling by the Arkansas Supreme Court striking down as unconstitutional a state law banning cohabiting individuals from adopting children or serving as foster parents. The ruling was a relief for the 1,600-plus children in the state of Arkansas who needed a permanent family. The litigation generated significant publicity, including coverage by the *Arkansas Times, the Wall Street Journal, and the New York Times.* 

Before joining Pomerantz, Emma was a litigation associate with the firms of Skadden, Arps, Slate, Meagher and Flom, LLP, and Sullivan & Cromwell, LLP. She worked on the *WorldCom Securities Litigation*, which settled for \$2 billion.

She also served as a law clerk to the Honorable Thomas C. Platt, former U.S. Chief Judge for the Eastern District of New York.

Emma graduated *cum laude* from Brooklyn Law School, where she served as a staff editor for the *Brooklyn Law Review*. She was the recipient of two CALI Excellence for the Future Awards, being the highest scoring student in the subjects of evidence and discovery. She graduated *summa cum laude* from Arizona State University, with a BA in French and a minor in Business.

She serves on the Firm's Anti-Harassment and Discrimination Committee.

Inc. arising out of the biggest data breaches in U.S. history, in which the Firm, as Lead Counsel, achieved an \$80 million settlement on behalf of the Class. At issue is an activist investor's attempt to have Johnson & Johnson ("J&J") shareholders vote on a proxy proposal instituting a corporate bylaw that would require all securities fraud claims against the company to be pursued through mandatory arbitration, and that would waive shareholder's rights to bring securities class actions. In June 2021, the district court handed down an important victory for shareholders when it granted J&J's and the Intervenor's Motion to Dismiss.

Michael is the co-author of a chapter on damages in securities class actions in the LexisNexis treatise, *Litigating Securities Class Actions*.

#### Joshua B. Silverman

Joshua B. Silverman is a partner in the Firm's Chicago office. He specializes in individual and class action securities litigation.

Josh was Lead Counsel in *In re Groupon, Inc. Securities Litigation,* achieving a \$45 million settlement, one of the highest percentage recoveries in the Seventh Circuit. He was also Lead or Co-Lead Counsel in *In re MannKind Corp. Securities Litigation* (\$23 million settlement); *In re AVEO Pharmaceuticals, Inc. Securities Litigation* (\$18 million settlement, more than four times larger than the SEC's fair fund recovery in parallel litigation); *New Mexico State Investment Council v. Countrywide Financial Corp.* (very favorable confidential settlement); *New Mexico State Investment Council v. Cheslock Bakker & Associates* (summary judgment award in excess of \$30 million); *Sudunagunta v. NantKwest, Inc.* (\$12 million settlement); *Bruce v. Suntech Power Holdings Corp.* (\$5 million settlement); *In re AgFeed, Inc. Securities Litigation* (\$7 million settlement); and *In re Hemispherx BioPharma Securities Litigation* (\$2.75 million settlement). Josh also played a key role in the Firm's representation of investors before the

United States Supreme Court in *StoneRidge,* and prosecuted many of the Firm's other class cases, including *In re Sealed Air Corp. Securities Litigation* (\$20 million settlement).

Josh, together with Managing Partner Jeremy Lieberman, achieved a critical victory for investors in the securities fraud class action against Perrigo Co. plc when Judge Arleo of the United States District Court for the District of New Jersey certified classes of investors that purchased Perrigo securities on both the New York Stock Exchange and the Tel Aviv Stock Exchange. Pomerantz represents a number of institutional investors that purchased Perrigo securities on both exchanges after an offer by Mylan N.V. to tender Perrigo shares. This is the first time since *Morrison* that a U.S. court has independently analyzed the market of a security traded on a non-U.S. exchange, and found that it met the standards of market efficiency necessary allow for class certification.

Several of Josh's cases have set important precedent. For example, *In re MannKind* established that investors may support complaints with expert information. *New Mexico v. Countrywide* recognized that investors may show Section 11 damages for asset-backed securities even if there has been no interruption in payment or threat of default. More recently, *NantKwest* was the first Section 11 case in the nation to recognize statistical proof of traceability.

In addition to prosecuting cases, Josh regularly speaks at investor conferences and continuing legal education programs.

Before joining Pomerantz, Josh practiced at McGuireWoods LLP and its Chicago predecessor, Ross & Hardies, where he represented one of the largest independent futures commission merchants in commodities fraud and civil RICO cases. He also spent two years as a securities trader, and continues to actively trade stocks, futures, and options for his own account.

Josh is a 1993 graduate of the University of Michigan, where he received Phi Beta Kappa honors, and a 1996 graduate of the University of Michigan Law School.

Josh is admitted to practice in Illinois; the United States District Court for the Northern District of Illinois; the United States Courts of Appeals for the First, Second, Third, Seventh, Eighth and Ninth Circuits; and the United States Supreme Court.

#### Brenda Szydlo

Brenda Szydlo joined Pomerantz in January 2016 as Of Counsel and was elevated to Partner in 2022. She brings to the Firm extensive experience in complex civil litigation in federal and state court on behalf of plaintiffs and defendants, with a particular focus on securities and financial fraud litigation, litigation against pharmaceutical corporations, accountants' liability, and commercial litigation. She was honored as a Super Lawyers<sup>®</sup> "Top-Rated Securities Litigation Attorney" in 2020 and 2022.

Brenda played a leading role in the Firm's securities class action case in the Southern District of New York against Brazil's largest oil company, Petrobras, arising from a multi-billion-dollar kickback and bribery scheme, in which the Firm, as sole Lead Counsel, achieved a precedent-setting legal ruling and a historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities

class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

Brenda has represented investors in additional class and private actions that have resulted in significant recoveries, such as *In re Pfizer, Inc. Securities Litigation*, where the recovery was \$486 million, and *In re Refco, Inc. Securities Litigation*, where the recovery was in excess of \$407 million. She has also represented investors in opt-out securities actions, such as investors opting out of *In re Bank of America Corp. Securities, Derivative & ERISA Litigation* in order to pursue their own securities actions.

Prior to joining Pomerantz, Brenda served as Senior Counsel in a prominent plaintiff advocacy firm, where she represented clients in securities and financial fraud litigation, and litigation against pharmaceutical corporations and accounting firms. Brenda also served as Counsel in the litigation department of one of the largest premier law firms in the world, where her practice focused on defending individuals and corporation in securities litigation and enforcement, accountants' liability actions, and commercial litigation.

Brenda is a graduate of St. John's University School of Law, where she was a St. Thomas More Scholar and member of the Law Review. She received a B.A. in economics from Binghamton University.

Brenda is admitted to practice in New York; United States District Courts for the Southern and Eastern Districts of New York; the U.S. Courts of Appeals for the Second and Ninth Circuits; and the United States Supreme Court.

#### Matthew L. Tuccillo

A Partner since 2013, Matthew L. Tuccillo joined Pomerantz in 2011. With 22+ years of experience, he is recognized as a top national securities litigator.

Matt was named a Super Lawyers<sup>®</sup> "Top-Rated Securities Litigation Attorney" (2016-present), Legal 500 recommended securities litigator (2021, 2016), Benchmark Litigation Star (2021), American Lawyer Northeast Trailblazer (2021), Lawdragon Leading Plaintiff Financial Lawyer (2019-2020), Lawyer Monthly's 2018 U.S. Federal Tort Lawyer of the Year (2018), and Martindale-Hubbell AV<sup>®</sup> Preeminent<sup>™</sup> peer-rated attorney (2014-present). His advocacy has been covered by Bloomberg, Law360, the Houston Chronicle, the Hartford Business Journal, and other outlets.

Matt regularly serves as Pomerantz's lead litigator on securities fraud lawsuits pending nationwide, including these representative matters:

In Edwards v. McDermott Int'l, Inc., No. 4:18-cv-4330-AB (S.D. Tex.), Matt successfully opposed a
motion to dismiss class action claims alleging a multi-year, several-prong fraud by a leading oil
and gas technology, engineering, and construction company that completed a risky merger,
belatedly reported massive write-downs of distressed projects, and declared bankruptcy. The
lawsuit is proceeding through discovery.

- In Odonate Therapeutics, Inc., et al., No. 3:20-01828-H-LL (S.D. Cal.), Matt successfully opposed a motion to dismiss in a securities lawsuit arising from a company's failure to complete clinical trials and gain FDA approval of a drug candidate. Notably, the court held that defendants' scienter was sufficiently alleged, even though they bought, rather than sold, company stock during the period of alleged fraud. After a mediation, the case settled for \$12.75 million, and the settlement was granted preliminary approval by the court in early 2022.
- In Chun v. Fluor Corp., et al., No. 3:18-cv-01338-S (N.D. Tex.), working with co-lead counsel, Matt succeeded in partially opposing the motion to dismiss a class action lawsuit alleging a company's underbidding and misrepresenting the status of large, fixed-price projects. After a lengthy mediation process, a tentative settlement has been reached, for which court approval will be sought in early 2022.
- In *Crutchfield v. Match Group, et al.*, No. 3:19-cv-2356 (N.D. Tex.), Matt persuaded the court, after an initial dismissal, to uphold a second amended complaint alleging a multi-year, multi-prong fraud by the largest online dating company, based on misstatements and nondisclosures as to underlying bad actor user accounts, marketing based thereon, and the impacts to the company's GAAP-compliant reported results. The lawsuit is proceeding through discovery.
- In In re BP p.l.c. Secs. Litig., No. 4:10-md-2185 (S.D. Tex.), where the court praised the "uniformly excellent" "quality of lawyering," Matt spearheaded lawsuits over BP's Gulf of Mexico oil spill by 125+ global institutional investors. Over 9 years, he successfully opposed three motions to dismiss, oversaw e-discovery of 1.75 million documents, led the Plaintiffs Steering Committee, was the sole interface with BP and the Court, and secured some of the Firm's most ground-breaking rulings. In a ruling of first impression, he successfully argued that investors asserted viable English law "holder claims" for losses due to retention of alreadyowned shares in reliance on a fraud, a theory barred under U.S. law since Blue Chip Stamps v. Manor Drug Stores, 421 U.S. 723 (1975). He successfully argued against forum non conveniens (wrong forum) dismissal of 80+ global institutions' lawsuits - the first ruling after Morrison v. Nat'l Australia Bank Ltd., 130 S. Ct. 2869 (2010), to permit foreign investors to pursue in U.S. court their foreign law claims for losses in a foreign company's securities traded on a foreign exchange. He successfully argued that the U.S. Securities Litigation Uniform Standards Act of 1998 (SLUSA), which extinguishes U.S. state law claims in deference to the U.S. federal law, should not extend to the foreign law claims of U.S. and foreign investors, a ruling that saved those claims from dismissal where U.S. federal law afforded no remedy after Morrison. In 2021, Matt achieved mediator-assisted, confidential, favorable monetary settlement for all 35 Firm clients, including public and private pension funds, money management firms, partnerships, and trusts from the U.S., Canada, the U.K., France, the Netherlands, and Australia.
- In *In re Toronto-Dominion Bank Sec. Litig.*, No. 1:17-cv-01735 (D.N.J.), Matt pled a multi-year fraud arising at one of Canada's largest banks, based on extensive statements by former employees detailing underlying retail banking misconduct. Matt persuaded the court to reject defendants' motion to dismiss and to approve a \$13.25 million class-wide settlement.

- In Perez v. Higher One Holdings, Inc., et al., No. 14-cv-00755-AWT (D. Conn.), Matt persuaded the court, after an initial dismissal, to uphold a second amended complaint asserting five threads of fraud by an education funding company and its founders and to approve a \$7.5 million class-wide settlement. Notably, the court held that the company's reported financial results violated SEC Regulation S-K, Item 303, for failure to disclose known trends and impacts from underlying misconduct – a rare ruling absent an accounting restatement.
- In re KaloBios Pharmaceuticals, Inc. Sec. Litig., No. 15-cv-05841 (N.D. Cal.) concerned a bankrupt drug company and its jailed ex-CEO. Matt negotiated two class-wide settlements totaling \$3.25+ million, including cash payments and stock from the company, approved by the bankruptcy court and district court.
- In re Silvercorp Metals, Inc. Sec.s Litig., No. 1:12-cv-09456 (S.D.N.Y.) concerned a Canadian company with mining operations in China and NYSE-traded stock. Matt worked with mining, accounting, damages, and market efficiency experts to survive a motion to dismiss, oversee discovery, and negotiate a \$14 million class-wide settlement after two mediations. In approving the settlement, Judge Rakoff called the case was "unusually complex," given the technical nature of mining metrics, the need to compare mining standards in Canada, China, and the U.S., and the volume of Chinese-language evidence.

Matt's prior casework includes litigation and resolution of complex disputes over roll up combinations. At Pomerantz, he was on the multi-firm team that litigated and settled *In re Empire State Realty Trust, Inc. Investor Litig.*, No. 650607/2012 (N.Y. Sup. Ct.), representing investors in public and private commercial real estate interests against the Empire State Building's long-term lessees/operators regarding a consolidation, REIT formation, and IPO centered around it. These efforts achieved broad class-wide relief, including a \$55 million cash/securities settlement fund, a \$100 million tax benefit from restructured terms, remedial disclosures, and deal protections.

Matt regularly counsels institutional investors, both foreign and domestic, regarding pending or contemplated complex litigation in the U.S. He is skilled at identifying potential securities frauds early, regularly providing clients with the first opportunity to evaluate and pursue their claims, and he has worked extensively with outside investment management firms retained by clients to identify a winning set of supporting evidence. When litigation is filed, he fully oversees its conduct and resolution, counseling clients throughout every step of the process. These skills have enabled him to sign numerous institutional clients for litigation and portfolio monitoring services, including public and private pension plans, investment management firms and sponsored investment vehicles, from both the U.S. and abroad. Matt's clients have successfully litigated claims in the BP, McDermott, and Fluor litigations discussed above.

Matt's signed clients include public and private pension funds and money management firms from the U.S. and abroad. He takes great pride in representing union clients. He got his own union card as a

teenager (United Food & Commercial Workers International Union, Local 371), following in the footsteps of his grandfather (International Brotherhood of Teamsters, Local 560).

Before joining Pomerantz, Matt worked at a large full-service firm and plaintiff-side boutique firms in Boston and Connecticut, litigating complex business disputes and securities, consumer, and employment class actions. His pro bono work included securing Social Security benefits for a veteran with nonservice-related disabilities.

At the Georgetown University Law Center, Matt made the Dean's List, competed on and coached awardwinning teams in the Jessup International Law Moot Court Competition, and was Foreign Publications Editor of the Georgetown International Environmental Law Review. He represented Virginia's Mattaponi Tribe, as part of Georgetown's top-ranked clinical program, in its fight to block a Virginia dam project on ancestral burial grounds.

Matt earned his undergraduate degree from Wesleyan University and has devoted countless postgraduate hours to developing and supporting its pre-law programs and counseling its students and young alumni interested in the legal profession. Matt served as President of the Wesleyan Lawyers Association from 2017-2020.

Since 2015, Matt has served as volunteer Director of his children's award-winning elementary school and middle school chess clubs, whose 100+ members compete in external tournaments; participate in goodwill exchanges to spread the game to other children; won 2018, 2019, and 2020 grade-level and divisional State Championships; and were named the Connecticut 2021 Scholastic Chess Clubs of the Year.

### Austin P. Van

Austin focuses his practice on high-profile securities class actions. In 2020, Austin was named by Law 360 in 2020 as an MVP in Securities Litigation, part of an "elite slate of attorneys [who] have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals." Only up to six attorneys nationwide are selected each year as MVPs in Securities Litigation. Austin was name to Benchmark Litigations "40 and Under Hotlist" in 2020 and 2021. Austin has been recognized by Lawdragon as one of the top 500 Lead ing Plaintiff Financial Lawyers and has been named as a Recommended Lawyer by The Legal 500. Every year from 2018 through 2021, Austin has been honored as a Super Lawyers<sup>®</sup> Rising Star.

With Pomerantz Managing Partner Jeremy Lieberman, Austin heads the firm's representation of lead plaintiffs in a securities class action against drug behemoth Mylan N.V. This multi-billion-dollar litigation is one of the largest securities class actions pending anywhere. The complaint alleges that Mylan misled investors about wide-ranging wrongful conduct in what some estimate to be the largest price-fixing conspiracy in U.S. history. Austin devised the central theories of the case and authored all three amended complaints in this matter, which has continued to expand. He authored all of lead plaintiffs' three successful opposition briefs to defendants' motions to dismiss, in 2018, 2019, and 2020 respectively, as well as lead plaintiffs' successful arguments for class certification in 2019. In April 2020, the court rejected the Defendants' motion to dismiss the third amended complaint in a precedent-

setting decision concerning scheme liability, and certified a class of investors spanning five years, all based on Austin's arguments. He led fact discovery in the matter, which consisted of review and distillation of millions of documents, orchestrated the Class's thirty fact depositions, and most recently, completed overseeing the Class's submission of five expert reports, totaling thousands of pages of expert disclosures.

Austin was in charge of Pomerantz's securities class action against TechnipFMC, an oil and gas services provider. He uncovered the theory of this case: that TechnipFMC massively overstated its net income in its initial registration statement due to its use of incorrect foreign exchange rates. Austin successfully argued at oral argument in 2018 that the Court should deny defendants' motion to dismiss the central claim in the matter. In 2019, Austin successfully argued lead plaintiff 's motion for class certification. He led the class through complete preparations for trial. The case settled in 2020 for approximately \$20 million.

Austin led a successful securities class action at Pomerantz against Rockwell Medical, Inc. and served as co-lead counsel on the matter with another firm. Austin extensively investigated the facts of this case and drafted the operative complaint. At a pre-motion conference for Defendants' motion to dismiss, District Senior Judge Allyn R. Ross stated: "based on what I have reviewed, it is virtually inconceivable to me that the consolidated amended complaint could possibly be dismissed on a Rule 12(b)(6) motion or a Rule 9(b) motion" and that the proposed motion practice "would be a complete waste of time and resources of counsel, of the clients' money, and my time." Defendants declined even to move to dismiss the complaint and settled the case in 2019 for \$3.7 million — a highly favorable settlement for the Class.

Austin received a J.D. from Yale Law School, where he was an editor of the Yale Law Journal and the Yale Journal of International Law. He has a B.A. from Yale University and an M.Sc. from the London School of Economics.

Austin is admitted to practice law in New York and New Jersey; the United States District Courts for the Southern and Eastern Districts of New York, the District of New Jersey, the Northern District of Illinois, and the Southern District of Texas; and the United States Courts of Appeals for the First and Second Circuits.

#### **Murielle Steven Walsh**

Murielle Steven Walsh joined the Firm in 1998 and was elevated to Partner in 2007. In 2022, Murielle was selected to participate on Law360's Securities Editorial Board. She was named a 2020 Plaintiffs' Lawyer Trailblazer by the *National Law Journal*, an award created to "honor a handful of individuals from each practice area that are truly agents of change" and was also honored as a 2020 Plaintiffs' Trailblazer by the *New York Law Journal*. Murielle was honored in 2019, 2020 and 2021 as a Super Lawyers<sup>®</sup> "Top-Rated Securities Litigation Attorney," a recognition bestowed on 5% of eligible attorneys in the New York Metro area. Lawdragon name her a Top Plaintiffs' Financial Lawyer in 2019 and 2020.

During her career at Pomerantz, Murielle has prosecuted highly successful securities class action and corporate governance cases. She was one of the lead attorneys litigating *In re Livent Noteholders' Securities Litigation*, a securities class action in which she obtained a \$36 million judgment against the company's top officers, a ruling which was upheld by the Second Circuit on appeal. Murielle was also

part of the team litigating *EBC I v. Goldman Sachs*, where the Firm obtained a landmark ruling from the New York Court of Appeals, that underwriters may owe fiduciary duties to their issuer clients in the context of a firm-commitment underwriting of an initial public offering.

Murielle leads the Firm's securities class action against Wynn Resorts Ltd., in which Pomerantz is lead counsel. The litigation arises from the company's concealment of a long-running pattern of sexual misconduct against Wynn employees by billionaire casino mogul Stephen Wynn, the company's founder and former Chief Executive Officer. In May 2020, the court granted the defendants' motion to dismiss while granting Pomerantz leave to amend. In May 2020, the court granted the defendants moved to dismiss the newly amended complaint, but the court denied their motion in part, sustaining claims that arose from critical misstatements by the company. The case is now in discovery. *Ferris v. Wynn Resorts Ltd.*, No. 18-cv-479 (D. Nev.)

In a securities class action against Ormat Technologies, Inc., Murielle achieved a \$3,750,000 settlement on behalf of defrauded investors in January 2021. Ormat's securities are dual-listed on the NYSE and the Tel Aviv Stock Exchange. Murielle persuaded the district court in exercise supplemental jurisdiction in order to apply U.S. securities law to the claims in the case, regardless of where investors purchased their securities.

Murielle led the Firm's ground-breaking litigation that arose from the popular Pokémon Go game, in which Pomerantz was lead counsel. Pokémon Go is an "augmented reality" game in which players use their smart phones to "catch" Pokémon in real-world surroundings. GPS coordinates provided by defendants to gamers included directing the public to private property without the owners' permission, amounting to an alleged mass nuisance. *In re Pokémon Go Nuisance*, No. 3:16-cv-04300 (N.D. Cal.)

Murielle was co-lead counsel in *Thorpev. Walter Investment Management Corp.*, No. 14-cv-20880 (S.D. Fla.), a securities fraud class action challenging the defendants' representations that their lending activities were regulatory-compliant, when in fact the company's key subsidiary engaged in rampant violations of federal consumer financial protection laws, subjecting it to various government investigations and a pending enforcement action by the CFPB and FTC. In 2016, the Firm obtained a \$24 million settlement on behalf of the class. She is also co-lead counsel in *Robb v. Fitbit Inc.*, No. 16-cv-00151 (N.D. Cal.), a securities class action alleging that the defendants misrepresented that their key product delivered "highly accurate" heart rate readings when in fact their technology did not consistently deliver accurate readings during exercise and its inaccuracy posed serious health risks to users of Fitbit's products. The Firm obtained a \$33 million settlement on behalf of the investor class in this action.

In 2018 Murielle, along with then-Senior Partner Jeremy Lieberman, achieved a \$3,300,000 settlement for the Class in the Firm's case against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.*, No. 2:13-cv-07466 (C.D. Cal.).

Murielle serves as a member and on the Executive Committee of the Board of Trustees of the non-profit organization Court Appointed Special Advocates for Children ("CASA") of Monmouth County. She served on the Honorary Steering Committee of Equal Rights Advocates ("ERA"), which focuses on and discusses specific issues that women face in the legal profession. ERA is an organization that protects and expands economic and educational access and opportunities for women and girls. In the past, Murielle served as a member of the editorial board for Class Action Reports, a Solicitor for the Legal Aid Associates Campaign, and has been involved in political asylum work with the Association of the Bar of the City of New York.

Murielle serves on the Firm's Anti-Harassment and Discrimination Committee.

Murielle graduated *cum laude* from New York Law School in 1996, where she was the recipient of the Irving Mariash Scholarship. During law school, Murielle interned with the Kings County District Attorney and worked within the mergers and acquisitions group of Sullivan & Cromwell.

Murielle is admitted to practice in New York; the United States District Court for the Southern District of New York; and the United States Courts of Appeals for the Second and Sixth Circuits.

#### Tamar A. Weinrib

Tamar A. Weinrib joined Pomerantz in 2008. She was Of Counsel to the Firm from 2014 through 2018 and was elevated to Partner in 2019. In 2020, The Legal 500 honored her as a Next Generation Partner. Tamar was named a 2018 Rising Star under 40 years of age by Law360, a prestigious honor awarded to a select few "top litigators and dealmakers practicing at a level usually seen from veteran attorneys." Tamar has been recognized by Super Lawyers<sup>®</sup> as a 2021 "Top-Rated Securities Litigation Attorney;" she was honored as a New York Metro Rising Star every year from 2014 to 2019.

In 2019, Tamar and Managing Partner Jeremy Lieberman achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investor clients about the extent of the banking giant's use of so-called "dark pool" trading systems. This case turned on the duty of integrity owed by Barclays to its clients. In November 2016, Tamar and Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the evidence rather than merely meeting a burden of production. In 2018, Tamar successfully opposed Defendants' petition to the Supreme Court for a writ of certiorari.

In approving the settlement in *Strougo v. Barclays PLC* in June 2019, Judge Victor Marrero of the Southern District of New York stated:

Let me thank counsel on both sides for the extraordinary work both sides did in bringing this matter to a reasonable conclusion. As the parties have indicated, the matter was intensely litigated, but it was done in the most extraordinary fashion with cooperation, collaboration, and high levels of professionalism on both sides, so I thank you.

Tamar headed the litigation of *In re Delcath Systems, Inc. Securities Litigation*, in which Pomerantz achieved a settlement of \$8,500,000 for the class. She successfully argued before the Second Circuit in *In re China North East Petroleum Securities Litigation*, to reverse the district court's dismissal of the defendants on scienter grounds.

Among other securities fraud class actions that Tamar led to successful settlements are *KB Partners I, L.P. v. Pain Therapeutics, Inc.* (\$8,500,000); *New Oriental Education & Technology Group, Inc.* (\$3,150,000 pending final approval); and *Whiteley v. Zynerba Pharmaceuticals Inc. et al.* (\$4,000,000 pending final approval).

Before coming to Pomerantz, Tamar had over three years of experience as a litigation associate in the New York office of Clifford Chance US LLP, where she focused on complex commercial litigation. Tamar has successfully tried pro bono cases, including two criminal appeals and a housing dispute filed with the Human Rights Commission.

Tamar graduated from Fordham University School of Law in 2004 and while there, won awards for successfully competing in and coaching Moot Court competitions.

Tamar is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York; and the United States Courts of Appeals for the Second, Third, Fourth, and Ninth Circuits.

#### Michael J. Wernke

Michael J. Wernke joined Pomerantz as Of Counsel in 2014 and was elevated to Partner in 2015. He was named a 2020 Plaintiffs' Lawyer Trailblazer by the *National Law Journal*, an award created to "honor a handful of individuals from each practice area that are truly agents of change."

Michael, along with Managing Partner Jeremy Lieberman, led the litigation in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y), in which the Firm, as Lead Counsel, achieved a \$110 million settlement for the class. This high-profile securities class action alleges that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with "defeat device" software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

Michael led the securities class action *Zwick Partners, LP v. Quorum Health Corp., et al.*, No. 3:16-cv-2475, achieving a settlement of \$18,000,000 for the class in June 2020. The settlement represented between 12.7% and 42.9% of estimated recoverable damages. Plaintiff alleged that defendants misrepresented to investors the poor prospects of hospitals that the parent company spun off into a stand-alone company. In defeating defendants' motions to dismiss the complaint, Michael successfully argued that company from which Quorum was spun off was a "maker" of the false statements even though all the alleged false statements concerned only Quorum's financials and the class involved only

purchasers of Quorum's common stock. This was a tremendous victory for plaintiffs, as cases alleging false statements of goodwill notoriously struggle to survive motions to dismiss.

Along with Managing Partner Jeremy Lieberman, Michael leads the Firm's individual action against pharmaceutical giant Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. (together, "Teva"), and certain of Teva's current and former employees and officers, relating to alleged anticompetitive practices in Teva's sales of generic drugs. Teva is a dual-listed company; the Firm represents several Israeli institutional investors who purchased Teva shares on the Tel Aviv Stock Exchange. In early 2021, Pomerantz achieved a major victory for global investors when the district court agreed to exercise supplemental jurisdiction over the Israeli law claims. *Clal Insurance Company Ltd. v. Teva Pharmaceutical Industries Ltd.* 

In December 2018, Michael, along with Pomerantz Managing Partner Jeremy A. Lieberman, secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely watched multi-district litigation, which concerns the LIBOR rigging scandal.

In October 2018, Michael secured a \$15 million settlement in *In re Symbol Technologies, Inc. Securities Litigation*, No. 2:05-cv-03923-DRH-AKT (E.D.N.Y.), a securities class action that alleges that, following an accounting fraud by prior management, Symbol's management misled investors about state of its internal controls and the Company's ability to forecast revenues.

He was Lead Counsel in *Thomas v. Magnachip Semiconductor Corp.*, in which he achieved a \$23.5 million partial settlement with certain defendants, securing the settlement despite an ongoing investigation by the Securities and Exchange Commission and shareholder derivative actions. He played a leading role in *In re Lumber Liquidators, Inc. Securities Litigation*, in which Pomerantz, as Co-Lead Counsel, achieved a settlement of \$26 million in cash and 1,000,000 shares of Lumber Liquidators common stock for the Class. Michael also secured a \$7 million settlement (over 30% of the likely recoverable damages) in the securities class action *Todd v. STAAR Surgical Company, et. al.*, No. 14-cv-05263-MWF-RZ (C.D. Cal.), which alleged that STAAR concealed from investors violations of FDA regulations that threatened the approval of STAAR's long awaited new product.

In the securities class action *In re Atossa Genetics, Inc. Securities Litigation*, No. 13-cv-01836-RSM (W.D. Wash.), Michael secured a decision by the Ninth Circuit Court of Appeals that reversed the district court's dismissal of the complaint. The Ninth Circuit held that the CEO's public statements that the company's flagship product had been approved by the FDA were misleading despite the fact that the company's previously filed registration statement stated that the the product did not, at that time, require FDA approval.

Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.), in which the Firm, as Lead Counsel, recovered a \$225 million settlement for the Class – the second-highest ever for a case involving back-dating options, and one of the largest recoveries ever from an individual officer-defendant, the company's founder and former CEO. In

*Comverse*, the Firm obtained an important clarification of how courts calculate the "largest financial interest" in connection with the selection of a Lead Plaintiff, in a manner consistent with *Dura Pharmaceuticals, Inc. v. Broudo*, 544 U.S. 336 (2005). Judge Garaufis, in approving the settlement, lauded Pomerantz: "The court also notes that, throughout this litigation, it has been impressed by Lead Counsel's acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation."

In *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Patrick obtained the first class certification in a federal securities case involving fraud by analysts.

Patrick's extensive experience in litigation under the PSLRA has made him an expert not only at making compelling arguments on behalf of Pomerantz' clients for Lead Plaintiff status, but also in discerning weaknesses of competing candidates. *In re American Italian Pasta Co. Securities Litigation* and *Comverse* are the most recent examples of his success in getting our clients appointed sole Lead Plaintiff despite competing motions by numerous impressive institutional clients.

Patrick was a member of the trial team in *In re ICN/Viratek Securities Litigation* (S.D.N.Y. 1997), which, after trial, settled for \$14.5 million. Judge Wood praised the trial team: "[P]laintiffs counsel did a superb job here on behalf of the class. ...This was a very hard fought case. You had very able, superb opponents, and they put you to your task. ...The trial work was beautifully done and I believe very efficiently done."

Patrick's speaking engagements include interviews by NBC and the CBC regarding securities class actions, and among others, a presentation at the November 2009 State Association of County Retirement Systems Fall Conference as the featured speaker at the Board Chair/Vice Chair Session entitled: "Cleaning Up After the 100 Year Storm. How trustees can protect assets and recover losses following the burst of the housing and financial bubbles."

Upon graduating, Patrick served as the Pro Se Staff Attorney for the United States District Court for the Eastern District of New York and was a law clerk to the Honorable Joan M. Azrack, United States Magistrate Judge.

Patrick is admitted to practice in New York and Illinois; the United States District Courts for the Southern and Eastern Districts of New York, Northern District of Illinois, Northern District of Indiana, Eastern District of Wisconsin, District of Colorado, and Western District of Pennsylvania; the United States Courts of Appeals for the First, Fourth, Sixth, Seventh, Eighth, and Ninth Circuits; and the United States Supreme Court.

Jennifer played an integral role on the team litigating *In re Petrobras Securities Litigation*, in the Southern District of New York, a securities class action arising from a multi-billion-dollar kickback and bribery scheme involving Brazil's largest oil company, Petróleo Brasileiro S.A. - Petrobras. The Firm, as sole Lead Counsel, achieved a historic \$3 billion settlement on behalf of investors in Petrobras securities. Among Jennifer' contributions to the team's success were: managing the entire third-party discovery in the United States, which resulted in the discovery of key documents and witnesses; deposing several underwriter bank witnesses; drafting portions of Plaintiffs' amended complaints that withstood motions to dismiss the claims and Plaintiffs' successful opposition to Defendants' appeal in the Second Circuit, which resulted in precedential rulings, including the Court rejecting the heightened ascertainability requirement for obtaining class certification that had been imposed by other circuit courts; and second chaired argument in the Second Circuit that successfully led to the Court upholding the award of sanctions against a professional objector challenging the integrity of the settlement.

Jennifer played a leading role in *In re Toronto-Dominion Bank Securities Litigation*, an action in the District of New Jersey alleging a multi-year fraud arising from underlying retail banking misconduct by one of Canada's largest banks that was revealed by investigative news reports. Jennifer undertook significant work drafting the briefing to oppose Defendants' motion to dismiss the claims, which the Court denied. She oversaw the discovery in the action, which included, among other things, heading the

complicated process of obtaining documents in Canada and being a principal drafter of the motion to partially lift the PSLRA stay in order to obtain discovery. Jennifer successfully presented oral argument which led to the Court approval of a \$13.25 million class-wide settlement.

U.S. District Judge Noel L. Hillman, in approving the *Toronto-Dominion Bank* settlement, stated, "I commend counsel on both sides for their hard work, their very comprehensive and thoughtful submissions during the motion practice aspect of this case. I paused on it because it was a hard case. I paused on it because the lawyering was so good. So, I appreciate from both sides your efforts." He added, "It's clear to me that this was comprehensive, extensive, thoughtful, meaningful litigation leading up to the settlement." Singling out Pomerantz's role as lead counsel, the judge also said, "This settlement appears to have been obtained through the hard work of the Pomerantz firm... It was through their efforts and not piggybacking on any other work that resulted in this settlement."

Jennifer was a key member of the team litigating individual securities actions against BP p.l.c. in the Northern District of Texas on behalf of institutional investors in BP p.l.c. to recover losses in BP's common stock (which trades on the London Stock Exchange), arising from BP's 2010 Gulf oil spill. The actions were resolved in 2021 in a confidential, favorable monetary settlement for all 35 Firm clients.

Jennifer is a lead litigator in *Crutchfield v. Match Group, Inc.*, pending. Jennifer is also a key member of the litigation teams of other nationwide securities class action cases, including: *In re Ubiquiti Networks, Inc. Sec. Litig.*, an action in the Southern District of New York, for which Jennifer was one of the principal drafters of the amended complaint—the strength of which led the Court to deny permission to the defendants to file a formal motion to dismiss it—which secured a court-approved \$15 million class-wide settlement; *In re KaloBios Pharmaceuticals Inc. Securities Litigation,* an action in the Northern District of California, which successfully secured settlements from the bankrupt company and its jailed CEO worth over \$3.25 million for the Class that were approved by the Court as well as the bankruptcy court; *Perez v. Higher One Holdings, Inc.,* an action in the District of Connecticut, for which Jennifer was one of the principal drafters of the successful opposition to Defendants' motion to dismiss, and which secured a court-approved \$7.5 million class-wide settlement; *Edwards v. McDermott Int'l, Inc.* pending in the Southern District of Texas; and *Kendall v. Odonate Therapeutics, Inc.*, pending in the Southern District of California.

Prior to joining Pomerantz, Jennifer was an associate with a prominent law firm in New York where her practice focused on complex commercial litigation, including securities law and accountants' liability. An advocate of pro bono representation, Jennifer earned the Empire State Counsel honorary designation from the New York State Bar Association and received an award from New York Lawyers for the Public Interest for her pro bono work.

Jennifer received her B.A. from Harvard University (with honors), where she was on the Dean's List, a Ron Brown Scholar, and a recipient of the Harvard College Scholarship. She received her J.D. from University of Virginia School of Law where she was a participant in the Lile Moot Court Competition and was recognized for her pro bono service.

She is a member of the Securities Litigation and Public Service Committees of the Federal Bar Council, and the New York City Bar Association.

## DECLARATION OF WILLIE BRISCOE FILED ON BEHALF OF THE BRISCOE LAW FIRM, PLLC IN SUPPORT OF APPLICATION FOR AWARD OF ATTORNEYS' FEES AND EXPENSES

I, WILLIE BRISCOE, declare as follows:

1. I am a partner of the firm of The Briscoe Law Firm, PLLC ("TBLF" or the "Firm"). I am submitting this declaration in support of the application for an award of attorneys' fees, expenses and charges ("expenses") in connection with services rendered in the above-entitled action (the "Litigation").

1. This Firm is liaison counsel for Lead Plaintiffs Wayne County Employees' Retirement System, the Town of Fairfield Employees' Retirement Plan, and the Town of Fairfield Police and Firemen's Retirement Plan, and the Settlement Class herein.

2. The information in this declaration regarding the Firm's time and expenses is taken from time and expense reports and supporting documentation prepared and/or maintained by the Firm in the ordinary course of business. I am the partner who oversaw and/or conducted the day-to-day activities in the Litigation and I reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries on the printouts as well as the necessity for, and reasonableness of, the time and expenses committed to the Litigation. As a result of this review, reductions were made to both time and expenses in the exercise of billing judgment. Based on this review and the adjustments made, I believe that the time reflected in the Firm's lodestar calculation and the expenses for which payment is sought herein are reasonable and were necessary for the effective and efficient prosecution and resolution of the Litigation.

3. After the reductions referred to above, the number of hours spent on the Litigation by the Firm is <u>51.25</u>. A breakdown of the lodestar is provided in the attached Exhibit A. The lodestar amount for attorney/paraprofessional time based on the Firm's current rates is \$26,093.75. The hourly rates shown in Exhibit A are the Firm's current rates in contingent cases

set by the Firm for each individual. These hourly rates are consistent with hourly rates submitted by the Firm to state and federal courts in other securities class action litigation. The Firm's rates are set based on periodic analysis of rates charged by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by the Firm, the "current rate" used for the lodestar calculation is based upon the rate for that person in his or her final year of employment with the Firm.

4. The identification and background of my Firm and its partners is attached hereto as Exhibit B.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 14th day of October, 2022, at Dallas, Texas.

## DECLARATION OF GERARD GRYSKO ON BEHALF OF WAYNE COUNTY EMPLOYEES' RETIREMENT SYSTEM

I, Gerard Grysko, as Deputy Director of Wayne County Employees' Retirement System ("Wayne County"), participate in and oversee decisions regarding the administration of Wayne County and am responsible for overseeing Wayne County's participation in this securities class action as well as other securities class action litigations. The following facts are true and correct to my knowledge, and if called upon to testify, I could and would testify competently thereto.

1. Wayne County is a lead plaintiff in the above-captioned case (the "Action"). I respectfully submit this declaration in support of: (i) approval of the Settlement in the Action, which is fully documented in the Stipulation of Settlement, dated March 25, 2022; and (ii) approval of Lead Counsel's application for an award of attorneys' fees and expenses and of Wayne County's application for an award of \$1,919.25 pursuant to 15 U.S.C. §78u-4(a)(4) in connection with Wayne County's representation of the Settlement Class.

2. Wayne County is a public employee retirement system that was established by the County of Wayne, Michigan, on December 1, 1944. It is administered by the Board of Retirement to provide retirement, disability, death, and survivor benefits for its employees under the authority of the Home Rule Charter for the County and Section 12a of Act No. 156 of the Public Acts of Michigan of 1851.

3. Wayne County understands that the Private Securities Litigation Reform Act of 1995 was intended to encourage institutional investors and others with meaningful losses to participate in securities class actions. As a sophisticated institutional investor, and a named plaintiff in this case, Wayne County understood and fulfilled its responsibilities by vigorously prosecuting this case on behalf of the Settlement Class. Ultimately, Wayne County agreed to settle the case after balancing the risks of further litigation, trial, and appeals, if we prevailed, against the immediate benefit of a \$33,000,000 recovery.

- 1 -

4. Following appointment as a lead plaintiff, Wayne County was kept fully informed regarding case developments and procedural matters over the course of the litigation. Wayne County reviewed and monitored the progress of this Action. Wayne County, through me and/or the other Wayne County employees listed below, discussed, was consulted on, and received and reviewed periodic written updates and other correspondence from counsel regarding the case and reviewed and discussed with counsel the filing of significant pleadings and briefs, the issuance of court orders, the parties' efforts to stay the case and attempted mediations, eventual settlement, and other case developments.

5. In considering whether to agree to the \$33 million Settlement, Wayne County weighed the significant amount of the Settlement against the risks and uncertainties of continued litigation. We understood that even if Plaintiffs prevailed on class certification, summary judgment and at trial, the Defendants would likely appeal that decision which would, at a minimum, substantially delay any recovery by the Settlement Class. Moreover, the Settlement provides an immediate and significant recovery to the Settlement Class. Wayne County believes that the Settlement is fair, reasonable and adequate and in the best interests of the Settlement Class.

6. While Wayne County recognizes that the award of fees and expenses is a decision for the Court, based on our monitoring of the litigation and our assessment of the quality and quantity of work done, and the result obtained, Wayne County also supports Lead Counsel's 30% fee request and expense application as fair and reasonable, as this Settlement would not have been possible without the diligent and aggressive prosecutorial efforts of Lead Counsel.

7. Wayne County further understands that the Court may grant a lead plaintiff's request for an award of reasonable costs and expenses incurred in representing the class. The following employees of Wayne County devoted 24.25 hours to the prosecution of this Action, time

App. 333

that they would have otherwise spent focused on the daily activities of the fund. The following individuals contributed:

Robert J. Grden	10.75 hours at \$93.73/hour	\$1,007.60
Gerard Grysko	13.50 hours at \$67.53/hour	\$911.65
TOTAL		\$1,919.25

The hourly rates are based on the annual wages and medical benefits for these staff members of Wayne County divided by a normal work year. As set forth above, the time spent was directly related to Wayne County's involvement in the Action, including time spent on: (a) consulting with counsel regarding the Action, and (b) reviewing reports, pleadings, briefs, or orders. Accordingly, Wayne County respectfully requests an award of \$1,919.25 for its time expended in the prosecution of the Action on behalf of the Settlement Class.

8. For all of these reasons, Wayne County respectfully requests that the Court: (i) grant final approval of the Settlement; (ii) award Lead Counsel its requested attorneys' fees and expenses; and (iii) award Wayne County \$1,919.25 pursuant to 15 U.S.C. §78u-4(a)(4) in connection with its representation of the Settlement Class.

I declare under penalty of perjury that the foregoing is true and correct. Executed this  $\frac{7^{++}}{10^{+}}$ day of October, 2022, in Detroit, Michigan.

### DECLARATION OF BRENDA L UPCHIC AND CAROLYN TRABUCO ON BEHALF OF THE TOWN OF FAIRFIELD EMPLOYEES RETIREMENT PLAN AND THE TOWN OF FAIRFIELD POLICE AND FIREMEN S RETIREMENT PLAN

### Case 3:18-cv-01338-X Document 167-8 Filed 10/17/22 Page 3 of 9 PageID 3625

We, Town of Fairfield First Selectwoman Brenda L. Kupchick and Town of Fairfield Joint Retirement Investment Board Chairwoman Carolyn Trabuco, in our oversight capacities regarding the Town of Fairfield Employees' Retirement Plan (the "FER Plan") and the Town of Fairfield Police and Firemen's Retirement Plan ("FPFR Plan"), have actively participated in the oversight and decision-making regarding the administration of the FER Plan and the FPFR Plan and can describe their involvement in and oversight of this securities class action lawsuit (the "Action"). The following facts are true and correct to our knowledge, and if called upon to testify, we could and would testify competently thereto.

1. The FER Plan and the FPFR Plan are two of the three institutional investors appointed by the Court to serve as lead plaintiffs in this Action. We respectfully submit this declaration in support of: (i) approval of the Settlement in the Action, which is fully documented in the Stipulation of Settlement, dated March 25, 2022 (ii) approval of Lead Counsel's application for an award of attorneys' fees and expenses (iii) approval of the FER Plan's application for an award of 25,000.00 pursuant to 15 U.S.C. 78u-4(a)(4) in connection with its representation of the Settlement Class and (iv) approval of the FPFR Plan's application for an award of 25,000.00 pursuant to 15 U.S.C. 78u-4(a)(4) in connection for an award of 25,000.00 pursuant to 15 U.S.C.

2. The FER Plan and the FPFR Plan are separate legal entities, with independent board leadership and separate beneficiaries taken from different pools of 1,500 current and former employees of the Town of Fairfield, Connecticut. The FER Plan and the FPFR Plan each have a board whose membership is a combination of employees elected by the plan participants and individuals appointed by the First Selectwoman and approved by the Fairfield Representative Town Meeting, the town legislative body.

3. The FER Plan, the defined benefit pension plan for general employees, is managed by the Employees Retirement Board ("ERB"), an entity established by Town Code 37-11. The ERB has nine members who serve a maximum of two five-year terms. The ERB meets roughly six or more times annually to discuss and decide issues pertaining to the FER Plan. The ERB's membership consists of an Administrative Employee Representative, a Town Employee Representative, a Board of Education Representative, the First Selectwoman, and five appointed members balanced by party affiliation. Thus, the ERB has one Town executive member (the First Selectwoman) plus eight other Board-specific members.

4. The FPFR Plan, the defined benefit pension plan for policemen and firemen, is managed by the Police Fire Retirement Board ("PFRB"), an entity established by Town Charter Article X 10.7. The PFRB has seven members who serve a maximum of two three-year terms. The PFRB meets roughly six or more times annually to discuss and decide issues pertaining to the FPFR Plan. The PFRB's membership consists of a Police Representative, a Firemen's Representative, the First Selectwoman, the Town Chief Fiscal Officer ("CFO"), and three appointed members. Thus, the ERB has two Town executive members (the First Selectwoman and Town CFO) plus five other Board-specific members.

5. The retirement and other post-employment benefit (OPEB) funds of the FER Plan and the FPFR Plan, totaling hundreds of millions of dollars, are invested in comingled accounts managed by outside investment managers. A Joint Retirement Investment Board ("JRIB"), consisting of the ERB and PFRB members, oversees the hiring and performance of the outside investment managers and the performance of the investment accounts. The JRIB is led by a Chairwoman. The membership of the JRIB, ERB, and PFRB has evolved during the over four years of this Action, with dozens of individuals serving on these boards during that time period. The makeup of the boards at any given moment ran the gamut from public sector employee representatives to private sector professionals in the legal and financial services industries and other high-salary fields.

6. Town executive leadership provides additional oversight. The First Selectwoman is the Town's highest elected executive and the leader of the Town's three-member elected Board of Selectman ("BOS"). The BOS was established by Town Charter Article VI, and its members serve four-year terms without term limits. The BOS typically meets twice monthly to discuss and decide a broad array of Town business. The Town CFO and Town Attorney are appointed positions established by Town Charter Article IX 9.5 and 9.3, respectively. In addition, the First Selectwoman is assisted by a Chief of Staff and Chief Administrative Officer. Pending over four years, the Action spanned two Town executive administrations, with the pivot from Democratic to Republican leadership occurring in the 2019 election. The publicly available 2021 Town budget reports salaries for many of these positions, including 166,000 for the CFO, 145,000 for the First Selectwoman, 120,000 for the Chief Administrative Officer ("CAO") and 107,000 for the Chief of Staff.

7. The FER Plan, the FPFR Plan, and their leadership, including us, understood that the Private Securities Litigation Reform Act of 1995 was intended to encourage institutional investors and others with meaningful losses to participate in securities class actions. As sophisticated institutional investors, named and lead plaintiffs, and proposed Settlement Class representatives in this case, the FER Plan and the FPFR Plan understood and fulfilled their responsibilities by vigorously prosecuting this Action on behalf of the Settlement Class and carefully monitoring its progress and the efforts of our chosen counsel at Pomerantz LLP, with whom we stayed in regular and close contact. Ultimately, the FER Plan and the FPFR Plan agreed to settle the Action after balancing the risks of further litigation, trial, and appeals, if we prevailed, against the immediate benefit of a 33 million recovery.

8. In considering whether to agree to the 33 million Settlement, the FER Plan and the FPFR Plan weighed the significant amount of the Settlement against the risks and uncertainties

of continued litigation. After consulting with our counsel, we understood that even if we prevailed on class certification, summary judgment and at trial, the Defendants would likely appeal that decision which would, at a minimum, substantially delay any recovery by the Settlement Class. Moreover, the Settlement provides an immediate and significant recovery to the Settlement Class. The FER Plan and the FPFR Plan believe that the Settlement is fair, reasonable and adequate and in the best interests of the Settlement Class. This decision was carefully considered, including in executive session presentations by our counsel from Pomerantz to the full BOS on September 13, 2021 and February 4, 2022 and to the full JRIB on February 23, 2022.

9. Throughout the litigation, the FER Plan, the FPFR Plan, and their leadership, as described above, were kept fully informed regarding case developments, procedural matters, strategic concerns, and resolution considerations. Counsel at Pomerantz provided regular written updates and strategic analysis to the full membership of the JRIB, ERB, and PFRB and answered questions as they arose. Counsel at Pomerantz engaged in greater depth on strategic issues and litigation filings with the executive leadership, including the First Selectwoman, Chief of Staff, Town CFO, Town Attorney, and JRIB Chair, both by phone and by email. At key moments, particularly during the period when the case was mediated and the ensuing months of mediatorassisted negotiations, counsel at Pomerantz made live presentations to the JRIB, ERB, PFRB, BOS, and Town Attorney, following longer phone conferences with the Town CFO and Town Attorney. Counsel at Pomerantz maintained this level of engagement with the FER Plan and the FPFR Plan over two executive administrations and membership changes on the pension boards. Through these efforts, the FER Plan, the FPFR Plan, and their leadership were at all times kept fully informed with an opportunity to review pleadings and court orders, to benefit from counsel's analysis, to ask questions, and, particularly as regards settlement, exercise decisional authority.

10. Recognizing that the award of fees and expenses is a decision for the Court, based on our monitoring of the litigation and our assessment of the quality and quantity of work done, and the result obtained, the FER Plan and the FPFR Plan support Lead Counsel's 30 fee request and expense application as fair and reasonable, as this Settlement would not have been possible without the diligent and aggressive prosecutorial efforts of Lead Counsel.

11. On behalf of the FER Plan and the FPFR Plan, and on the advice of our counsel, we understand the Court may grant a lead plaintiff's request for an award of reasonable costs and expenses incurred in representing the class. Here, as reflected by records maintained by our counsel at Pomerantz, the FER Plan and FPFR Plan leadership devoted a combined 218.90 hours over four years to prosecuting this Action. These hours break down as follows: (a) First Selectwoman (and prior First Selectman): 24.10 hours (b) Chief of Staff: 10.00 hours (c) Other BOS members: 6.75 hours (d) Town CFOs: 36.65 hours (e) Town CAOs: 1.3 hours (f) JRIB Chairs: 34.35 hours (g) Town Attorney: 27.10 hours (h) ERB members: 30.25 hours and (i) PFRB members: 48.40 hours. Categories (a) - (g) are jointly attributable to both the FER Plan and the FPFR Plan, due to the joint oversight role of the personnel, while category (h) relates solely to the FER Plan and category (i) relates solely to the FPFR Plan. Thus, 100.375 hours are attributable to the FER Plan, and 118.525 hours are attributable to the FPFR Plan. Compared against the requested 25,000 awards for each plan, these reported hours translate into hourly rates of 210 per hour (for the FPFR Plan) and 249 per hour (for the FER Plan), which we and our counsel feel is a reasonable average hourly rate based on the annual compensation of the various individuals.

12. The time spent by the First Selectwoman, her Chief of Staff, the Town CFO, the Town CAO, the Town Attorney, the JRIB Chair, the ERB members, and the PFRB members on the prosecution of this action is time that they would have otherwise spent focused on the myriad other items of Town and pension business that they regularly oversee and their other professional

endeavors. As summarized above, the time spent was directly related to the FER Plan's and the FPFR Plan's involvement in the Action and their thoughtful and attentive fulfillment of their roles as Court-appointed lead plaintiffs and proposed Settlement Class representatives.

13. For all these reasons, the FER Plan respectfully requests that the Court: (i) grant final approval of the Settlement; (ii) award Lead Counsel its requested attorneys' fees and expenses; and (iii) award the FER Plan \$25,000.00 pursuant to 15 U.S.C. §78u-4(a)(4) in connection with its representation of the Settlement Class.

14. For all these reasons, the FPFR Plan also respectfully requests that the Court: (i) grant final approval of the Settlement; (ii) award Lead Counsel its requested attorneys' fees and expenses; and (iii) award the FPFR Plan \$25,000.00 pursuant to 15 U.S.C. §78u-4(a)(4) in connection with its representation of the Settlement Class.
